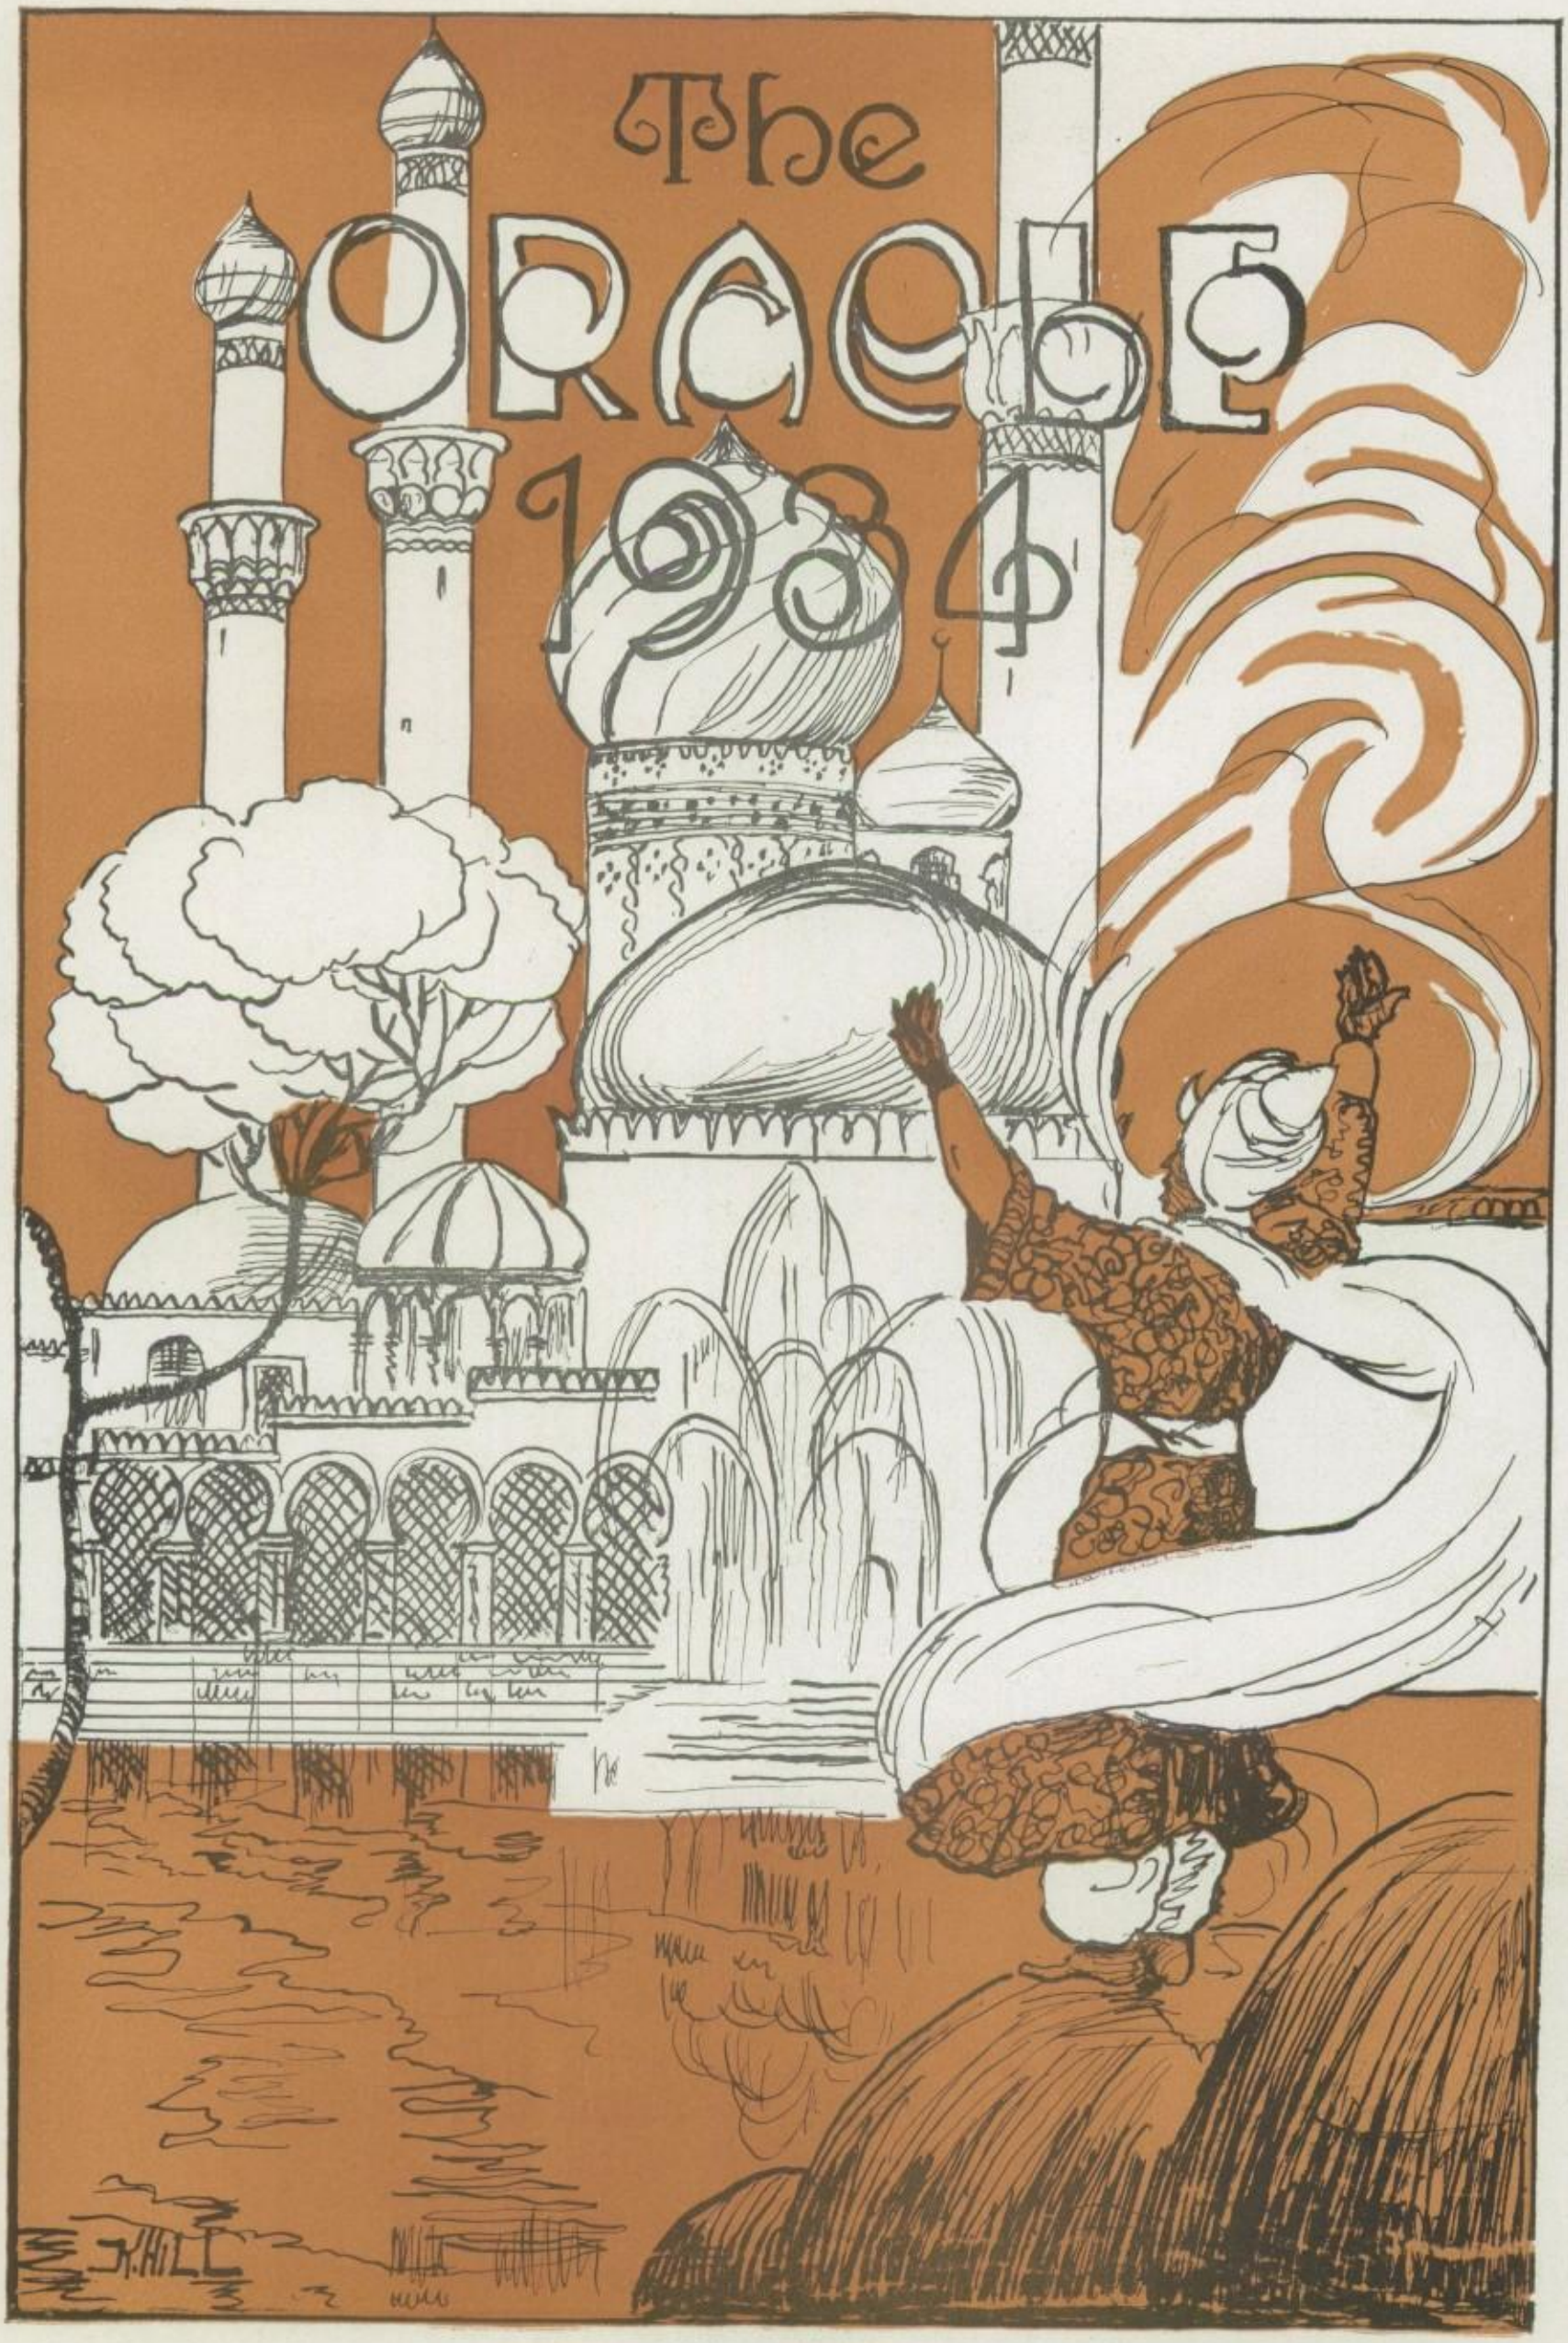
Theme

"Foot loose in the stirrup
With carbine on my back;
Out over the desert
To find the caravan's track.
Fleet feet on my charger
Rest light upon the sand;
No one can o'er take me,
The chief of the Arab band!

I know the oases
Where waving palm trees grow.
I know hidden valleys
Where sparkling rivulets flow.
On, then! Who will follow
Across the burning sand?
Proud son of the desert,
The chief of the Arab band!

Oftimes in the twilight
Beside my tent, at rest;
Dreaming in the starlight,
Fierce longing stirs in my breast.
Up, then, O my courser,
His neck beneath my hand!
Ride I through the night time,
The chief of the Arab band!



The
ORACLE
1934

To the Chief of Our Arab Band,
GEORGE W. GULDEN
in appreciation of the one thousand and one nights
that he has spent in carefully planning
our long caravan journey
we dedicate the Oracle of '34

Foreword

How near we seem to the end of our pleasant journey! Looking back we think of some things with regret, some with contentment, but we look through a mist of tears when we think how near the time is drawing for us to part. We carry with us a host of sacred memories, and in leaving we submit this 1934 Oracle with the trust that these memories will be preserved as they mellow with passing years.

HAROLD ADAMS *"Ham"*

General Course; A. A. 2, 3, 4; Vice President 3, President 4; Band 1; Junior Class President; Dramatic Club 4; Varsity Football 2, 3, 4; Home Room President 3; Hi-Y Club 3, 4, Vice President 3, President 4; Science Club 3, 4; Student Council 1, 2; Traffic Patrol 4; Track 2, 3, 4; Varsity Club 2, 3,4.

"Behold, here is one of Achilles' race,
With a broad chest and a smilling face."

Harold is one of the outstanding athletes of our class and an all around good sport. For three years he has held the berth of varsity full-back and was elected captain this year. Then, too, Harold served nobly as president of the Junior Class, president of the Hi-Y Club, and the Athletic Association. Harold stands high in his studies, especially in mathematics and the sciences. He has a sunny disposition and a big smile for everybody. His friends are numerous and of both sexes.

ELEANOR BALDWIN *"Baldy"*

Commercial Course; A. A. 1; El Circulo Espanol 4; Glee Club 1, 2, 3, 4; Orchestra 1, 3.

"Begone dull care,
Thou and I shall never agree."

Here's to one of the jolliest girls in Carlisle High! If it is true that every smile draws a nail from one's coffin, then "Baldy's" is going to be rather loosely assembled, and by the same reasoning, she will live to a ripe old age. "Baldy" is one of those unusual creatures who really and truly like mathematics. (Oh, why weren't we all made like that!) Her merry heart will always keep happy this expert young typist.

WILLIAM BAILEY *"Bill"*

General Course; A. A. 1, 2, 3, 4; Basketball 2, 3, 4; Sophomore Class President; Dramatic Club 4; "Honor Bright" 4; "Come Out of the Kitchen" 4; Varsity Football 2, 3, 4; Glee Club 1, 4; Home Room President 1, 3, 4; Hi-Y Corresponding Secretary 2, 3, 4; Science Club; Traffic Patrol 4; Student Council 2, 4; Track 1, 2, 4; Varsity Club 4, Vice President 4.

"At football he's a crackerjack,
To girls, too, he ne'er turns his back."

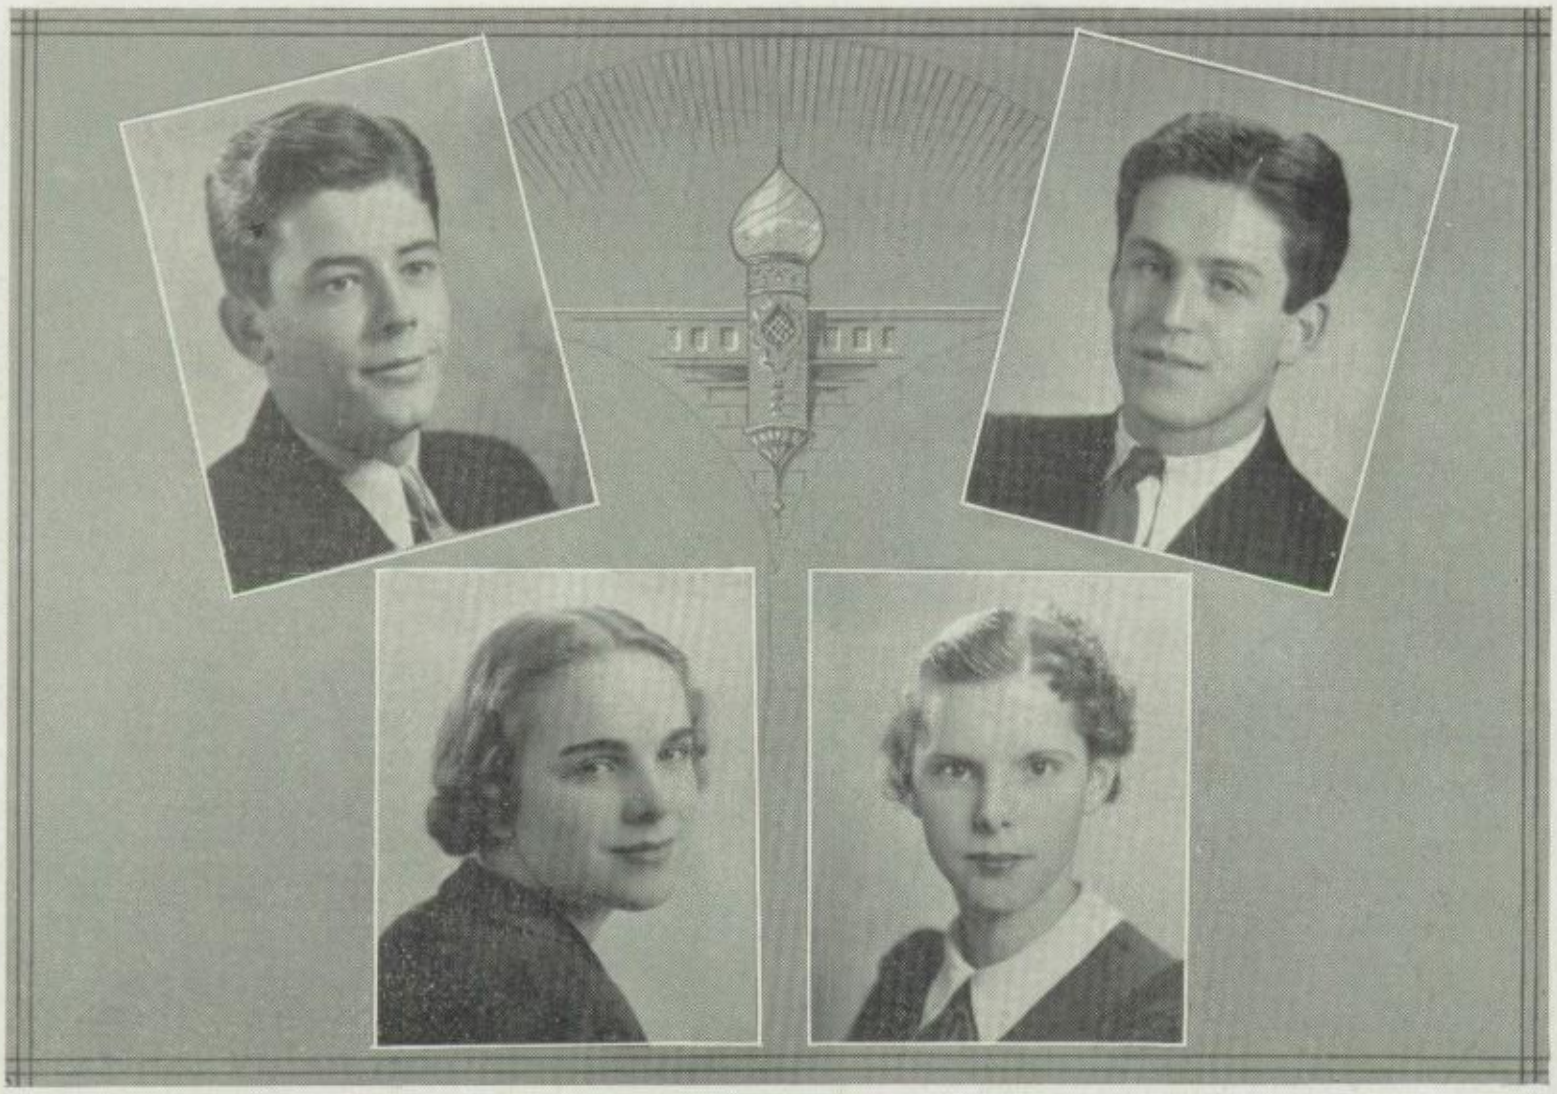
Ladies and gentlemen, let me introduce you to the one and only John William Bailey, Jr., a letterman and hero in general. He is the forward in basketball and the quarterback in football, who has caused many coaches—and also many girls—the loss of sleep from worry and anxiety. There is only one place for him to go and that is to West Point, the leading school in the country. Beware, for Hollywood has already spied him.

RICHARD BANKERT *"Mahaffy"*

General Course; A. A. 1, 2, 3, 4; Basketball 3; Dramatic Club 4; Glee Club 1, 2, 4; Home Room President 1, Vice President 2, Treasurer 3, Secretary 4; Science Club 3, 4; Student Council 1, 2, 3, 4; Traffic Patrol 3, Chief 4; Chief of Safety Patrol 4.

"Laugh and the world laughs with you."

Behold the politician of our class! Who can forget Richard's political arguments? But "Dick" is not always serious, for wherever there is merriment or frivolity, just look about and you will be sure to see either "Mahaffy" or "Buzzard". This young man is a loyal supporter of athletics and the Student Council of which he is the efficient patrol chief. Nothing seems to worry "Dick" —neither life in general nor lessons in particular.



RICHARD BEITZEL *"Chris"*

General Course: A. A. 2, 3, 4; Basketball 4; Football 2, 3, 4; Hi-Y 3, 4; Science Club 3, 4; Track 3, 4; Varsity Club 3, 4.

" 'Tis a pretty boy, indeed."

Here, folks, is the most handsome boy of our class. "Chris" is one of the best centers ever turned out at Carlisle High. Besides starring on the football team, he spent one year playing basketball and won two letters while on the track team. Dick, besides being a star athlete in High School sports, is one of the best ice skaters in Carlisle. After he leaves high school he plans to take up the science of the telephone. We are all sure that he will some day be an important man in some telephone company.

BARBARA BISSELL *"Bobby"*

General Course; Dramatic Club 4; Girl Reserve Advisor 4.

"Men's eyes were made to look—
Gives a sense of tranquillity."

"Bobby" made a striking impression on us when she "breezed in" from Pittsburgh, bringing with her a host of new ideas. Her personality is quite as attractive as her appearance—one turns the second time to look at her. It did not take Dickinson lads long to discover her either—so that "Bobby" was very quickly among the "rushed". However, she entered into our activities with a good will and became, among other things, a Girl Reserve Counselor. Of "Bobby's" ambition we have discovered, for one thing, that she has her eyes cast on the stage, which some day will doubtless be graced by her acting.

GAYLORD BISHOP *"Bish"*

General Course; A. A. 1, 2, 3; Class Treasurer 3; Football 2, 3; Home Room Officer 1; Hi-Y 2, 3; Science Club 3, 4; Student Council 1, 4; Tumbling Team 1, 2, 3, 4; Varsity Club 3, 4; German Club 3 4, Vice President 4.

"A horse! a horse! my kingdom for a horse!"

This is Officer Bishop of the 104th Cavalry and also a potential captain in the Merchant Marine. No more introduction is needed, but it might be added that he is well-known in our institution for his affiliation with the Tumbling Team, which he led this year. It is possible that his goal is the cause of his industrious studying and attentive interest. He may be quiet, but he cannot miss being known and respected.

RUTH BOLLINGER *"Ruthie"*

General Course; A. A. 1, 2, 3, 4; Basketball 2, 3, 4; Glee Club 2, 3; Girl Reserves 1, 2, 3, 4; Science Club 3, 4; Track 1; Traffic Patrol 3.

"To a woman the consciousness of being well-dressed
Gives a sense of tranquillity."

Enter, dame fashion! Here is the girl who sets the pace for the trickiest clothes in the class. Being interested in dress, what better ambition could she have than to be a stylist? Ruth is a champ in all sports from basketball to swimming, so the sports offered at the northern school which she expects to attend will certainly be appreciated by this peppy Miss. Because of her goodnatured disposition, she has won many friends and has a cherry "Hi - - - there" for everyone. Her sunny disposition will be an asset to her in her chosen field.

GERALDINE BRADY *"Jerry"*

Commercial Course; El Circulo Espanol 4; Glee Club 1, 2, 3, 4; "Hansel and Gretel" lead; "Mikado"; Home Room Treasurer 3.

"All one's life is music if one touches the notes rightly and in tune."

"Jerry", although a commercial student, intends to be a music teacher. She is one of our best musicians and has demonstrated her skill in the auditorium where she has played the piano several times. She also has played at several Spanish Club meetings. "Jerry" gave us a scare this winter when she left us to go to John Harris, but after two days there, she changed her mind and came back to us. "Jerry" is an excellent student and is devoted to all of her activities. We hear that she has a very definite "plan" for next year, and we certainly wish her happiness.

JANET BROUGHER *"Jan"*

Classical Course; A. A. 3, 4; Declamations 3; Dramatic Club 3, 4; Glee Club 3, 4; Girl Reserve 3, 4; Home Room Officer 4; Le Circle Francais 4, Vice President 4; Library Club 4; Science Club 4; Sodalitas Latina 4; Student Council 4.

"It would be endless to tell you all she knows."

Here is a girl who became a member of "34" just last year, but despite this fact she has lost no time in making many friends. This little lady seems to hit any and every quiz with the greatest of ease, although she always tries to persuade you that she didn't know any thing. Janet always looks as if she just stepped out of "Vogue"—looking as smooth as any of her smart looking cars. She is an enthusiastic supporter of our school activities, and we know Janet will be just as ardent in backing the functions of Swarthmore, where she plans to continue her education next year.

WILLIAM BRAUGHT *"Bill"*

General Course; A. A. 2, 3, 4.

"There's a wee fault they would lay to me;
I like the ladies—God forgive me!"

"Bill" is the most carefree boy in our class. He never allows himself to worry about anything, not even his lessons. He is jolly and always has a new joke to tell. No one can be down-hearted in his presence. His happy disposition and pleasing personality will win for him success.

RUTH BROWN *"Brownie"*

General Course; A. A. 1, 2, 3, 4; Band 2, 3, 4; Basketball 1, 2, 3, 4; Dramatic Club 4; Glee Club 2, 3, 4; Girl Reserves 3; Home Room Officer 3, 4; Science Club 3, 4; Student Council 1; Dancing Club 3, 4.

"I chatter, chatter, as I flow
To join the brimming river,
For men may come and men may go,
But I go on forever."

What was that—noise? Just one of "Brownie's" giggles. Her twinkling brown eyes just dance with fun, so can you blame her for the amusing pranks she loves to play on her classmates? However, "Brownie's" pranks are never harmful, for she is a staunch believer in the "Golden Ruhl". This fun-loving girl has endeared herself to all.

GLAE BURGETT *"Glae"*

General Course; A. A. 1, 2, 3, 4; Band 1, 2, 3, 4; Glee Club 2, 3, 4; Girl Reserve 1.

"Just a pal, kind and true,
A loyal classmate through and through."

One can always tell where Glae is by her perpetual, though infectious giggle which we all enjoy to hear. Glae is a sturdy, practical-minded person, and, whether playing volley-ball or reciting in the classroom, she is calm and composed. Glae's eyes always light up when a certain "Patsy's" name is mentioned. Just ask her about him and enjoy her pretty confusion. She was a great football fan this season—perhaps that is a cue. Glae is an enthusiastic member of our band, and if she plays her tunes in life as sweetly as she plays her tunes in the band, a happy future is surely ahead for Glae.

ANNA CAMPBELL *"Ann"*

General Course; Glee Club 1; Girl Reserve 4.

"A little nonsense, now and then,
Is relished by the best of men."

Most reserved people never show a glimmer of humor, but though "Ann" is reserved, she displays her humor frequently enough to keep us reminded of her wit. Give "Ann" a piano, some music to play, and off she sails to the land of contentment. "Aw, come on, "Ann", just one more piece", is oft times heard by her friends for whom she plays. Never is this Miss behind in her studies, for she is a conscientious student who ranks well. Reading and dancing interest "Ann", too. "Ann" expects to take a post graduate course in Harrisburg next year.

JEAN CAROTHERS *"Jeanne"*

General Course; Girl Reserves 1, 2, 3, 4; Le Circle Francias 4; Student Council 4; Track 1; Wayaka 3, 4.

"Her hair was thick with many a curl
That clustered round her head."

The class of "34" is certainly doing its bit for the nursing profession, because quite a few of its members plan to go into training. In Jean we offer another excellent girl, who expects to get her training in Lewistown Hospital. Jean believes that keeping in trim by indulging in out door sports is the best thing for one, and she practices what she preaches. Indoor sports interest Jean, too; she plays basketball quite well. Pleasant, willing to help others, and prompt, Jean will be a fine nurse.

VERYL COHILL *"Veryl"*

Commercial Course; El Circulo Espanol 4; Glee Club 2, 3; Girl Reserves 3, 4.

"Pounding away on the typewriting keys
That is her pastime, if you please."

Veryl hails from Holly and a very pleasant life she leads in that pretty mountain hamlet. Places to hike, fish, swim, and skate are there galore, and though Veryl enjoys all of them, she has a special fondness for skating. (Roller skating, incidentally.) In school Veryl is a conscientious student who ranks well in her class. As a faithful member of the Spanish Club, Glee Club, and the other organizations of which she is a member, Veryl helps the activities of the Clubs to get along. Being such a good little stenographer, Veryl will doubtless be of great value to some business concern.

MARIAN CHADWICK *"Pink"*

Classical Course; A. A. 1, 2, 3, 4; Assistant Secretary 3; Secretary 4; Class President 1; Secretary 3; Declamations 1, 3, 4; "Come Out of the Kitchen"; "Mikado" and "Hansel and Gretel"; Girl Reserves 3, 4; Home Room President 2; Le Circle Francais 4; Library Club 1, 2, 3, 4; Vice President 3; Oracle Staff 4; Periscope Staff 1,2,3,4; Sodalitas Latina 4; Wayaka Club; President 2, 3, 4; Dancing Club 3, 4.

"Lady, better bards than I,
Poets of an older day,
Seemed to love to versify
On hair, so red, and eyes so gay."

Would that we were experienced writers, so that we might relate in a worthy manner the accomplishments of this lady! Seldom do we find anyone who can do so many things and do them so well as "Pink". A glance at her activities is quite adequate to show her value to us.

MARTHA CHRONISTER *"Marty"*

General Course; Glee Club 2, 3; Library Club 4; Sodalitas Latina 3, 4.

"She's pleasant and gracious,
She's capable too;
Her hair is like sunshine,
Her eyes are of blue."

When "Marty" smiles, one feels that "all's right with the world" and it is impossible not to smile in return. Pleasant, friendly, always ready to help—all adequately describe Martha. She was one of the faithful few who stuck out four years of Latin, but because she put so much into it—she got a lot of pleasure out of the course. "Marty" also was one of Miss Myers' right-hand men" in the library this year.

GOLDIE CHRONISTER *"Goldie"*

General Course; Glee Club 2; Sodalitas Latina 3, 4.

"For she is just the quiet kind
Whose nature never varies,
Like streams that keep a summer mind
Snowhid in January."

Goldie, to all outward appearance, goes calmly about her business with no single worry to bother her. But always in this calm and pleasing manner she gets things accomplished. "Goldie" is unusually good-natured and there is nothing she would not do for a friend. Happy indeed is the person who occupies a link in her chain of friendships. "Goldie" is going to Shippensburg to learn the art of teaching, and we feel sure she will send out her pupils well prepared.

DONALD CLAY *"Don"*

General Course; A. A. 2, 3, 4; Glee Club 1, 2, 3, 4; Student Council 1.

"Happy am I."

Donald lives on the sunny side of life. He is found with those who are merry and are having a good time. Donald also engages in song, for he is a loyal supporter of the Glee Club. Donald can be serious, too, and spends many hours in the library. For a number of years he has been the efficient clerk of Mr. Clark. Some day his classmates will be purchasing the latest books at "Clay's Book Shop".

NETTIE RAE COOPER *"Nettie Rae"*

Commercial Course; A. A. 1, 4; basketball 1, 2, 3, 4; Dramatic Club 3, 4; Senior Class Play "Honor Bright" 4; Spanish Club 4, Vice President 4; Girl Reserves 2, 3, 4; Home Room Vice President 2, 4; Wayaka Club 2, 3.

"Laugh and the world laughs with you."

"Nettie Rae" is one of those easy-going, comforting souls who are continually sought after as a "Father Confessor" by all her friends. The best way to chase the blues away is to tell your troubles to "Nettie Rae", and away they vanish. Is this not a flattering enough quality for any one? "Nettie Rae" comes from the thriving village of Middlesex. She is very well-known to her classmates—proving her popularity. Nor does "Nettie Rae" lag behind in her studies.

ZELDA DEITCH *"Bud"*

General Course; A. A. 1, 2, 3, 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4; Science Club 4; Student Council 3; Wayaka Officer 3, 4.

"She who brings sunshine into the eyes of others cannot keep it from herself."

"Bud" is one of the few fortunate persons who have been around horses all of their lives, as her father owns many splendid steeds. Thus she is an excellent horsewoman, and when she takes her friends sleighing in winter, they feel perfectly safe with her. In school Zelda has always been a good student, answering only when called on; but when she does, she always has just the right answer ready. Under her dignified countenance "Bud" conceals her impulses quite well, for one would never guess that oft times when "Bud" hears music she would really enjoy dancing just wherever she is. May her ride through life be as pleasant as the horseback rides she now enjoys!

CURTIS CROWE *"Buzzard"*

General Course; A. A. 1, 2, 3, 4; Basketball 3, 4; Dramatic Club 4, "Honor Bright" Cast 4; Hi-Y 3, 4; Oracle Staff 4; Periscope Staff 4; Science Club 3, 4; National Thespians 4.

("Nature has performed strange things in her time.")

Here is a man who needs no introduction. Everyone knows Crowe. (He prefers it with an "e"). "Curt" is always ready for a good time and does his best to make life one continuous amusement. If you hear of a revolution or are asked to sign a protest, you may be sure that it was instigated by the "Buzzard". "Curt" contemplates being a journalist and has displayed his talents very well in "The Periscope". He is also interested in sports and plays a good game of basketball. We know that he will succeed in whatever he seriously undertakes.

VALDA DELANCY *"Chubby"*

General Course; A. A. 1, 2, 3; Basketball 2, 3; Dramatic Club 3, 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2.

"Just a pal, kind and true,
A loyal classmate through and through."

To all appearances Valda is quiet and unassuming, but those who know her best, realize that she is energetic and full of fun, as well. She is a good friend to have, for she is always willing to lend a helping hand. Valda has much interest in dramatics. Her dramatic talent has been outstanding in several church plays. Valda's ambition is to be a nurse and her quiet but convincing air will surely help speed her patients to recovery.

JULIA DEWALT *"Dude"*

General Course; A. A. 3, 4; Glee Club Production 2, 3, 4; Girl Reserves 1, 2, 3, 4.

"Short, but Sweet."

Julia is a petite member of our class, much sought after by the opposite sex. It may be that "Dude's" ability along beauty culture lines has made her so desirable. "Dude" never hurrys because after all there's no need for haste. If you want to hear an interesting story, ask "Dude" about the time her horse ran off with her. Nothing tragic happened in this adventure and we are very glad of it. Julia intends to become a nurse and by her attractive smile her patients will certainly be cheered.

WANEMA DICKEY *"Nema"*

General Course; Basketball 2, 3, 4; Dramatic Club 3, 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4; Adviser 1; Home Room Officer 3; Le Circle Francais 4; Library Club 2, 3, 4; Science Club 3, 4; Track 1; Tumbling Team 2, 3; Dancing Club 3, 4.

"Tis nice to be natural when you're naturally nice."

"Nema" could be named "Twinkletoes" for she is light on her feet. She dances to both classical and ballroom music with equal grace, and it has been rumored that she has danced her way into the heart of a certain Dickinson lad. At least it would seem so, judging from the times she is seen at the "Red and White" dances. Petite and vivacious, she always has a ready smile and a cheery word for everyone she meets—maintaining an ever-even temper. "Nema" can turn her hand to almost anything, though she is best in physical education. Wanema plans to enter West Chester.

EDWARD DEWALT *"Andy"*

General Course; A. A. 2, 3, 4; Hi-Y 4; Science Club 3, 4.

"Young, strong, and of good friends."

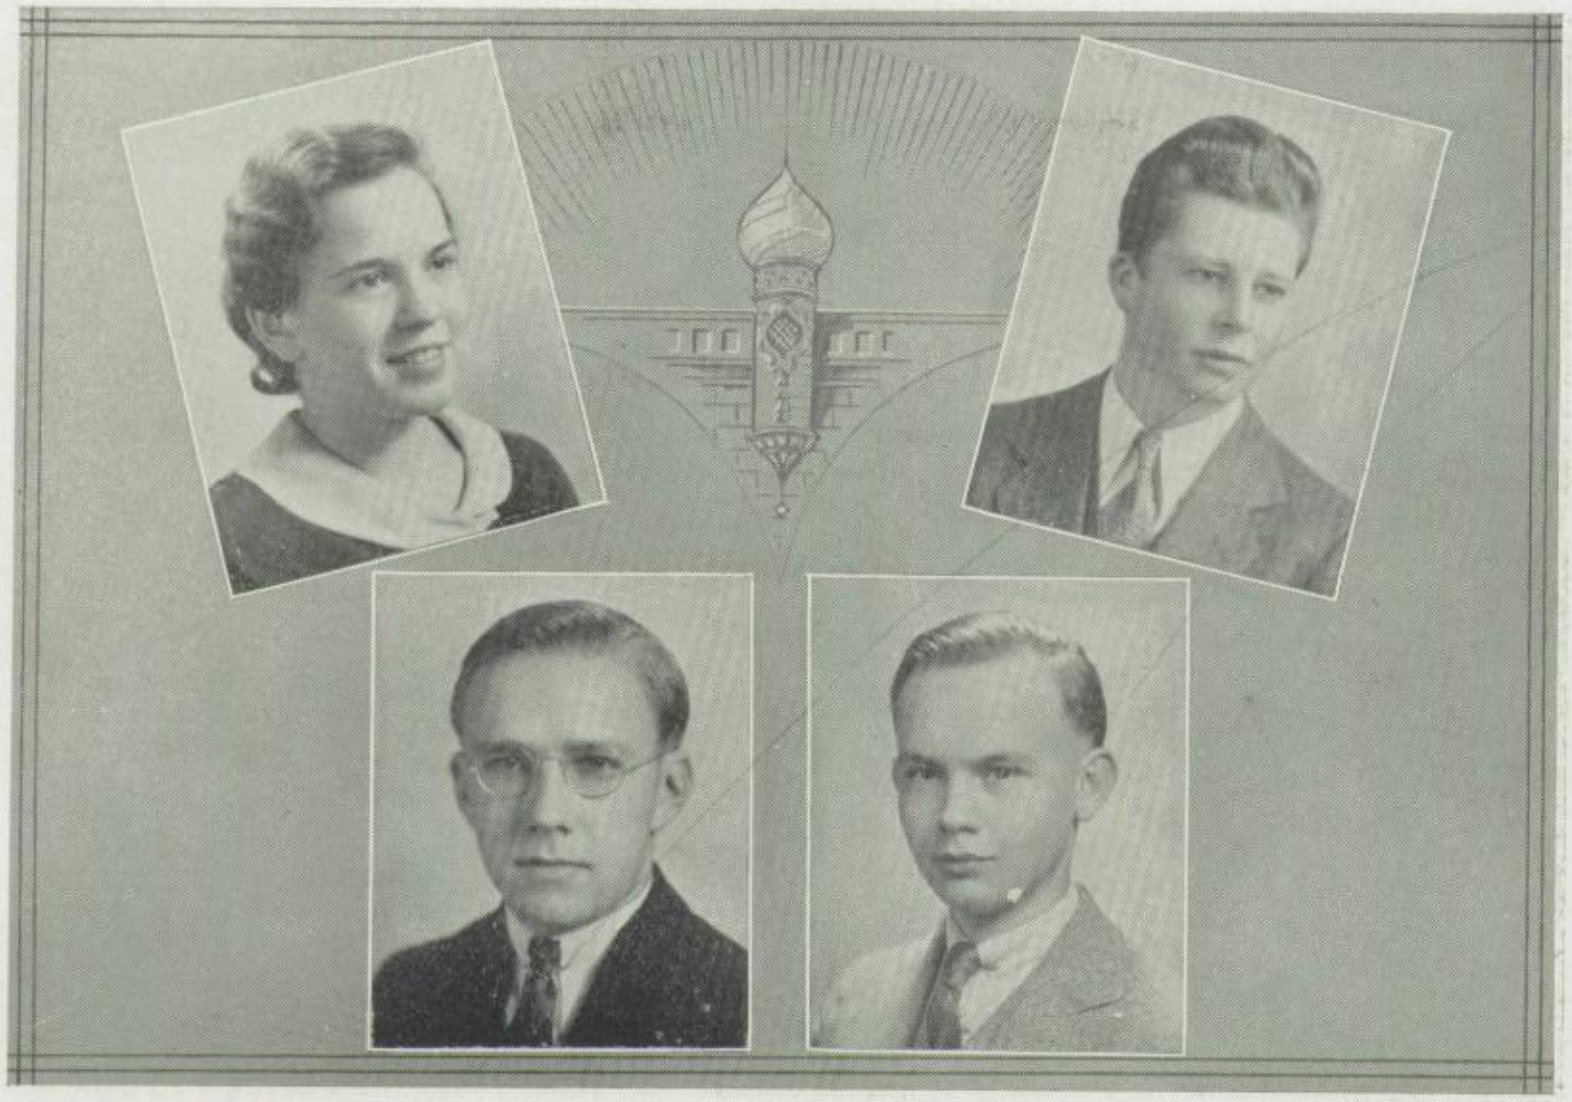
"Andy", as he is called by everyone, is never seen without a smile on his face, for he is blessed with the sunniest of sunny dispositions. "Andy" is also a very industrious worker. This is borne out by the fact that he has spent seven years as a newspaper carrier. Then, too, he is a business man of some reputation, since he has spent a year managing a merry-go-round in Ocean City, New Jersey. "Andy" promises to become a successful business man.

MINNIE DILLER *"Pat"*

Commercial Course; A. A. 1, 2, 3, 4; Declamation 3, 4; Senior Class Play "Honor Bright" 4; El Circulo Espanol 4; Glee Club 1, 2, 3, 4; Production "Hansel and Gretel" 2; Home Room President 1, Treasurer 3; Tumbling Team 2; Wayaka Club 3, 4; Dancing Club 4.

"Little, petite, vivacious."

This little Irish "biddy" is one of the most adorable members of our class. Her auburn hair with its decided reddish tinge, her twinkling brown eyes, and her delightful chuckle have all become dear to us. Of course, as a temper always accompanies red hair, Minnie has one—just ask "Toady" about it. As might be expected, "Pat" is quite practical and consequently has a very high scholastic standing. She is an ardent fan of sports both as a spectator and as a participator. Minnie displayed her dramatic ability when she enacted the part of a hot-headed Irish maid in our Senior Play—and she certainly did justice to her part!



HELENA DONSEN *"Lena"*

General Course; A. A. 1, 2, 4; Basketball 1, 2, 3; Dramatic Club 3; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4; Science Club 3, 4; Student Council 2, 4, Officer 4; Tumbling Team 1, 2; Dancing Club 3, 4.

"Better be small and shine
Than great and cast a shadow."

Good goods certainly did come to C. H. S. in a small package when Helena entered its portals. What "Lena" lacks in height she makes up in her abundance of knowledge. Whether in English or Solid class her small hand can always be seen waving in the air, when all others have been baffled by the expounding of the last difficult question. However, she does not spend all of her time in study. Full of fun and fond of mischief, she is always ready to enter into some roguish prank. Whatever may be "Lena's" ambitions she has our sincere wishes for success.

CREEDIN EPPLEY *"Creedin"*

General Course; A. A. 1, 2, 3, 4; Band 1, 2, 3, 4; Dramatic Club 3, 4; Dramatic Productions, "Shirt Sleeves" and "Honor Bright"; Orchestra 1, 2, 3, 4; President 4, Periscope Staff 3, 4; Science Club 3, 4; Hi-Y, 4.

"I do present you with a man of mind
Cunning in music and mathematics."

Every class has some loyal supporters, but our class has many. Among them is the gentleman whose features are shown above. He is interested in many outside activities. However, he does not allow his studies to suffer. He also finds some time to devote to the members of the fairer sex.

GEORGE DRIESBAUGH *"Mose"*

General Course; Glee Club 2, 3, 4; Hi-Y 3; Orchestra 2, 3, 4; Science Club 2, 3, 4; Student Council 2, 3; German Club 3.

"I hear a violin's wailing—

George, known to most of us as "Rubinoff" or "Mose", can make the fiddle sit up and talk, and when it comes to art he excels. In addition to his being a fiddler and painter "Mose" is one of Carlisle's better golfers. "Mose" is contemplating entering Penn State where he will pursue a course in botany.

GEORGE EPPLEY

General Course; Band 1, 2, 3, 4; Dramatic Club 4; Glee Club 4 Hi-Y 4; Orchestra 1, 2, 3, 4, Vice President 4; Science Club 4; Student Council 4.

"Once in the clutches of women, you're lost."

Don't push! Don't shove! Keep in single file, please! This is the way matters would stand if George's friends should all rush him at once. This friendly classmate is a staunch supporter of both band and orchestra. He has played a large part in all of the musical activities of the school. George is also interested in sports, especially swimming, and always may be seen cheering C. H. S. to victory.

FREDA FAGAN *"Freda"*

General Course; Declamations 4; Glee Club 1, 2, 3, 4; Production 2, 3; Girl Reserves 1, 2; Science Club 4.

"Slim, sleek, poised and witty."

Good-looking and witty are "Freda's" outstanding characteristics and she uses both traits to their best advantages. It is customary to hear her make a witty remark to her coach teacher from D-son who seems as susceptible to her sense of humor as we are. Declamation contests hold an interest for Freda because she was one of the "final seven" in the '34 contest. Physics, chemistry and French are the most interesting subjects to Freda, but perhaps the teacher has something to do with that. Freda keeps her friends wondering how she never runs out of clever come-backs, but as music is a gift to some, perhaps wit is Freda's talent.

EVELYN GALBRAITH *"Ev"*

General Course; Basketball 2, 3, 4; Glee Club 2, 3; Girl Reserve 2, 3, 4; Science Club 3, 4; Tumbling Team 2, 3, 4; Wayaka Club 3, 4.

"Studies? Yes and no . . .
Sports? I should say so!"

What a perfect dive! Yes you are right—it was none other than our school chum "Ev", who thrilled us. In basketball her perfect baskets call forth our admiration; her grace on the Tumbling Team is a delight to see; and her deftness in all other sports gives us equal pleasure. It is evident that "Ev" has much pep—and her personality is just as lively, which all her buddies of Pine Grove days will verily. She plans to take up physical education and knowing her ability we think she has chosen wisely.

ELIZABETH FRY *"Boots"*

Classical Course; A. A. 1, 2, 3, 4; Dramatic Club 4; Glee Club 1, 2, 3, 4; Girl Reserve 1, 2, 3, 4; Oracle Staff 4; Sodalitas Latina 4; Dancing Club 4.

"Fascinating as a gypsy - - -."

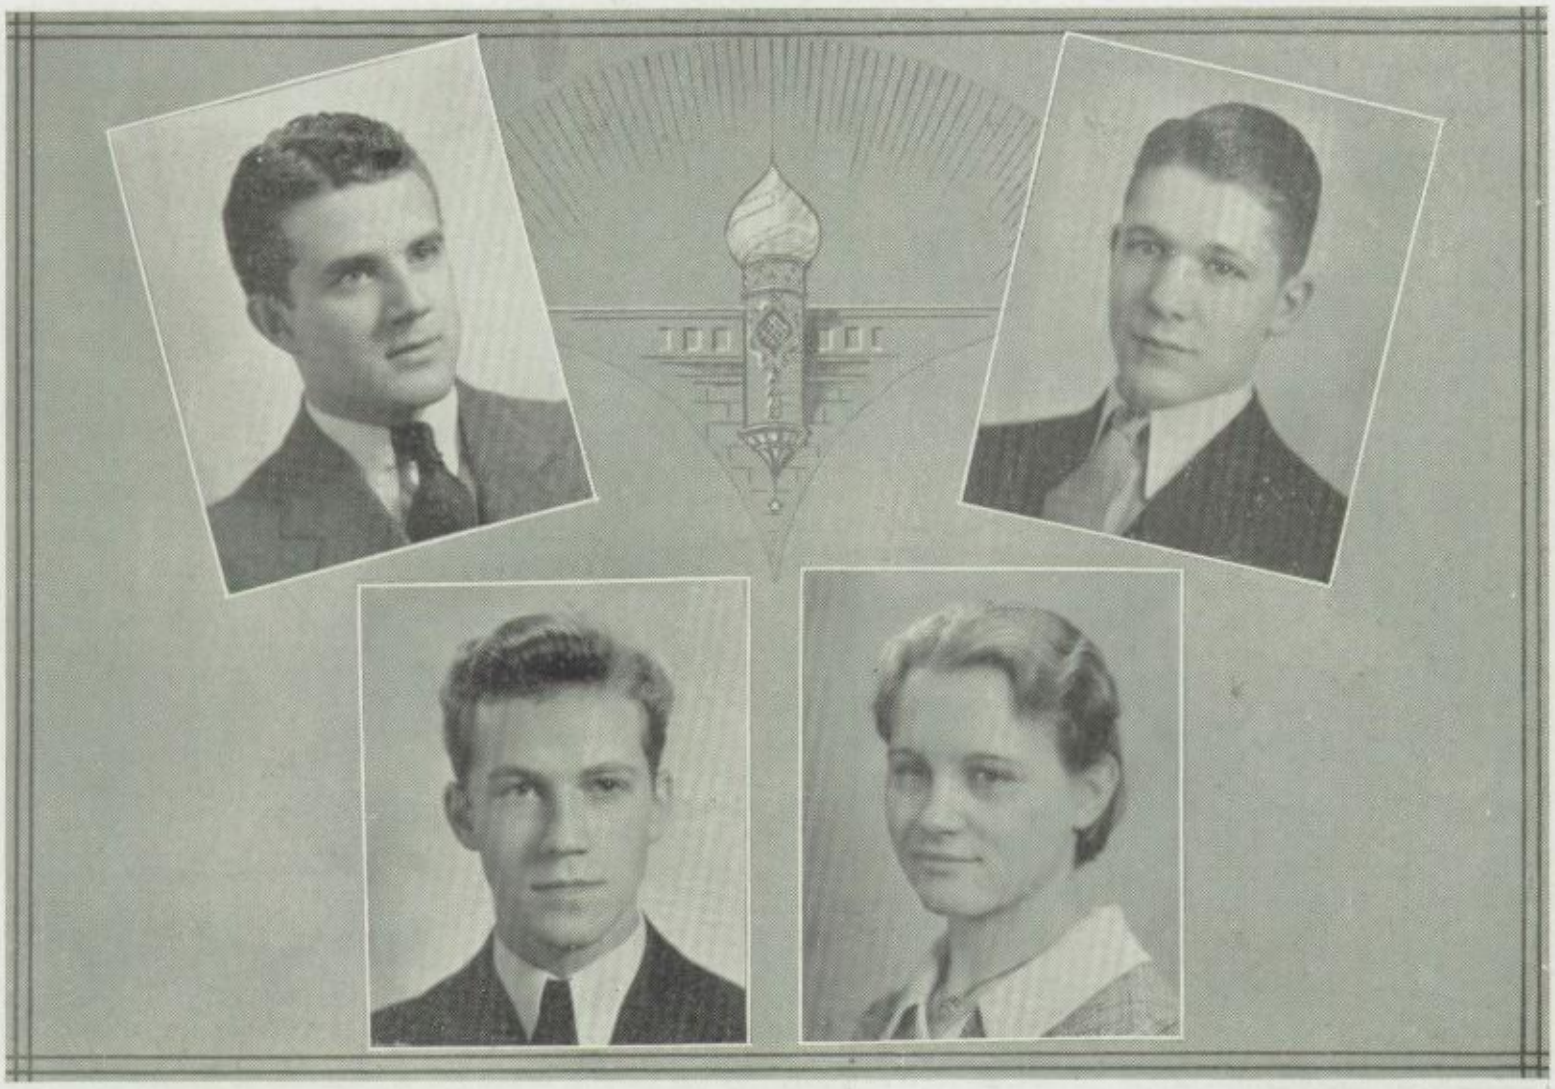
"Boots" is our gypsy girl. Her dark eyes and sparkling white teeth are so bewitching that one expects to see her "Tango" any minute. Her personality is as likable and changeable as a moody day—one minute laughing and gay—and the next she is pensive or serious. Tennis, swimming, dancing, and playing the piano attract this maid's interest, and she does each well. Study occupies her time, too. The results of it place her among our most learned scholars. "Boots" is an enthusiastic football and basketball fan. It is rumored that she is also an interested fan of Mechanicsburg—but there is a good reason for that. May her life be as care-free as that of the gypsy.

PAULNARIS GALBRAITH *"Polly"*

Commercial Course; Class Basketball 1, 2, 3; El Circulo Espanol 4; Girl Reserves 1, 2; Tumbling Team 1, 2.

"Stately and tall she walks through the hall."

In "Polly" we have the ideal "senorita" of the Spanish Club. All that she needs is an embroidered shawl, a jeweled comb, and a flashing senor to complete the picture. But "Polly" is really one of our good Americans who enjoys doing the many things of the average American girl. She is a hard working stenographer with pleasing, gentle ways. Those who are looking for an efficient stenographer will find one in "Polly".



WALTER GERHARDT *"Rudy"*

General Course; A. A. 3, 4; Band 3; Cheer Leader 3, 4; Dramatic Club 3, 4; Football 1; Glee Club 1, 2, 3, 4; Hi-Y 3, 4; Le Circle Francais 4; Orchestra 1, 2, 3, 4; Science Club 3, 4; Track 4; Varsity Club 3, 4.

"For my voice, I have lost it with hallooing and the singing of anthems."

Well-liked, jolly, friendly, that's "Rudy". He is one of our most popular classmates, for his sunny nature has won him a host of friends. Walter has figured quite prominently in many clubs, especially in the Glee Club and Dramatic Club. His hobby is singing and we all feel that he will go far in this field, for he has made several appearances before the school. He figures very prominently in Cal Henry's Orchestra. Perhaps someday we'll hear him over the radio.

GODFREY GIBBS *"Hemminger"*

General Course; Glee Club 1, 2, 3, 4; Home Room Officer—Vice President 4; Science Club 3, 4; Student Council 1, 4.

"Happy through life he goes."

The old proverb, "A friend in need is a friend indeed", applies to Gibbs as well as to anyone we know. "Hemminger" is another one of those happy-go-lucky fellows who is the life of the class. The noise in study hall and his original French pronunciation often cause him great embarrassment. Without Gibbs—and fellows just like him—the four years of high school would have been one tedious drag.

RINO GIANCOLI *"Coli"*

General Course; A. A. 1, 2, 3, 4; Band 1, 2, 3; Basketball 3; Home Room Officer 1, 2; Hi-Y 3, 4; Science Club 3, 4; Tumbling Team 1, 2, 3, 4.

"It's been a lot of fun, but I'm glad it's over."

Rino has a laugh that once heard is never forgotten. He is always the first to start and the last to stop. "Coli's" greatest accomplishment is that he is seldom late and yet never arrives before twenty-nine minutes after eight. But Rino is not always so carefree. Every now and then he gets a good mark. He is a member of the Tumbling Team and the Science Club. His aim is Penn State.

MARGARET GOODHART *"Margy"*

General Course; Glee Club 2, 3, 4; Girl Reserves 3, 4; Noon Day Club 4; Officer 4.

"For rarely do we meet in one combined,
A beauteous body and a virtuous mind."

In her daily travels from Greason, "Margy" has made many friends because of her sweet disposition. Together with this quality and her scholastic ability she has rightfully been elected president of the 4-H Club. All the pleasures of the country life are enjoyed by her, and they have aided "Margy" in becoming the interesting girl that she is. "Margy" wishes to become a nurse and with her calm and efficient manner she will surely restore health to many.

CAROLINE GOODYEAR *"Carrie"*

General Course; A. A. 1, 2, 3, 4; Band 2, 3, 4; Dramatic Club 3, 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4; Science Club 3, 4; Student Council 1, 2, 3; Traffic Patrol 4; Dancing Club 3, 4.

"Joy is abroad on all the earth today
Because I love."

Meet this little Miss of the North with charm of the South. "Carrie" is one of our own natives, but perhaps her frequent visits with southern relatives have added that "indefinable something" possessed only by the southern girl. The male portion of the Class of 1934 seems particularly sensitive to it. But "Carrie" has not acquired that slow laziness of the southern girl; on the contrary, she is very active. The Dramatic Club, the French Club, the Glee Club, the Science Club, all claim her attention. And scholastically she is always on the tip-top of the scale. Horseback riding is her very special weakness. She is never so happy as when she is cantering gaily along on "Dan". May she ride as gracefully and happily through the years ahead.

GEORGE GUMBY *"Gumby"*

General Course; A. A. 2, 3, 4; Glee Club 3, 4; Science Club 3, 4; Track 3, 4.

"I never trouble trouble
Until trouble troubles me."

George is one of our classmates who hails from Mt. Holly. One needs only to look into his face to see fun sparkling all around. We envy him the carefree life that he leads. Time means nothing to George. He says that he is not a student, and doesn't pretend to be one, but every one listens when George begins to speak in P. D. class. He is interested in music and track. He is indeed a loyal member of C. H. S.

WINIFRED GROVE *"Winnie"*

Commercial Course; Class Basketball 1, 2; El Circulo Espanol 4; Glee Club 2; Orchestra 1, 2, 3.

"Tis midnight but small thought have I of sleep."

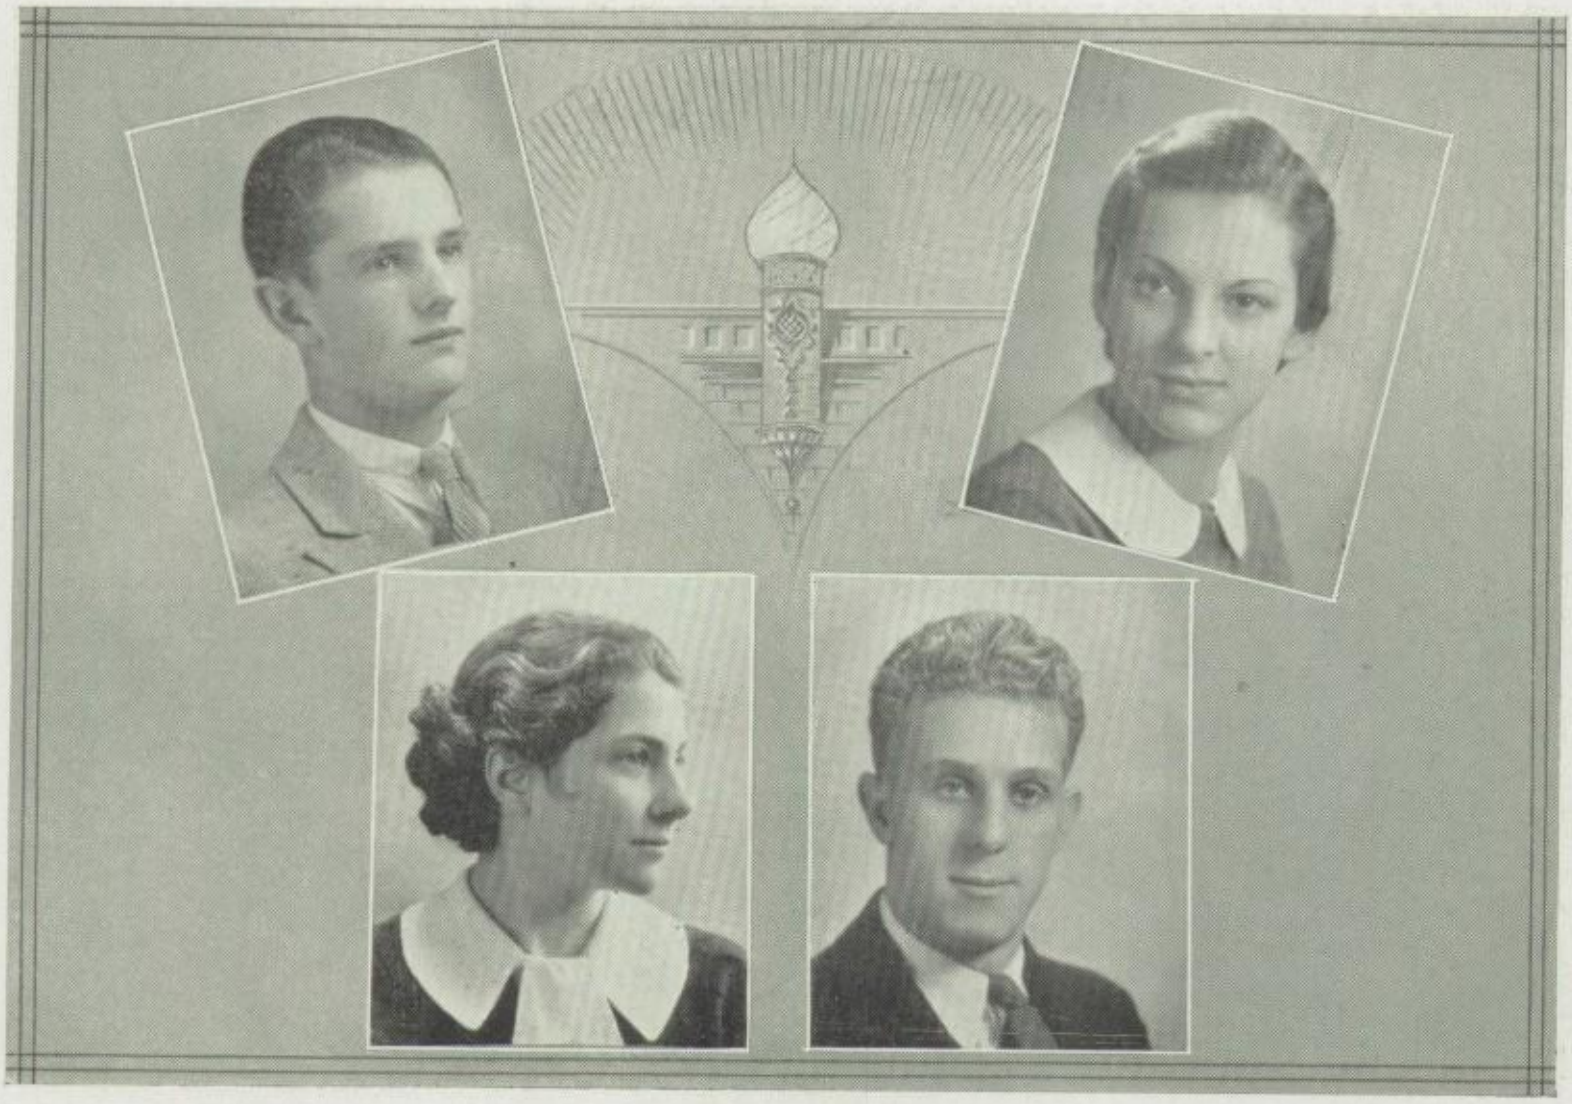
Three cheers for the future mayor of Pine Grove! "Who is afraid of the big black forest?" says "Winnie". Though "Winnie" doesn't burn her mid-night oil for studies, she always comes to school with her subjects prepared and we certainly wonder how she does it! "Be a good student without doing too much studying" is evidently Winnie's motto. A good dancer and a merry companion Winnie is frequently sought after by her many friends, for she seems to be known by everybody. "Winnie is a commercial student with stenographic hopes.

GLENN GUTSHALL *"Glenn"*

Manual Arts Course; Junior Band 1, 2, 3; Student Council 3.

"He preferred to be good, rather than to seem so."

Glenn is a likeable boy who is always ready to lend a helping hand to those who need it. He is a quiet fellow both in and out of the classroom, until you learn to know him. His chief ambition is to be an electrician. We are sure he will succeed because he is "handy" with tools. For proof look at some of his projects on display in the Manual Arts Room.



WILLIAM HAYS *"Bill"*

General Course; A. A. 1, 3, 4; Band 1, 2, 3, 4, Vice President 4; Basketball 3, 4; Cheer Leader 3, 4; Home Room Officer 1; Hi-Y 3, 4; Orchestra 2, 3; Science Club 3, 4; Student Council 2, 4; Track 2, 3, 4; Tumbling Team 3; Varsity Club 3, 4.

"You may relish him more in the beau than in the scholar."

It gives us great pleasure to introduce one of our best athletes. Basketball, baseball, wrestling, and track are a few of "Bill's" sports. We have all known "Bill" for a long time, and we have never known him to take anything seriously. We do not know what "Bill" intends to do after leaving Carlisle High, but we feel sure that he will succeed in any walk of life.

VIRGINIA HECKMAN *"Gina"*

Commercial Course; A. A. 1, 2, 3; Dramatic Club 3, 4, Officer 4; "Honor Bright" Cast 4; El Circulo Espanol 4, Officer 4; Glee Club 2, 3, 4; Officer 4; Girl Reserve 1, 2, 3, 4; Library Club 1, 2, 3, 4, Officer 4.

"She is pretty to walk with,
Witty to talk with,
And pleasant, too, to think on."

"Gina" is that slim little Miss from the commercial ranks who is noted for her laughing blue eyes. She seems to be secretary of every organization from Spanish Club to Glee Club . . . and a capable one, too. As a student "Gina" ranks high, though all of her time is not devoted to studies—her activities list being quite varied. As heroine in our Senior play "Honor Bright" "Gina" delighted us with her fine acting, and we do not doubt but that she will act her part in life just as successfully.

GEORGIA HARRIS *"George"*

General Course; A. A. 1, 2, 3, 4; Band 1, 2; Class Officer 2; Debating Team 3, 4; Declamations 1, 3, 4; Dramatic Club 3, 4, Officer 4; "Honor Bright" Cast 4; Glee Club 1, 2, Pianist 3, 4; "Mikado", "Hansel and Gretel" Cast 1, 2; Home Room Officer 1, 2, 3, 4; Library Club 1, 2, 3, 4, Officer—President 3; National Thespian Sec. 4; Orchestra Pianist 3, Officer 3; Oracle Staff 4; Periscope Staff 4; Science Club 3, 4; Sodalitas Latina 4; Student Council 1, 3, Officer 3; Wayaka Club Officer 3, 4; Le Circle Francais 4; Traffic Patrol 4.

"It's a precious little thing called charm."

Georgia is blessed with that radiating glow that one calls charm. In school her many friends term it "personality plus". Her enthusiam for things worth while, her confidence in the "other fellow", and above all her sense of fair play make her a truly exceptional girl. Her favorite hobby is to think of clever sayings. . . "Very Beanny", "Noble", etc., are her prize ones. A look at her activities will show one that her accomplishments are as varied as her charms.

FRED HEILMAN *"Weasel"*

Manual Arts Course; A. A. 3, 4; Basketball 3, 4; Football 3, 4; Home Room Officer 4; Science Club 3, 4; Track 3, 4; Varsity Club 3, 4.

"Veni, Vidi, 'Heni'."

Hailing from Gettysburg, "Weasel" came to Carlisle to find more worlds to conquer. He first showed his worth on the football field. No one will forget his proficient playing as a quarter back. He also proved to be an invaluable asset to both the basketball and track teams. Not contented with Carlisle "Freddie" roams the countryside like a sailor, with a girl in every port.

MAE HENRY *"Chubby"*

Commercial Course; El Circulo Espanol 4; Glee Club 1, 3, 4.

"Better be small and shine
Than be great and cast a shadow."

"Chubby" chuckles gleefully. Doesn't that sum up the main trait of "Chubby's" character? In case you can't read between the lines we will tell you that Mae is one of the most pleasant girls of our class. Good goods certainly did come in this small package. She is a faithful member of the Spanish Club as well as a faithful student, though History with its thirteen colonies certainly did cause her a struggle. The office of some business firm ought to be brightened by her presence.

GEORGE HERMAN *"Herman"*

Manual Arts Course; A. A. 2, 3, 4; Hi-Y 4; Junior Band 2; Student Council 4; Track Manager 3, 4.

"I am not of a feather to desert my friend
when he needs me most."

"Herman" is one of the most industrious Manual Arts students in the high school. Not only does he do excellent work in class, but his work in his other activities is quite as commendable. He is Track Manager this year and a member of the Varsity Club. George is also interested in stamp collecting. He also collects match box tops, of which he has a number of varied types. Surely anyone as industrious as George will have a successful life.

SARAH HENRY *"Sally"*

General Course; Glee Club 2, 3, 4.

"Her brown eyes are never blue."

If you hear a giggle followed by the appearance of a pair of twinkling brown eyes looking cautiously around the corner, you can be sure of that person's being none other than our classmate "Sally". Jolly, good-natured, and friendly she has found her place in all of our hearts. Being a domestically inclined person, Sarah is quite skilled in the arts of cooking and sewing. Won't she make someone a fine little housewife? Hiking and traveling are "Sally's" pet hobbies, and of the latter she no doubt gets plenty—riding in from her country home everyday. "Sally" hopes to go into training, so if we ever need a nurse, we know we will find a good one in our "Sally".

KAROLYN HILL *"Kay"*

General Course; A. A. 1, 2, 3; Dramatic Club 3, 4; Girl Reserves 1, 2, 3, 4; Le Circle Francais 4; Orchestra 1, 2, 3, 4, Officer 4; Oracle Staff 4; Student Council 2; Wayaka Club 3, 4.

"With an easel and something to paint,
She is in her glory."

Most of us are considered well-blessed if we posssess one talent; however, Karolyn not only is a skilled artist, but she also plays the piano, violin, flute, guitar, and—let me see, has anything been overlooked—or yes, the accordian. Karolyn was one of the artists for our year book and upon looking at the lovely illustrations one can draw his own conclusions as to her ability. "Kay" has proved herself priceless to us in doing all the necessary painting and drawing in our poster advertising. She has been a faithful violinist in our orchestra and a main stay of the Oracle Staff.

CHLOE HOCH *"Chloie"*

Commercial Course; El Circulo Espanol 4; Glee Club 1, 2, 3, 4; Girl Reserves 3.

"To make the world a friendly place,
One must show it a friendly face."

Chloe looks so much like a beautiful big china doll with her round blue eyes and golden locks—that we fear some one may carry her off by mistake some day. From the Metropolis of Plainfield hails Chloe, but there's not a chance of going up, boys, for her heart has already been captured by a handsome, dark sheik of the same village. Whenever a special program is given, Chloe is always asked to act as announcer, for her voice is so pleasing and clear. Her beautiful voice will bring her success.

MARIE HORN *"Skeets"*

Commercial Course; Dramatic Club 3, 4; El Circulo Espanol 4; Glee Club 1, 2, 3, 4; Home Room Officer 2, 3; Student Council 4; Dancing Club 3, 4.

"A true friend is forever a friend."

A quiet and unobtrusive nature combined with a determination to accomplish her aims, characterizes "Skeets". She goes about her work minding her own business and bothering no one. Her favorite hobby is a toss up between typewriting and dancing. To be somebody's stenographer is "Skeets'," great ambition and we all know that she will make an excellent one because of her neat appearance and winning ways. We are glad "Skeets" is a member of the Class of '34.

LOIS HOCH *"Lois"*

General Course; Girl Reserves 2, 3.

"Her eyes as stars of twilight fair,
Like twilight's too, her dusky hair."

Lois is not one who is always "rushing here and there" getting nothing done in particular, but is dignified and reserved. However, she has a twinkle in her eye which signifies a keen sense of humor that belies her dignity. Lois' black wavy hair is contrasted strikingly with the blond tresses of her friend Margaret with whom she is invariably seen. She enjoys playing the piano and sewing, and is equally skilled in both. When Lois leaves us, she plans to become a nurse.

VIRGINIA HYMAN *"Gina"*

General Course; A. A. 1, 2, 3; Dramatic Club 3, 4; Glee Club 2, 3; Girl Reserve 1, 2, 3, 4; Manager of Sports 3, 4.

"She talks and talks, but then she's a woman
She likes the boys, but that's only human."

"Gina" is a little girl with an amazing amount of humor that is often evident in the class rooms and in the halls. She keeps all of her friends in gales of laughter with her witty sayings. But "Gina" can be serious, especially when it comes to a certain senior. You wouldn't think anyone who seemingly is always talking, could be silent long enough to swim or read or dance, but this classmate manages to do all three well, in spite of her conversational propensities. "Gina" intends to be a gymnasium teacher, in which profession she should work off some of that excess energy.

BETTY JANAVARIS *"Betty"*

General Course; A. A. 1, 2, 3, 4; Basketball 2, 3, 4; Cheer Leader 3, 4; Dramatic Club 4; Glee Club 2, 3, 4; Production "Mikado" 4; Girl Reserve 1, 2, 3, 4; Advisor 4; Oracle Staff 4; Science Club 3, 4; Student Council Officer 1; Tumbling Team 3; Varsity Club 3, 4; Dancing Club 3.

"A willing friend and good sport."

Some people are liked for their unselfishness; some for their good sportsmanship; some, for their sympathetic understanding; but in Betty is found a rare combination of all three.. Loyalty to her friends and ideals is just another characteristic which calls forth our admiration. Betty is one of the best dancers in school and she has shown her goodwill by teaching some of the opposite sex how "to trip the light fantastic toe." Her accomplishments are varied.

ADAM KELLER *"Fleaser"*

General Course; A. A. 1, 2, 3, 4; A. A. Executive 4; Basketball Manager 4; Class Treasurer 1; Dramatic Club 4; "Honor Bright" Cast 4; "Come Out of the Kitchen" Cast 4; Home Room Officer 3; Hi-Y 3, 4; "Oracle" Staff 4; Science Club 3, 4, Secretary 4; Varsity Club 4.

"Oh 'e's little, but 'e's wise,
'E's a terror for 'e's size."

Meet the "extra' busy member of our class. The Science Club, Dramatic Club, Varsity Club, Hi-Y, Oracle Staff, Athletic Association, all claim Adam's faithful attention, for he never allows study to interfere with his work. Adam has a host of friends who wish him success in his future activities.

GAYLE KEISER *"Gayle"*

General Course; A. A. 3; Class Secretary 1; Dramatic Club 3, 4; "Honor Bright" Cast 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4, Advisor 1; Home Room Officver 2, 3; Science Club 3, 4; Wayaka Club 3, 4; Dancing Club 3, 4.

"Her very frowns are fairer far
Than smiles of other maidens are."

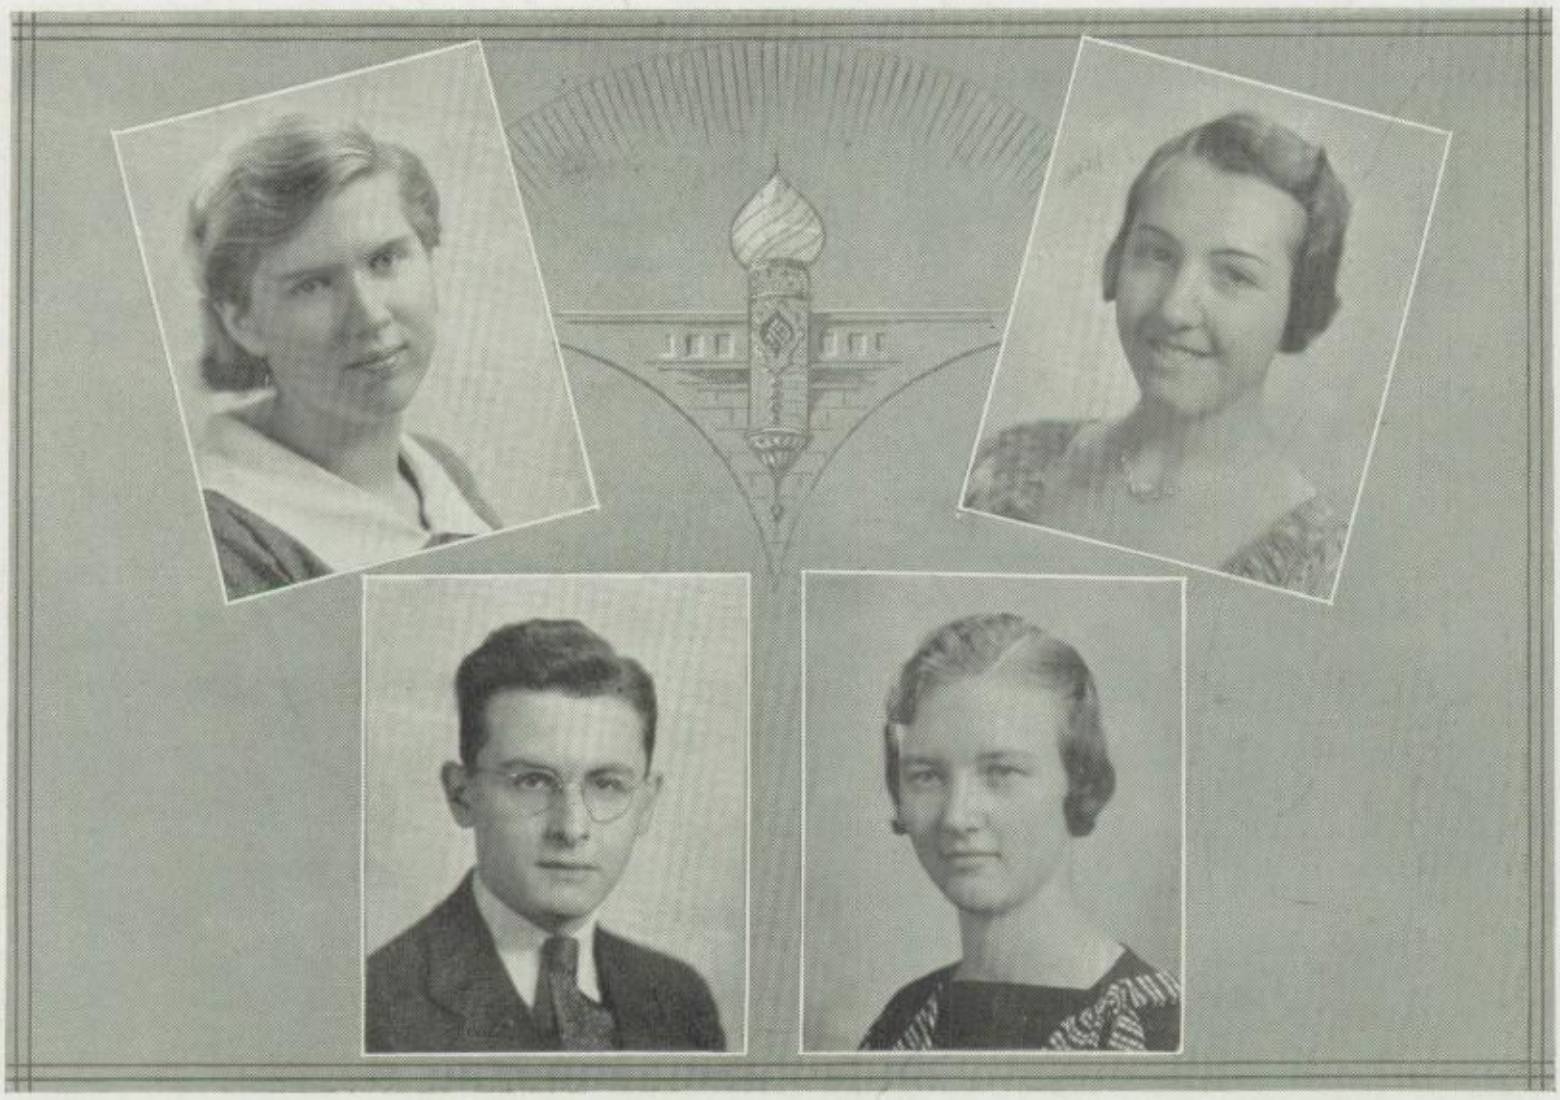
And now we present our class beauty. Isn't she lovely? Her hair is so soft and dusky, her complexion so delicately clear, and everything else about her so beautiful that sometimes we wonder if she is truly "real". Her winsome personality quite fits in with the appearance of this very attractive girl. Dancing is the first thing we think of on Gayle's activities list, and this she does with unusual grace. Gayle hopes to take up beauty culture next year, and then perhaps she will tell others "the secret of her success".

EVELYN KELLEY *"Kelley"*

General Course; A. A. 1, 2, 3; Basketball 1, 2, 3, 4; Dramatic Club 3, 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4; Science Club 3, 4; Student Council 1.

"I live for those who love me."

This happy-go-lucky classmate has a subtle sense of humor and keeps her many school friends in a constant state of laughter. "Kelly's" friends are found not only in Carlisle but also in Atlantic City where she spends her summers. Her love of fun and friendly manner will make her a charming nurse.



MARGARET KELSO *"Peg"*

General Course: Glee Club 1, 2, 3, 4; "Hansel and Gretel" 2; Home Room Officer 1.

"My books and heart
Must never part."

"Peg's" favorite occupation, when she is at home, is playing the piano. She can sew and cook equally well, and those who eat her victuals come back for more. "Peg" has a keen sense of humor and she and her friend Lois can often be seen laughing over some choice bit of news. "Peg" loves the out of doors and enjoys all of the beauty about her country home. "Peg" plans to continue her education at Shippensburg State Teachers College.

KARL KENNEDY *"Pat"*

Manual Arts; A. A. 2, 3; Band Officer 2, 3, 4; Glee Club Production 4; Hi-Y 3, 4; Orchestra 1, 2, 3, 4; Assistant Band Leader 3, 4; Student Council 3.

"A man of cheerful yesterdays and confident tomorrows."

Music holds first place in the mind of this young man, but he also finds time to enter other activities, as his record shows. His courteous manner is well-known to all. Karl plans to follow in the footsteps of the famous Sousa, and may ever become a future Tchaikowsky.

ROMAINE KENNEDY *"Main"*

Commercial Course; El Circulo Espanol 4; Glee Club 2; Orchestra 1.

"And all about the social air
Is sweeter for her coming."

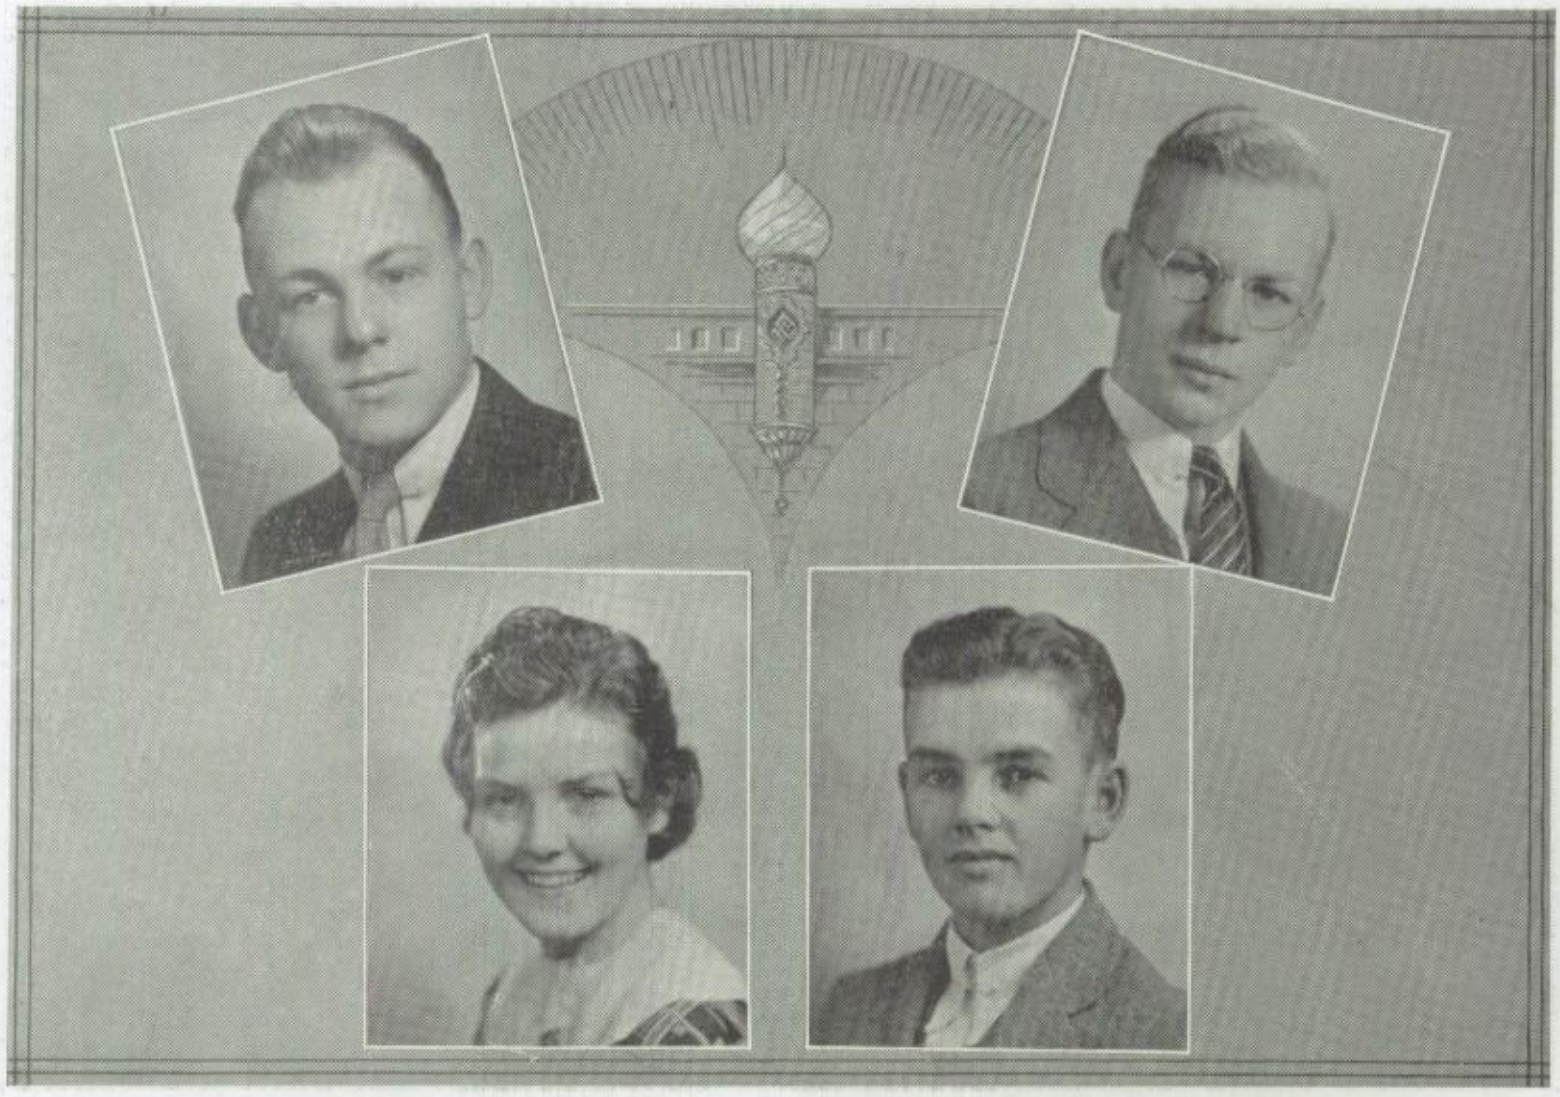
Romaine is shrouded with that mysterious but fascinating thing called quietness. When others are tearing about trying to get things done in a hectic fashion, if they would look at Romaine and see how calmly and quietly she goes about her work, surely their methods would change. For it is the level-headed person who gets the most accomplished. What could be more appropriate as a hobby for Romaine than reading? And that is what she spends her free time in doing. Her ambition is to be a stenographer, and surely her unperturbed presence will be a help to some business concern.

PAULINE KITZMILLER *"Sparky"*

General Course; A. A. 1; Basketball 1, 2, 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4; Orchestra 1, 2, 3, 4; Science Club 3, 4.

"A smooth and steadfact mind,
Gentle thought, and calm desires."

Behold the violinist! Pauline has been one of the "main stays" of our orchestra during our four years of high school—and a good one too! Sweet and level-headed she has won many friends in both the student body and faculty—her high scholastic standing aiding in the latter. "Sparkie" shines in geometry—a compliment which can be paid to few. Besides her "fiddle" playing, "Sparkie" likes to roller skate, and her friends say she is quite a "Whiz" at the sport! To continue with her musical career is Pauline's ambition and doubtless she will become as indispensible to some symphony orchestra as she has been to ours.



RICHARD KRUGER *"Dick"*

General Course; A. A. 1, 2, 3, 4; Glee Club 4; Hi-Y 3, 4; Junior Band 2, 3, 4; Science Club 3, 4.

"Oh sleep! It is a gentle thing,
Beloved from pole to pole."

Richard is a very sociable, generous, easy going fellow—an all-round good sport. This good-natured boy often saves his friends from being late by picking them up in his car. Indeed "Dick" deserves a medal for his kindness. In his spare moments he may be seen motoring his boats up and down the creek. He is a good mechanic and is very much interested in engineering. Watch out, engineers!

JEAN KUNKLE *"Kunkle"*

Commercial Course; A. A. 2. 3, 4; Band Drum Major 4; Class Basketball 3, 4; Varsity 1; Class Officer 4; Cheer Leader 3; Dramatic Club 3, 4; Officer 4; "Come Out of the Kitchen" Cast 4; El Circulo Espanol 4; Glee Club 2, 3; Girl Reserve 1, 2, 3, 4; Home Room Officer 2, 4; Oracle Staff 4; Periscope Staff 4; Track 2; Tumbling Team 4; Varsity Club 3, 4; Officer 3, 4.

"A peal of laughter, a right merry din,
A bang of the door, and Jean comes in!"

Enter the "life-of-the-party" girl—and a peppy lassie with unruly red curls, sparkling white teeth, twinkling eyes (she has been called the "Nancy Carrol" of C. H. S.) appears at the door. Then the fun begins. In basketball, the team with whom Jean is playing feels more enthusiastic when working with her; parties become wittier as soon as Jean has arrived; boys always look forward with great zest to their dance with her; in full, life just couldn't go on without "Kunkle.." She is sought after by D'son lads as well as C. H. S. admirers.

VERNON KRUGER *"Vern"*

General Course; A. A. 1, 2, 4; Junior Band 1, 2, 3; President 3.

"An honest man close button'd to the chin,
Broadcloth without, and a warm heart within."

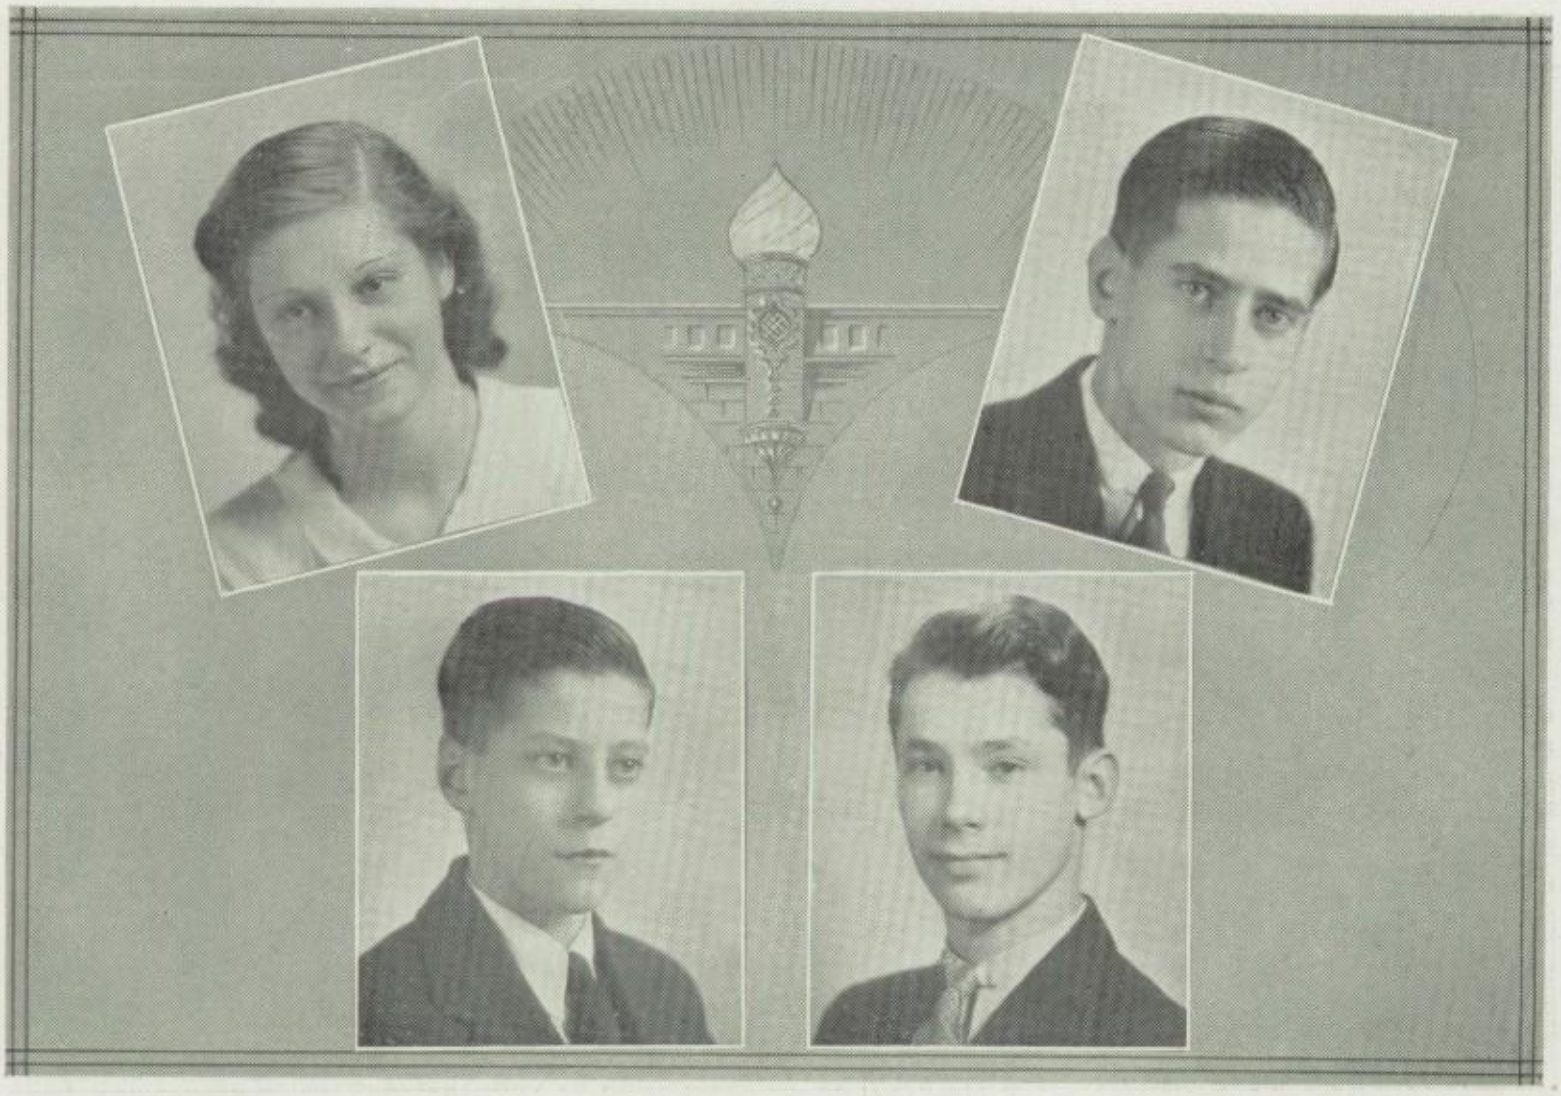
If you are looking for a man with whom you can have some fun, find Vernon. Vernon always provides enjoyment for the downhearted. He can also converse along intellectual lines. He is interested in mechanical science. Vernon likes the broad, open spaces and spends much of his leisure time motor-boating with his brother. He attacks all of his problems in a resourceful manner. He enjoys a good, exciting novel and spends much time reading. We know that he is going to succeed in his pursuits after graduation.

WALTER LEHMAN *"Walt"*

Manual Arts; Student Council 3.

"There's nothing ill can dwell in such a temple."

"Walt" is one of our popular classmates. He is light-hearted and carefree, has neither worries nor troubles, is a good sport and loves to play tricks on his friends.. Your first impression of "Walt" is of a quiet sort of person, but when you get acquainted with him you find what a lively person he really is. He has hosts of friends and is always ready to help them when they need him.



MARIE LEIDIGH *"Petie"*

Commercial Course; El Circulo Espanol 4; Reporter 4; Glee Club 1, 2, 3, 4; Dancing Club 4.

"A jolly laugh, a twinkling smile
A girl like Marie makes life worth while."

"Petie" has the best sense of humor you can find anywhere, and this is no "believe-it-or-not" column, either. She uses this good trait to its best advantage, and is consequently liked by all. Basketball and volleyball interest Marie, and she always helps the commercial team by lending her skill. In dancing, too, she is quite skilled. As a member of the dancing club she has done creditable work. "Petie's" ambition is to become a private stenographer.

JAMES LINE *"Jim"*

General Course; Band 1, 2, 3; Glee Club 3, 4; President 4; Home Room Officer 4; Junior Band 1; Orchestra 2; Science Club 3, 4; German Club 3, 4.

"And at his touch wild, wierd melodies arise."

"Jim" is a little chap with a jolly, friendly disposition. He has been one of the outstanding musicians of our class. His performances on the piano and accordian (as well as his funny remarks) have made a great hit with everyone. James hopes to become an organist some day. He has not yet decided at which college he will further his knowledge of music.

HENRY LINE *"Hen"*

General Course; A. A. 1, 2, 3; Dramatic Club 4; Stage Manager 4; Home Room Officer 2; "Oracle" Staff 4 Business Manager; Science Club 3, 4; President 4; German Club 3, 4; President 3, 4.

"A man of business, action, and accomplishment."

As soon as Henry was elected business manager of the "Oracle" staff, he began to go after adds. Because of his untiring efforts and rare ability along this line, "Hen" has been largely responsible for the realization of this book. Well versed and greatly interested in science, he was consequently the one to be elected as president of the Science Club. Turn to the plays of the year, and upon probing you will discover that Henry was largely responsible for the lighting effects. The fact that he is president of the German Club assures us of his power over language. Indeed, an unusually versatile boy is Henry, and C. H. S. is proud to send him to Penn State, where he will study engineering.

BENARD LUDWIG *"Benny"*

General Course; A. A. 2, 3; Dramatic Club 4; "Come Out of the Kitchen" Cast; Football 3, Hi-Y 3, 4; Science Club 2, 3, 4; Track 4.

"Far may we search before we find
A heart so manly and so kind."

Bernard came to us from New York in our Sophomore year and his pleasing disposition and accent immediately won him many friends "Benny" is a great dancer and may be seen gliding over the floor at all of the dances. We will always remember "Benny" as "Crane" in the Dramatic Club play, "Come Out of The Kitchen." We are sure "Benny's" enthusiasm and disposition will carry him far in anything he undertakes.

IRENE MANN *"Reenie"*

Commercial Course; Dramatic Club 3, 4; El Circulo Espanol 4; Glee Club 1, 2; Girl Reserve 1, 2, 3, 4; Home Room Officer 1.

"Here's a little Miss—she's not so very tall
She always knows her lessons—but listen—
that's not all!

Did you hear that chuckle? That's none other than "Reenie" Mann, the girl with the sunny disposition. "Reenie" is short, but not too small to be seen, especially where there is dancing, ice-skating, or any other form of fun-making, particularly when a certain "Bill" is around. She is very fond of music and makes her contribution by playing the piano. "Reenie" is a commercial student and plans to take up secretarial work, in which she promises to make good.

ESTHER MAE MANNING *"Esther"*

Commercial Course; El Circulo Espanol; Officer 4; Library Club 1, 2, 3, 4; President of Bulletin Board 4.

"She works with patience which means almost power."

Steady and easy-going, having a certain determination, Esther accomplishes all she sets out to do. She is an active worker in the Library Club and the attractive displays on the bulletin board this year have been due to her efforts. Judging from the smooth waves of her well-kept tresses, one might suppose that Esther's ambition is to become a hair dresser; but that is a wrong supposition, for she plans to be a private secretary. Esther is interested in sports as well as studies; reading, too, occupies a large part of her time. These qualities promise a worthwhile future.

ESTHER A. MANNING *"Esther"*

General Course; A. A. 2, 3; Band 3; Dramatic Club 3, 4; Glee Club 2, 3, 4; "Mikado" 4; Junior Band 1, 2; Science Club 3, 4.

"With a nature unspoiled and unblemished by art
With a generous soul and a warm, noble heart."

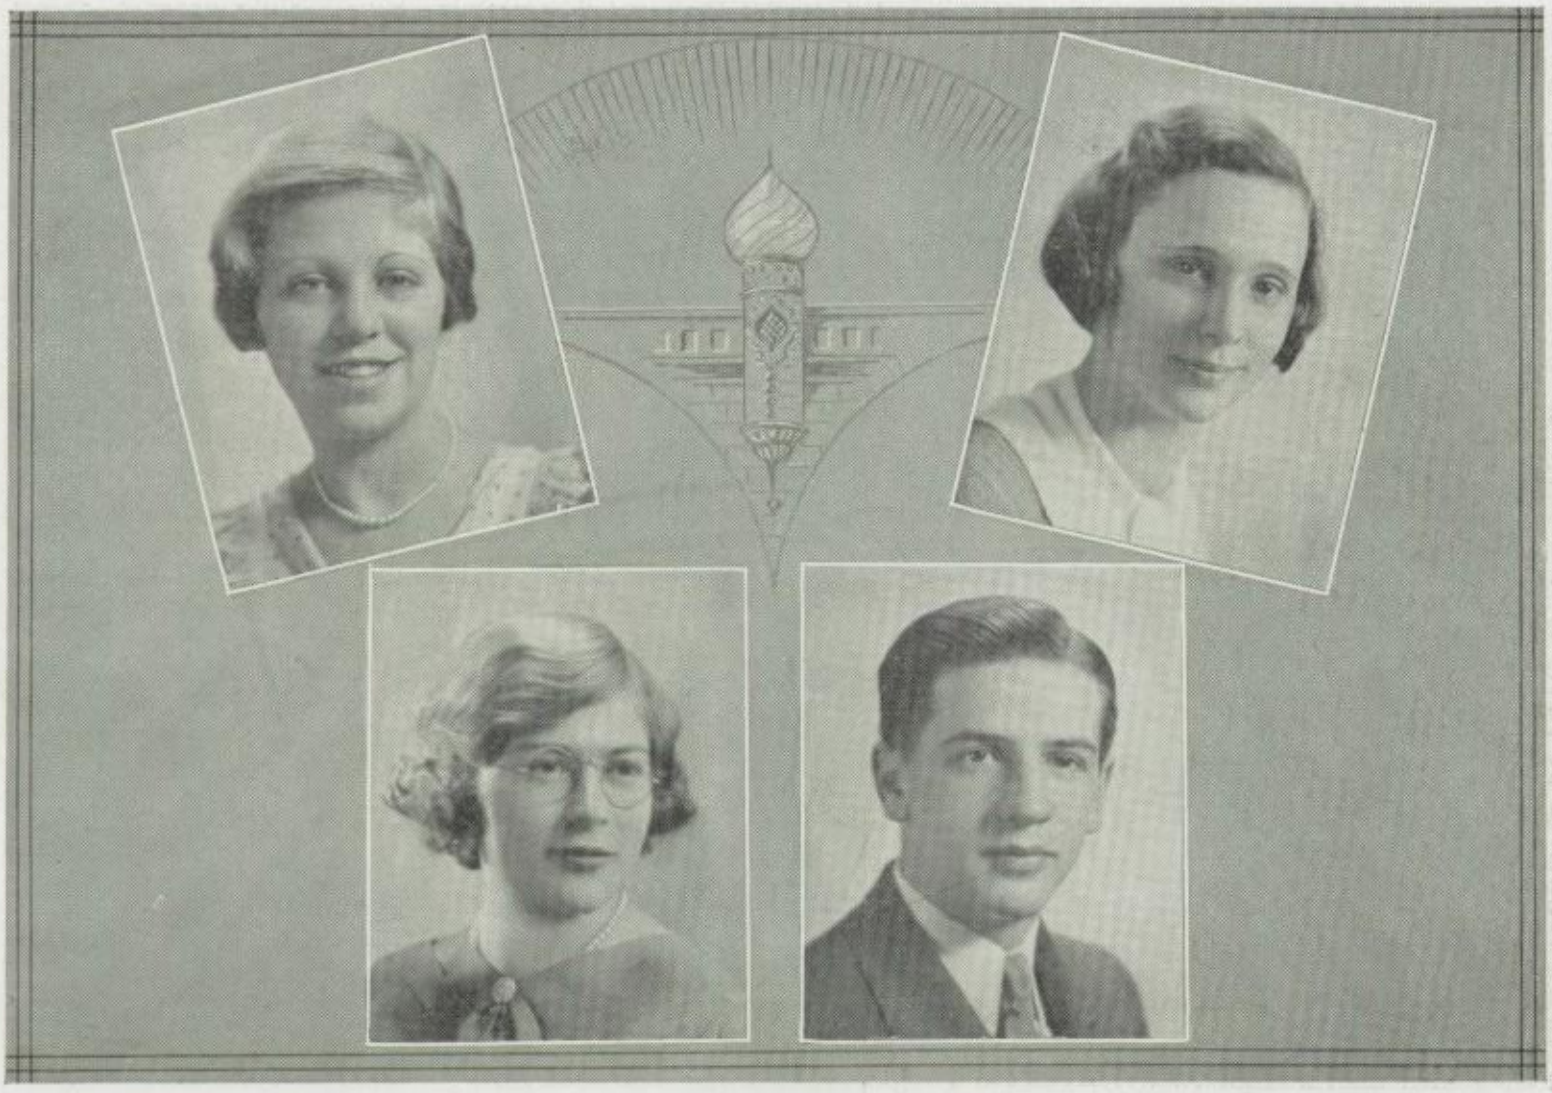
Esther, being the daughter of a minister, has acquired the art of ease in meeting and talking to people. This has aided her in becoming an excellent speaker—a joy to her teachers and classmates. Esther's life has been full of interesting events, and in her usual optimistic manner she has made the most of these experiences. During her senior year her father was transferred to Shippensburg, so Esther joined the band of Merry Commuters that she might continue to satisfy her thirst for knowledge at our alma mater.

ADESSA MARTIN *"City"*

Commercial; El Circulo Espanol 4; Glee Club 1, 2; Student Council 3; Wayaka Club 3, 4.

"Smile awhile and when you smile
Another smiles and soon there'll be
miles and miles of smiles and life's
worth while because you smile."

A glance at her smiling face will convince you that "City" is a firm believer in the above motto. With that charmingly dimpled chin she cannot pass by unnoticed. When she is not surrounded by many friends she enjoys reading a good book. "Ain't it awful" may be heard when she thinks she doesn't know her lessons; however, she always manages to get along well in her classes. To be somebody's stenographer seems to be "City's" ambition. With her sunny disposition she is sure to secure a position.



GERALDINE MARTIN *"Gerry"*

Commercial Course; El Circulo Espanol 4; Glee Club 2; Girl Reserves 1; Wayaka Club 2, 3.

"A smile for every girl
And two for every boy."

Those large, flirtatious blue eyes and blond, wind-blown tresses belong to no other than "Gerry." In other words, her smiling countenance signifies a cheery, happy-go-lucky disposition. "Gerry's" delightful laughter attracts not only girl friends, but beaux, too, as we have seen. We know she likes to read, but is that the only reason why the library is frequented by her? She has been a faithful member of the schood organizations and has been a good student. "Gerry" plans to be one of our future nurses.

MARY McKILLIP *"Giggles"*

General Course; Glee Club 1, 3, 4; Production "Hansel and Gretel", "Mikado" 3; Sodalitas Latina 3, 4.

"Conscientious, studious, clever;
Does she shirk her duty? Never!"

Mary has a great deal of humor tucked away in her small person and frequently, her eyes sparkling roguishly, she makes an amusing remark. She is one of the students who persevered through four years of Latin, and during the course she has written several clever little Latin plays. Stories, too, Mary enjoys writing and her English fellow students can tell you how much they were enjoyed. Mary enjoys doing many things, but chiefly those along musical lines. She bought a brand-new piano recently and with that she plans to start her musical career.

HILDA McCOY *"Irish"*

General Course; A. A. 1, 2, 3, 4; Dramatic Club 3, 4; Girl Reserves 1, 2, 3, 4; Home Room Officer 4; Science Club 4; Student Council 1, 2, 3.

"To those who know thee not,
No words can paint,
And those who know three,
Know all words are faint."

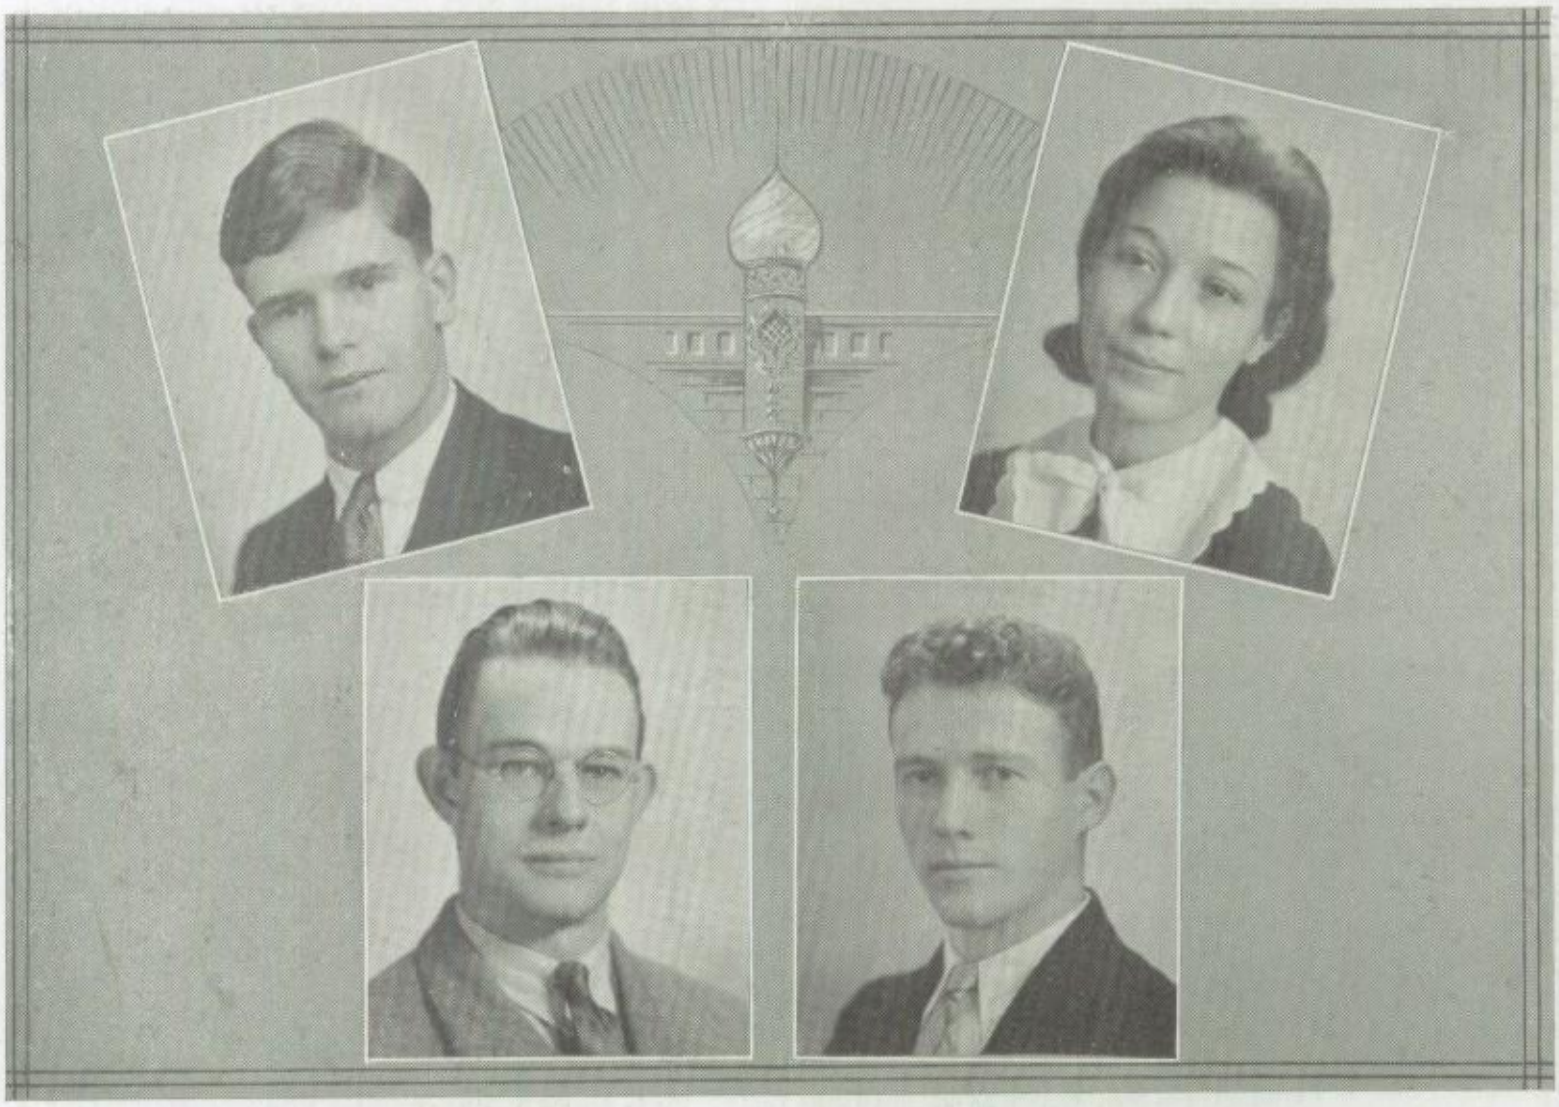
Tall, good-looking, straight-forward—ah, Hilda is enough to make anyone's heart go pit-a-pat. Brown-eyed "Irish" has centered her attention upon sports and is our champion in that field. When her opponents meet her in basketball they know immediately that a stiff game is in store for them. Though Hilda stars in basketball, she is an excellent player of volleyball and tennis; and, unlike most athletes, she is a good student, too. Though one would expect Hilda's ambition to be along the line of sports, she has another plan—that of being a nurse. Hilda possesses the character traits that will make her a successful nurse.

MARLIN MEALS *"Pete"*

General Course; A. A. 1, 2, 3, 4; Dramatic Club 3, 4; Senior Class Play "Honor Bright" 4; "Shirt Sleeves" 3; Glee Club 1, 4; National Thespian 4; Orchestra 1, 2, 3, 4; Student Council 1.

"Music hath charm and so do women."

In "Pete" we have one of the famous actors of the class. It was he who played the leading role in "Honor Bright." Marlin is also president of the Dramatic Club. This lad is amiable, jovial, and sociable. He thinks that life without love is not worth living, and prefers auburn-haired ladies. Much of the success of the Hi-Y dances has been due to the efforts of Marlin.



CLARENCE MILLER *"Clarence"*

General Course; Glee Club 1, 4; Science Club 3, 4.

"A man of might with a heart of gold."

Four long years ago a very backward and shy young man entered the corridors of C. H. S. But he did not remain so. Clarence is an all-around good sport. His hobby is hunting. He is very fond of the farm and some day he will be a recognized chicken fancier.

HENRY MINNICH *"Minnich"*

General Course; Science Club 3, 4; German Club 3, 4.

"The deepest rivers flow with the least sound."

Behold a student! Henry's long walk of seven miles to and from C. H. S. has given him much time to observe and think. Some of these thoughts are reflected in his beautiful Class Poem. His public speaking recitations were always a delight to his class mates for Henry invariably prepared interesting as well as unusual recitations. Henry is very much interested in exploration and spends his leisure moments in reading about the faraway North. His interest in this field may bring him fame.

MIRIAM MILLER *"Mimmie"*

Commercial Course; A. A. 2; Basketball 1, 2, 3; Dramatic Club 3, 4; El Circulo Espanol 4; Glee Club 1, 2, 3, 4; Girl Reserve 2; Home Room Officer 1, 3; Track 2; Tumbling Team 3.

"What is life without love?"

"Mimmie," as her name suggests, is peppy and fun-loving. She excels in athletics, which no doubt accounts for her grace in dancing. Happy-go-lucky, "Mimmie" sails through life as she often sails in a certain red Dodge. She is no mean student and can make the keys on a typewriter fly. "Mimmie" is happiest when she is in the great outdoors enjoying the many pleasures which it offers. After she leaves C. H. S. Miriam wants to be a secretary to some wealthy matron.

WILLIAM MORRISON *"Bill"*

Manual Arts Course; A. A. 1, 2, 3, 4; Football 4; Home Room Officer 2; Science Club 3, 4; Student Council 3, 4; President 4; Track 1, 2, 3, 4; Varsity Club 3, 4.

"Happy and free, with no care for the morrow,
He scatters dull care and vanishes sorrow.
Although his teachers he may sometimes vex,
He pleases the members of the opposite sex."

Who is the man who is always late for Miss Uhland's history class? Why, of course, it is "Bill." As president of the Student Council he startled all by the clever way in which he handled the important affairs. He is one of the greatest track stars of C. H. S. He likes swimming, ice skating, and football. He says that he would like to be an aviator. No matter what he does we know that he will succeed, and we wager that his old pal "Dick" will be helping him.

LELAND MYERS *"Bunk"*

General Course; Science Club 3, 4; German Club 3, 4; Secretary 3.

"I love tranquil solitude
And such society as is quiet, wise and good."

A more brilliant fellow couldn't be found, no matter how extensively one searched. But we don't need to hunt for a better man when "Bunk" is around. He is one of our prize class mates. This brother of ours comes from the great open spaces, which environment has been responsible for his industry and progress. Leland is fond of hunting and because of his love for the woods, he plans to become a forester. The world needs men who speak little but whose words have weight; and whose actions are the result of deep thinking. The future holds many possibilities for this quiet, brilliant young man.

ALBERT NIELES *"Ott"*

Commercial Course; El Circulo Espanol 4; Hi-Y 4.

"There's mischief in this man."

Every person is known for some trait that is just his own. Albert is known for his quick and witty replies. Albert, who plans to enter the business world, moves quickly and improves every moment. This characteristic, together with his commercial training, ought to make him a successful business man.

HELEN NATAFALUSY *"Nat"*

General Course; A. A. 4; Basketball 4; Dramatic Club 3, 4; "Come Out of the Kitchen" Cast 4; "Shirt Sleeves" Cast 3; Glee Club 1, 2, 3, 4; "Hansel and Gretel" 3; Girl Reserve 1, 2, 3, 4; National Thespian 3; President 4; Sodalitas Latina 3, 4; Student Council 2; Tumbling Team 1, 2, 3, 4; Wayaka 3, 4; German Club 3, 4, Officer 3, 4; Dancing Club 3, 4; Band 4; Science Club 4; Declamation 4; Dramatic Club 4; Oracle Staff 4.

"Would that we could tell in a fitting fashion
all she can do——"

Helen is our all-round sports woman. She has won swimming and diving contests. Few excel her in tennis or golf; she is an excellent horseback rider. What more could any one desire? But along with these achievements Helen has ability to draw, and her contributions to our "Oracle" have greatly enhanced its beauty.

JOHN PETERS *"Jack"*

General Course; A. A. 2, 3, 4; Band 3; Dramatic Club 3, 4; Dramatic Club Productions "Miss Efficiency," "Shirt Sleeves"; Glee Club 3, 4; Officer 3; Mikado 3; Home Room Officer 2; Hi-Y 3, 4; Officer 4; National Thespians 4; Oracle Staff 4; Periscope Staff 3, 4 Student Council 3; Track 4.

"In my Pontiac from care shall flee,
Then happy and contented shall I be."

Did you ever see a tall, handsome, well-dressed boy leaning against that radiator in the hall, laughing at a good joke? Well, that is Jack. Jack is one of the most popular boys of our class because he is so good-natured. Everybody knows him. The "Baron's" ambition is to be a doctor—in fact, a specialist.

ELLENA RAILING *"Lena"*

Classical Course; Glee Club 3, 4; Girl Reserves 3; Le Circle Francais 4; Sodalitas Latina 3, 4; Wayaka Club 3.

"She does the things she ought to do
And speaks when she is spoken to."

Ellena is known for her sweet smile. We all enjoy watching her face light up when her pretty white teeth appear. She should have been named "Sympathy," for she is the nicest person to whom one can tell his woes. Always ready to listen, having an unlimited amount of kindliness and cheer, one never goes away from her without feeling much better. There are so few such people in the world that Ellena is undoubtedly appreciated.

BEULAH RASP *"Boots"*

Commercial Course; A. A. 4; Band 1, 3, 4; Dramatic Club 3, 4; El Circulo Espanol 4; Glee Club 2, 3, 4; Girl Reserves 2; Home Room Officer 2; Junior Band 2; Student Council 1, 2.

"Much, too, of Music was her thought,
With melodies and measures fraught."

"May we introduce to you "Boots" and her sax?" This is what we expect to hear over the radio not many years hence. Music is the chief hobby of this little Miss, who is also equally adept at playing the piano. As a member of our band she has played many a merry tune, and it is her ambition to continue in the same field. Some people have weaknesses for curly hair or blue eyes—but "Boots" has a weakness for the "A" and "P" store, and as usual—we wonder why! "Boots" chose the commercial course, which she seems to be making a success of, and we know she will make the same out of life.

WILBERT RAUDABAUGH *"Bill"*

General Course; Science Club 3, 4; Sodalitas Latina 3, 4.

"A truer friend could ne'er be found."

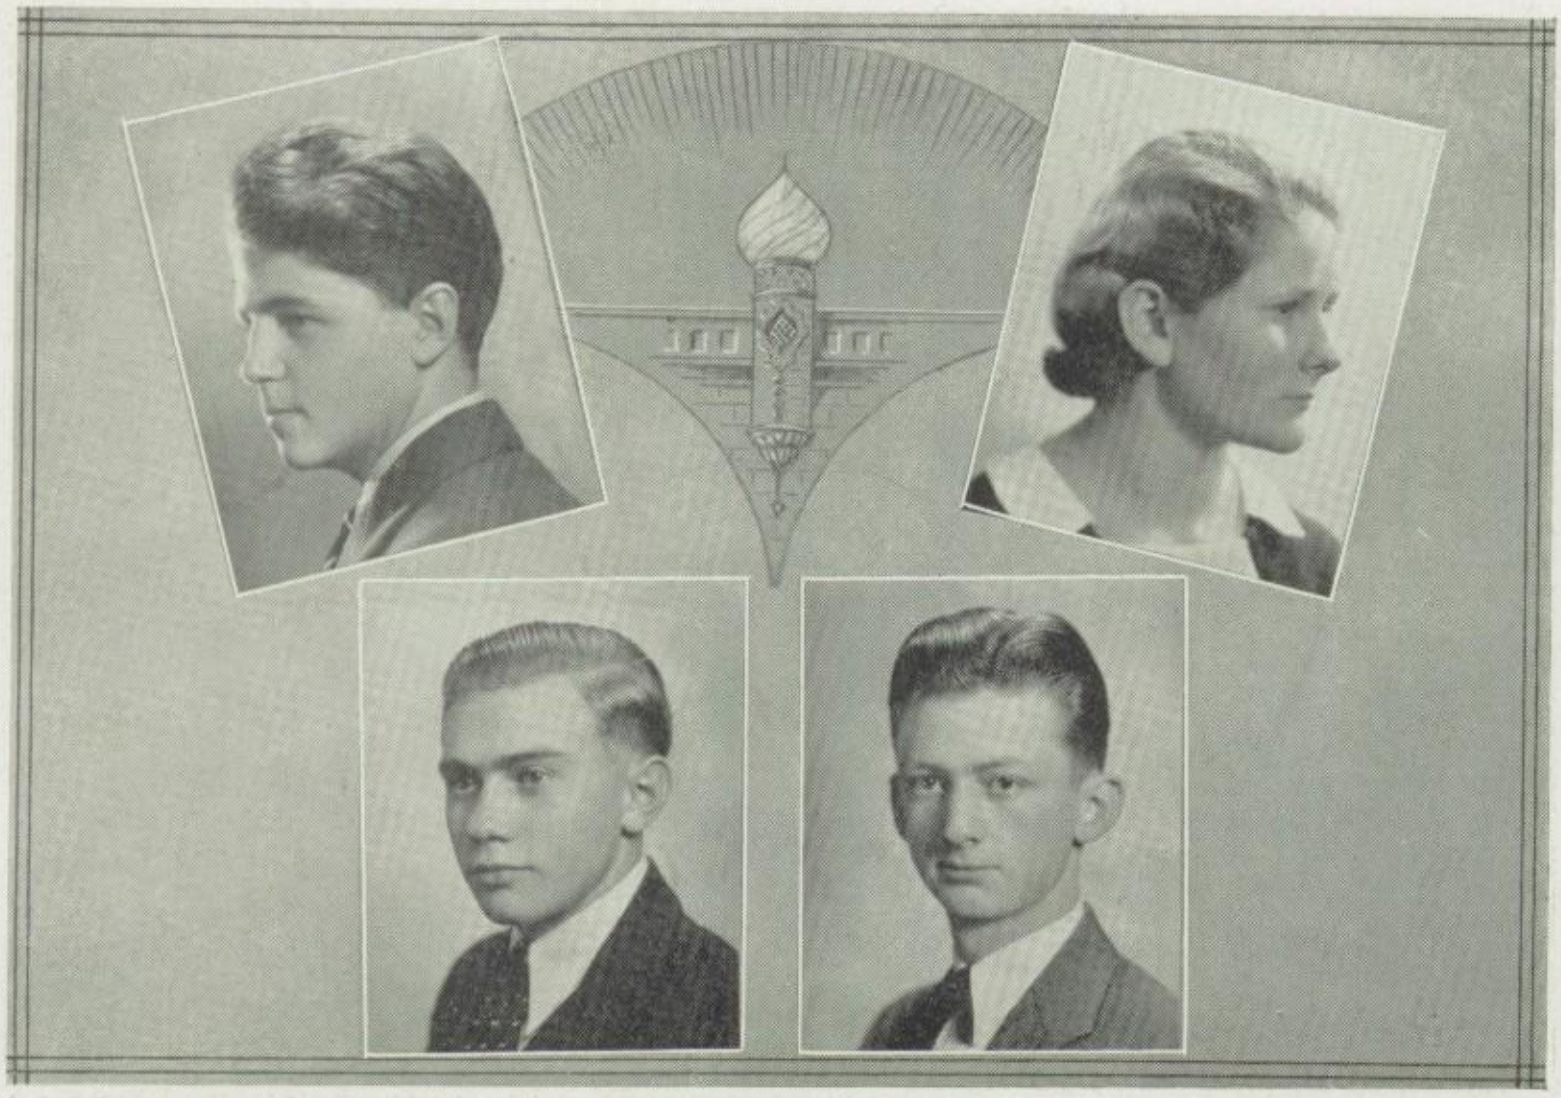
Wilbert is very quiet and unassuming, but great things may be expected of him. He is one of our boys who struggled through four years of Latin. "Bill," who is kind, jolly, and good natured, is always willing to help someone who is in trouble. He is a diligent student, who has chosen teaching for his profession.

CLARA RENFREW

Commercial Course; A. A. 1, 2, 3; Class Basketball 2, 3; El Circulo Espanol 4; Glee Club 1; Wayaka Club 3.

"She is so gay, so very gay
Through each and every live long day."

Clara loves fun and can usually be found where everyone is having a good time. However, she does not neglect her duty, and usually ranks high in her studies. Clara took a great interest in football this season. We don't know whether she was just fascinated by the game or—well, we have our doubts. Clara plans to be a stenographer and will brighten some office with her sunny presence.



HENRY REMSBERG *"Cal"*

General Course; A. A. 2, 4; Band 1, 2, 3, 4; Band Officer 3, 4; Glee Club 2, 4; Hi-Y 3, 4; Le Circle Francais 4; Officer 4; Orchestra 1, 2, 3, 4; Officer 4; Oracle Staff 4; Science Club 3, 4; Officer 4; Sodalitas Latina 3, 4.

"I will discourse most eloquent music."

If you ever need "a good friend, somebody to make you laugh, a car to push, or someone for whom to translate Latin, come up to see 'Cal' some time." "Cal" is none other than the Cal Henry of the New Moon Orchestra," to whose music we have all stepped. "Cal" is very proficient in beating out the music from a sax. It is whispered about that the "Maestro" might some day be a big bogey man (in the shape of a dentist) to all the little freshmen.

ROY ROTH *"Tom"*

General Course; A. A. 1, 2, 4; Dramatic Club 4; Glee Club 1, 2, 3, 4; Home Room Officer 4; Le Circle Francrais 4; Science Club 4; Tumbling Team 4.

"Not too serious, not too gay
A good fellow in every way."

Roy is not one of the few students who worry about their lessons. Although he would like to be a mechanical engineer, he is the leading agriculturist in our class of leaders. This interest, acquired at home, gave him first prizes at the State Farm Show and the presidency of the 4-H Club. But his record at school is one to be proud of. This young man also finds time to be active in many of our high school organizations.

MARGARET RICKENBAUGH *"Marge"*

Classical Course; A. A. 1, 2, 3, 4; Dramatic Club Officer 3, 4; Glee Club 2, 3, 4; "Mikado"; Girl Reserves 1, 2, 3, 4; Officer 3; Home Room Officer 1, 2, 3; Le Circle Francais 4; Library Club 1, 2, 3, 4; Officer 3; Oracle Staff 4; Periscope Staff 4; Science Club 4; Sodalitas Latina 3, 4; Wayaka Club Officer 3.

"A little nonsense now and then
Is relished by the best of men."

Gracious, witty, happy—that's "Marge"! No circle is complete without the spice of her presence and even our class president seems lost without her. As president of the A, B, C Club, "Marge" has seen to it that this year's dances have gone off successfully. As to her appearance, it is always faultless; and her complexion is the envy of every girl who has to depend on "boxed" beauty.

WILLIAM RUNYAN *"Bill"*

General Course; Dramatic Club 4; "Honor Bright" Cast 4; Hi-Y 4; Le Circle Francais 4; "Oracle" Staff 4; Science Club 3, 4; Student Council 4.

"We didn't want him any longer;
For he was long enough."

William entered our ranks at the beginning of our sophomore year. At first sight we knew that he must be the tallest man of our class, and he is. William rarely loses an argument. But you would expect this, since his hair is slightly red. From the very first he found many friends and is now one of the most popular boys in his class.

OPAL SHENK *"Opal"*

Commercial Course; Basketball 2, 3, 4; El Circulo Espanol 4.

"Little but Ambitious."

Meet this pleasant little elfin creature, who has won her popularity by laughing, smiling, and being nice to every one. As we would expect from one so peppy, she is fond of acrobatic work, and from what we have seen of her gym work, she is certainly expert. She is serious, too, when necessary, and enjoys spending quiet hours in reading. We wonder how a person like Opal could enjoy the steadiness of office work, but when she devotes her attention to it, the results are as pleasing as one could wish.

REBA SOLLENBERGER *"Solly"*

Commercial Course; A. A. 1, 4; Basketball 2, 3, 4; Class V. President 1; Dramatic Club 3, 4; El Circulo Espanol 4; Treasurer 4; Glee Club 1, 2, 3, 4; "Mikado" Cast 2; Home Room Officer 2, 4; Student Council 1, 2, 3.

"A face with gladness overspread!
Soft smiles by human kindness bred!"

Reba can never sing "All Alone," because she always has some pals with her. This is due to her ever-sympathetic and sweet disposition, which attracts her friends to her. "Solly" is not without wit, for her public speaking recitations amuse every one. Her marks are always up to par, as is her gym work, which claims quite a bit of her attention. But it seems that all of her attention is not centered on school, for a certain boy, who comes quite frequently from Newville, has his share, too. "Solly" has a decided talent along musical lines.

LARUE SMITH *"Larry"*

Commercial Course; El Circulo Espanol 4; Glee Club 3, 4

"Always a smile for everyone—
Rather sober, yet full of fun."

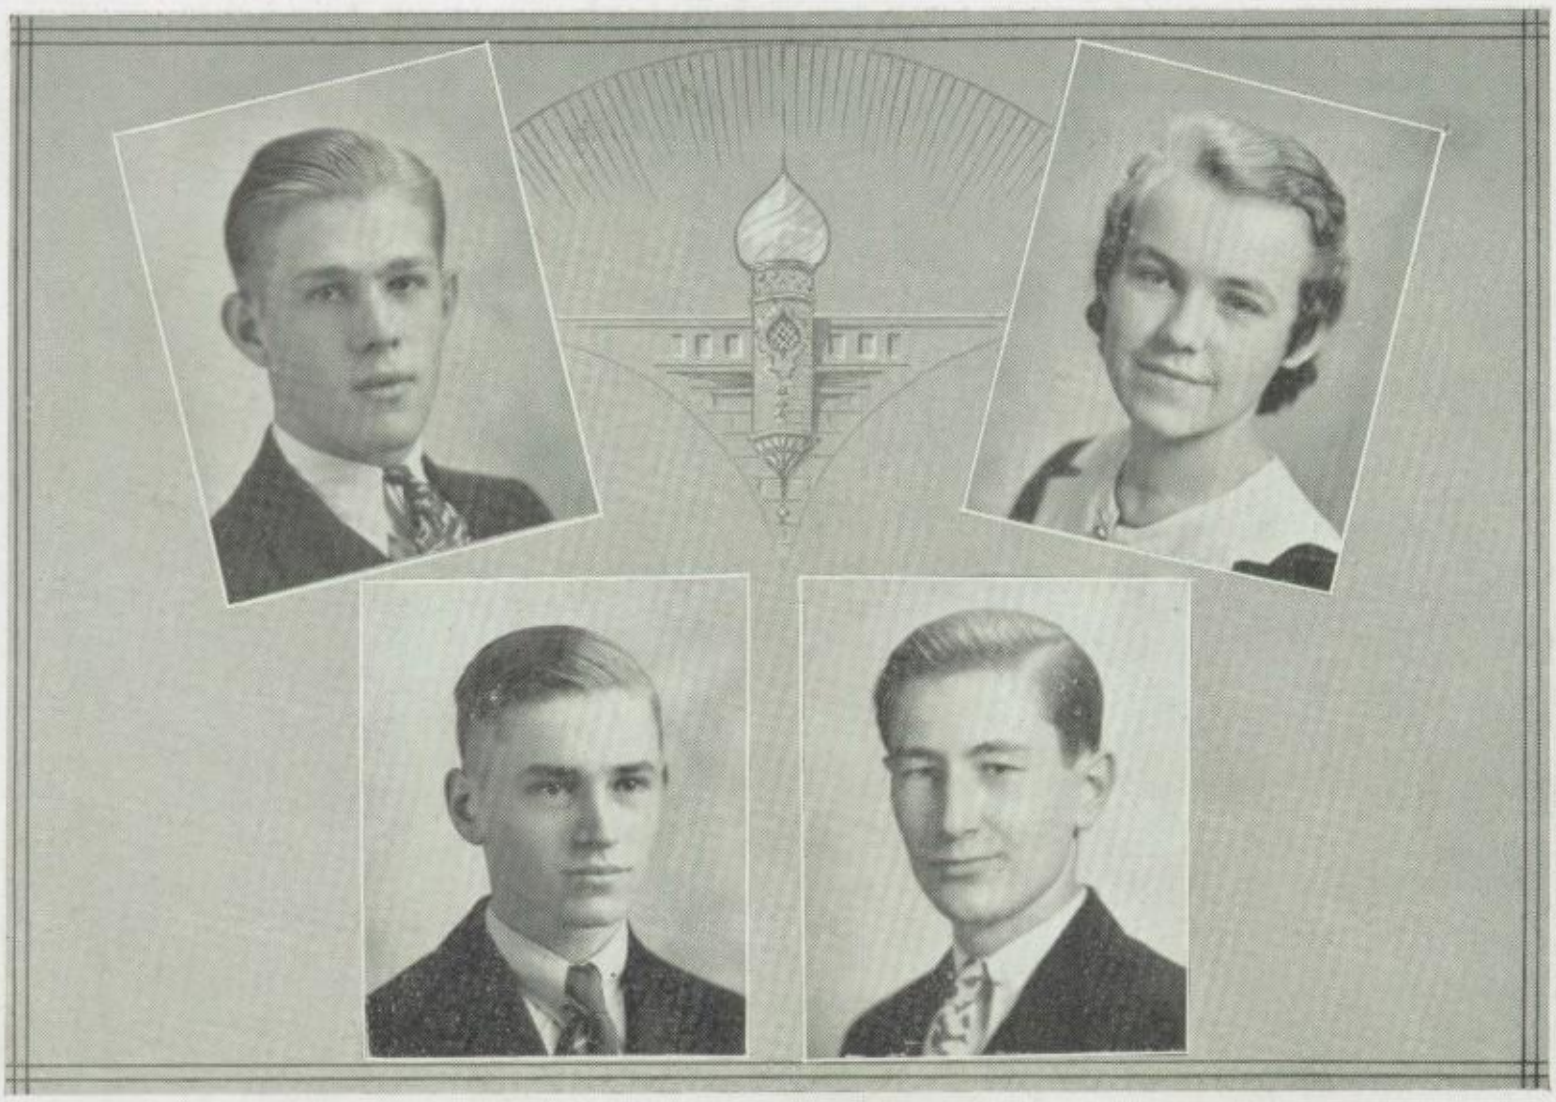
"Quiet and demure" is no doubt a fitting phrase with which to describe Larue. But this does not mean she is not fond of sports—for she is quite an ardent tennis player. Studies, too, occupy her time, and they do not bore her, either. (Would that more of us felt that way!) Probably that is why we always hear, "Larry, help me with my math" from students distracted with problems. Larue will be a successful teacher.

CHRISTINE SPAHN *"Teeny"*

General Course.

"Give the world the best you have
And the best will come back to you."

"Teeny" joined our ranks during our last year, and we are certainly glad she came, for her delightful sense of humor, her cheery personality, and the attractive way she speaks made us like her immediately. "Teeny" belonged to the Junior Country Club in Lebanon, where she learned to enjoy archery, horseback riding, golf, tennis, and dancing. Her summers are spent camping, traveling and enjoying the interesting and worthwhile things the Campfire Girls' organization offers. "Teeny" is interested in studies, but, better yet, enjoys poetry—surely a great blessing. To Harrisburg "Teeny" is going next year to take a pre-technician course, followed by college work at Boston, Mass. Since "Teeny" has so much to give the world, surely the best will come back to her.



PAUL STONE *"Stoney"*

General Course; A. A. 4; Dramatic Club 4; "Honor Bright" Cast 4; Football 4; Home Room Officer 4; Le Circle Francais 4; Science Club 3, 4.

"Who can foretell for what high cause
The Darling of the gods was born."

During four long years Paul has been coming up the three and one-half mile srtetch of macadam road, in quest of knowledge in the halls of C. H. S. We believe it has been well worth while, for Paul's name has appeared on the "honor roll" many times. But he does not spend all of his time in study. In his senior year Paul decided to come out for football, and was successful. If we can judge by the successful record "Stoney" has made here, we are sure that he will be a success in whatever profession he enters.

EARLE STOUFFER *"Norm"*

General Course; Declamaton 4; Dramatic Club 4; Science Club 3, 4; German Club 3, 4.

"I love the cows and chickens, but this is the life."

Here is a boy from the country who stands near the top of his class. "Norm," as he is called by his friends, will be remembered around our high school for a long time for his history-making "Cat Story." After he leaves high school "Norm" plans to go to some school of higher learning where he will study to become a teacher. We are sure that he will become one of the best in his profession.

JANE STORM *"Susie"*

Classical Course; A. A. 1, 2, 3, 4; Cheer Leader 3; Class Officer 3; Dramatic Club 3, 4; "Shirt Sleeves" Cast 3; Glee Club Production "Mikado"; Girl Reserves 1, 2, 3, 4; Le Circle Francais 4; Officer 4; Library Club 1, 2, 3, 4; Officer 4; Oracle Staff 4; Periscope Staff 4; Science Club 4; Sodalitas Latina 3, 4; Student Council 3; Officer 3; Varsity Club 4; Dancing Club 3, 4.

"Five feet two,
Eyes of blue,
Oh what those five feet can do!"

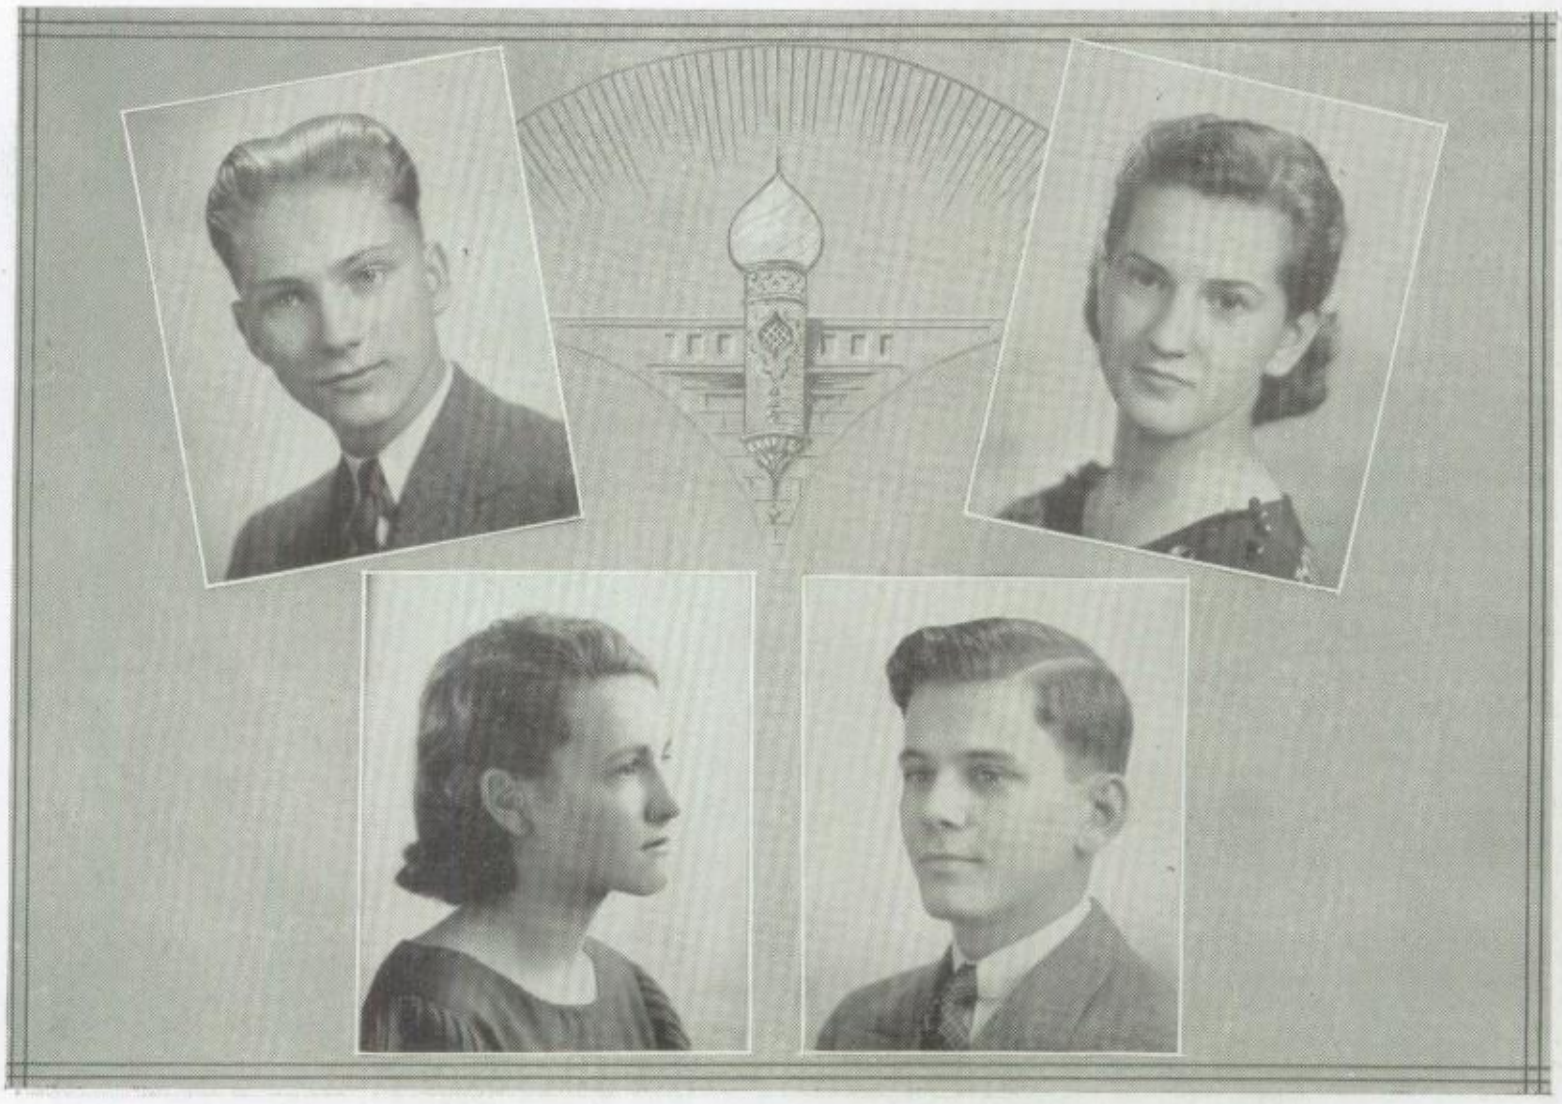
"Oh, Susie"!—Why, Jane Storm is answering that salutation. No, it's not an alias. but just one of those silent first names that some one is always draggng out to light, especially when carefully told that it is odious to the owner. However, teasing doesn't spoil Jane's sunny disposition—it must be on account of her constant "sweet" eating. Though rated as one of 1934's Chief Confectionery Consumers, she remains a slim one. But don't think Jane's rating stops there, for she also stands high in her class scholastically, and has not limited herself to high school subjects either.

HOUSTON STROHM *"Sam"*

General Course; Class Vice President 4; Dramatic Club 4; Hi-Y 3, 4; Oracle Staff 4; Science Club 3, 4; German Club 3, 4.

"How he could talk!"

You have no cause to worry about Sam's future, for he usually gets whatever he goes after—except a former little "goddess" of our Army Post. During his four high school years, Sam has taken part in many activities. He is a member of numerous organizations and is especially active in the German Club. Sam is the vice president of our class and has discharged his duties faithfully and efficiently.



GILMORE SEAVERS

General Course; Dramatic Club 4; Home Room Officer 1; Le Circle Francais 4; Science Club 3, 4; Student Council 4.

"The schoolmaster is abroad."

Allow me to introduce you to the mathematical wizard of our class. He is a light out of the darkness for the hopeless geometry class. But he excells in his other lessons, too, as his rank shows. In his sophomore year one of our beloved pedagogues correctly called him "The Gentleman from Centerville." He is also a Beau Brummel, but will not give the opposite sex a chance.

MARY SHEAFFER *"Mary"*

General Course; Glee Club 3, 4; Girl Reserves 1, 3, 4; Home Room Officer 1; Library Club 4; Science Club 3; Sodalitas Latina 3, 4; Noon Day Girl Reserve Officer 4.

"Mary had a little Ford,
Indeed it loved her so,
That everywhere that Mary went,
The Ford was sure to go."

All "Marys" seem to have something following them—whether it be a lamb, beaux, or as in this case, a Ford. But who wouldn't follow this pretty, dark-haired, brown-eyed classmate of ours? And right out to her Huntsdale home, where there are thousands of silvery fish to be seen, Mary's friends frequently come. Outdoor sports and The Library Club interest Mary chiefly, though "reading, writing, and arithmetic" occupy her time, too. Mary's cheerful disposition, which has won her many C. H. S. friends, will continue to do so at Shippensburg, where she plans to go next year.

EDNA TEITRICK *"Eddie"*

Classical Course; A. A. 1, 2, 3, 4; Dramatic Club 3, 4; Glee Club 1, 2, 3, 4; "Mikado" Cast, "Hansel and Gretel" Cast, "Riding Down the Sky" Cast; Girl Reserves 1, 2, 3, 4; Le Circle Francais 4; Oracle Staff 4; Science Club 4; Officer 4; Sodalitas Latina 3, 4; Student Council 3; Dancing Club 3, 4.

"Not too serious, not too gay—
But a rare good comrade when it comes to play."

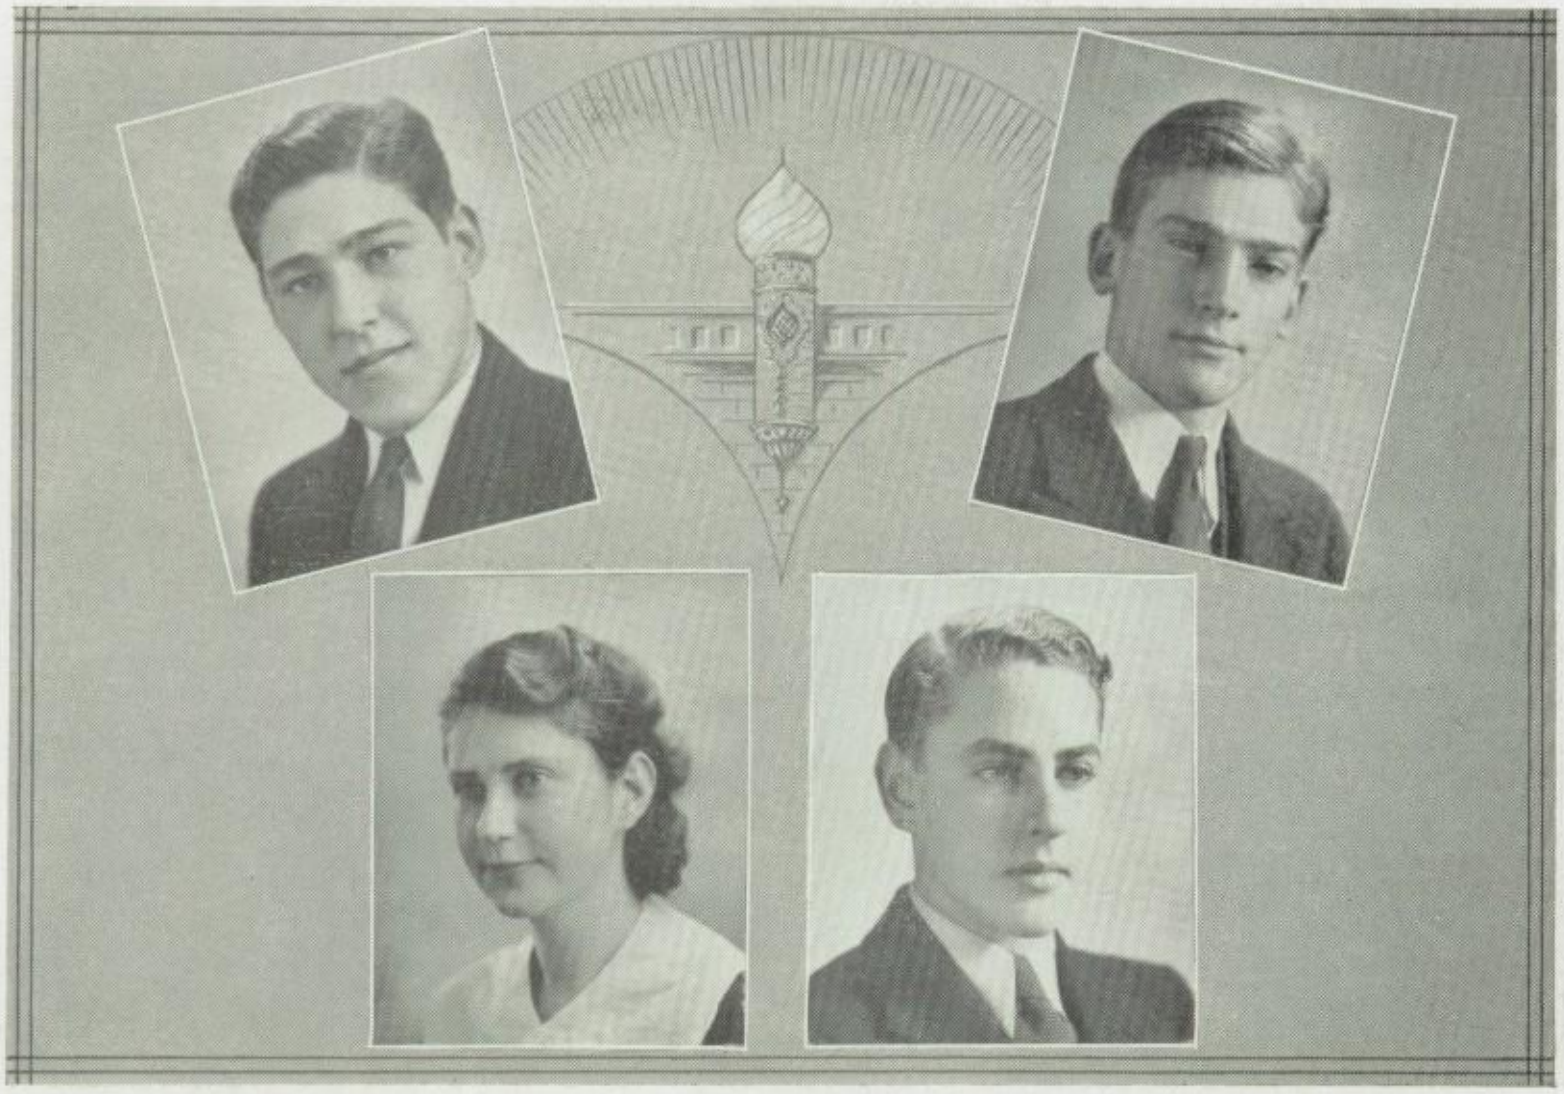
Happy-go-lucky—to a certain extent; good-looking—exceedingly; and a person whose friendship is valued highly by all who possess it. Sincerity is another one of Eddie's worthwhile traits. In sports she is most active. She is very fond of swimming, skating, and riding. Just give "Eddie" a horse, a road, and an autumn day and she is "in her glory." With her smooth "line" and grace in dancing "Eddie" is in demand not only for high school socials, but for Dickinson functions as well.

RAYMOND SHEARER *"Raymie"*

General Course; A. A. 1, 2, 4; Dramatic Club 4; "Honor Bright" Cast 4; Hi-Y 3, 4; Periscope Staff 4; Science Club 3, 4; Student Council 1, 2, 3.

"The time never lies heavy upon him;
It is impossible for him to be alone."

Yes "Raymie" is that handsome boy whom we see driving about in the big Dodge, full of boys and girls. He is chief of the traffic patrol. "Raymie" did much toward making our Senior Class Play a great success. "Raymie" is always ready to argue an undecided point and believes that it is a great thing to be well informed. This legal trait may bring him fame.



HENRY STUART *"Harry"*

Clasical Course; A. A. 1, 2, 3, 4; Band 1, 2, 3; Basketball 3, 4; Class Officer—Vice President 2, President 4; Debating Team 3, 4, Chairman 3, 4; Dramatic Club 4; Home Room Officer 2; Hi-Y 4, Officer 4; Le Circle Francais 4; Orchesrta 1, 2 3; Science Club 4; Sodalitas Latina 3, 4; Student Council 1, 2; Patrol 4; Editor-in-Chief of the Oracle Staff.

"Good men are scarce."

Do you need a good man? If you do, here is our friend "Harry." He is a young man of ability. As president of our class he has proved himsef worthy of our whole-hearted support. When he was chosen editor of this book it was because of his capability and industry. Success will crown the efforts of this young man.

MARIE THOMPSON *"Tommy"*

Commercial Course; A. A. 1, 2, 3, 4; Basketball 2, 3; Dramatic Club 3, 4; "Honor Bright" Cast 4; El Circulo Espanol 4; Glee Club 1, 2, 3, 4; Girl Reserves 1, 2, 4; Home Room Officer 1, 2, 3; Student Council 1, 2, 3.

"To give happiness means happiness returns."

Here is the book-worm. Marie has a large library of her own and she is generous about lending her books. She has many accomplishments, like playing the piano and following the "Ruhls," which we have gradually discovered. Marie's ability as an actress was displayed in her portrayal of "Mrs. Lucy Barrington" in our Senior Play. She plans to enter the field of civil service. Since her rank in the commercial class is among the first, she is sure to succeed.

ROBERT STUART *"Bob"*

General Course; A. A. 1, 2, 3, 4; Football 3, 4; Science Club 3, 4; Sodalitas Latina 3, 4.

"Happy am I; from care I'm free!
Why aren't they all contented like me?"

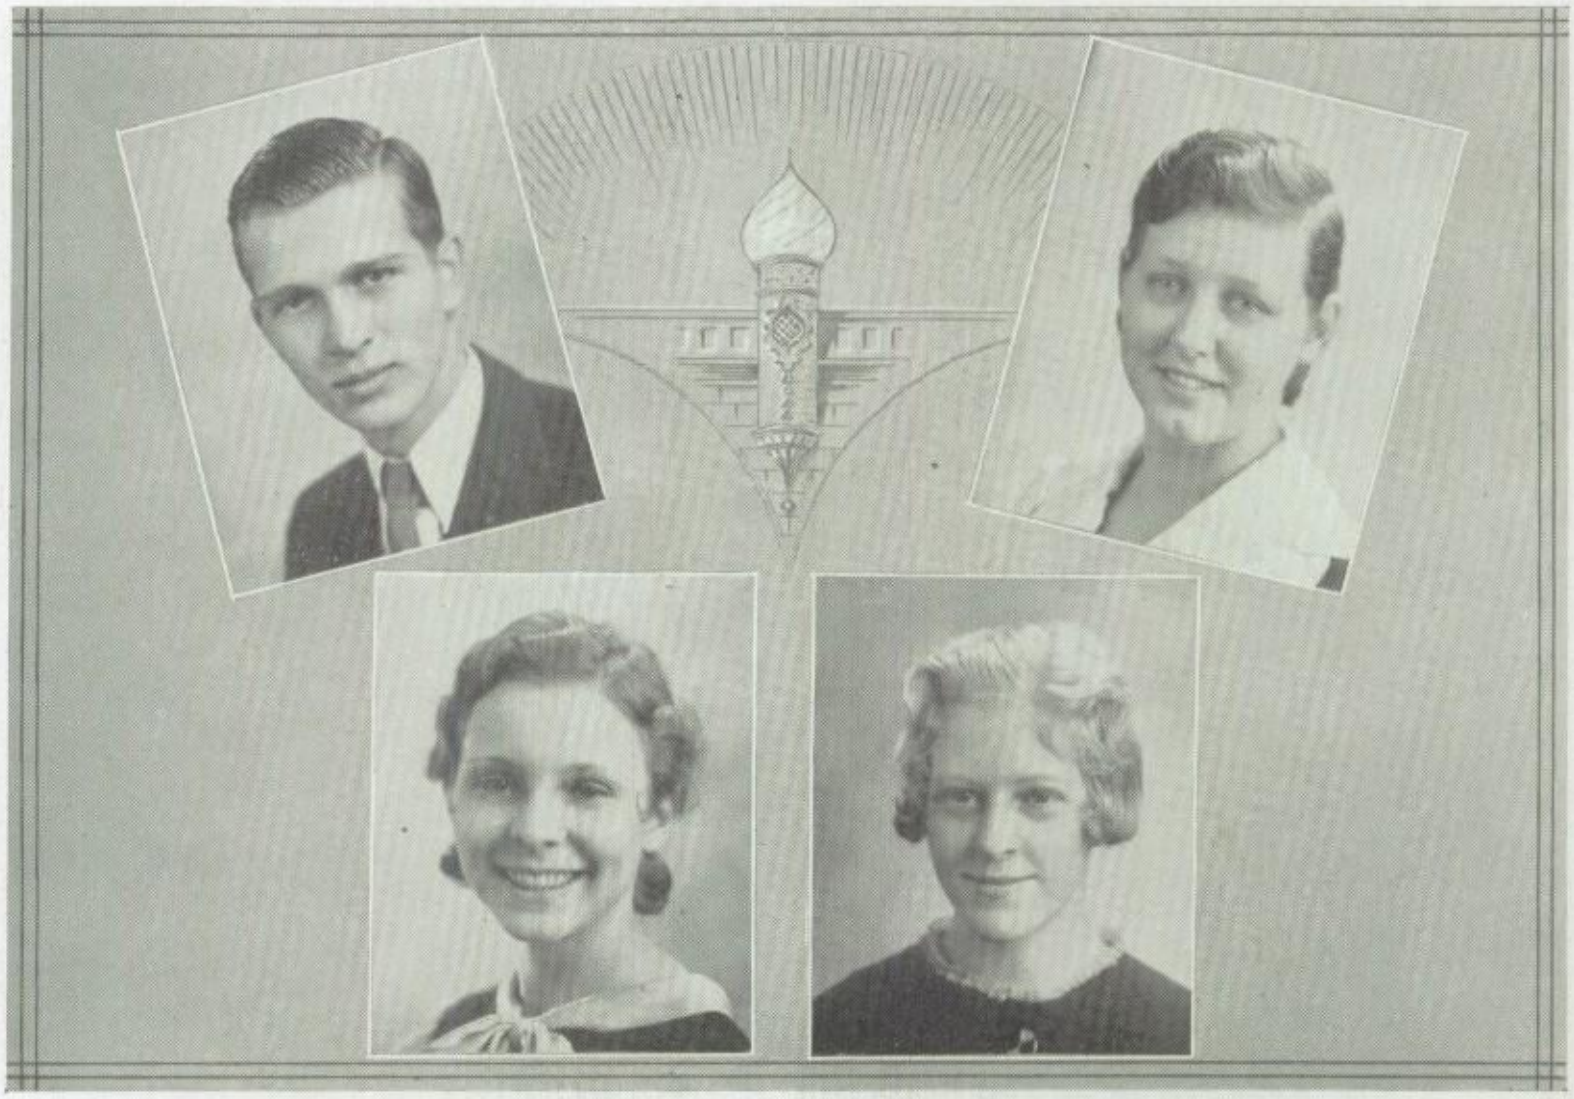
"Bob" journeys in from the country every morning to get a little more of Latin tucked away. He is a good student and is deeply in earnest with his work. Robert is a member of the Latin and Science Clubs, to which he has contributed his fine support. He is especially interested in mathematics and science, and hopes to go to Penn State to study some form of engineering.

DAVID THOMPSON *"Connor"*

Classical Course; A. A. 1, 2, 3, 4; A. A. Executive 4; Class Officer 1; Dramatic Club 4; Football Manager 4; Hi-Y 3, 4; Oracle Staff 4; Periscope Staff 4; Sodalitas Latina 3, 4; President 4; Student Council 2, 3; Officer 3; Science Club 4; Varsity Club 4.

"He will never follow anything that other men begin."

"Connor" is another of the indispensable men of our class whom everyone knows. He is small, good-natured, and sociable. In David we have the manager of football and the honorable president of the "Sodalitas Latina." He is a fine swimmer and a great hunter, hunting mostly "dear." David is very brilliant, but not always serious. He is a natural-born leader and has many followers. In short, he is just an all-around good man. David expects to go to Dickinson College next year.



VANCE THOMPSON *"Joe"*

Classical Course; A. A. 1, 2, 3, 4; Band 1, 2, 3, 4; Officer 3; Basketball 1, 2, 3, 4; Class Officer 3; Dramatic Club 4; Home Hoom Officer 1; Hi-Y 3, 4; Officer 4; Orchestra 1, 2, 3, 4; Periscope Staff 3, 4; Business Manager 4; Sodalitas Latina 3, 4; Student Patrol 4 Varsity Club 4.

"To do nothing by halves is the way of noble minds."

As business manager of the "Periscope," "Joe" has successfully financed our periodical. "Joe" plays the trumpet in Cal Henry's famous orchestra, and it is whispered that this young man is playing with love. "Joe" is nimble of foot on the basketball floor and also on the dance floor. His scholastic record shows that he is a clear thinker, which will stand him in good stead when he enters Dickinson College.

GEORGETTA TROSTLE *"Georgia"*

Commercial Course; Basketball 2, 3; El Circulo Espanol 4; Girl Reserves 2; Home Room Officer 3; Student Council 3, 4; Dancing Club 4.

"Rosy cheeks and laughing eyes."

Georgia is little, but oh my! Oft times have the walls of C. H. S. smiled down on this sunny creature who lightens the gloomy days of her chums with her friendly chatter. Making curls and dates, dancing, and playing volleyball are Georgia's pet hobbies. In which does she excel? Well, we suspect in the second. Georgia has a lovely disposition and is a faithful doer of all her tasks. Sweet, unselfish, fond of children, willing—Georgia is an ideal little person for a nurse which she wishes to be. Illness under her care will be a pleasure.

RUTH TONER *"Jimmie"*

Commercial Course; A. A. 4; Dramatic Club 3, 4; El Circulo Espanol 4; Manager of Sports 3, 4.

"A merry heart untroubled by care."

Meet our botanist! Ruth is well acquainted with and loves all forms of wild life; she knows many kinds and varieties of flowers and when each blooms. Hiking, too, which is necessary in looking for specimens, is by no means distasteful to "Jimmie." In this hobby she is very different from most people. "Jimmie" is a fun-loving, likeable girl, who ranks well on the popularity list of the class. She takes an active part in the Spanish Club. Ruth says she intends to be a private secretary, but we believe she will be a successful horticulturist or botanist.

KATHLEEN TROUT *"Katie"*

Commercial Course; A. A. 2; Basketball 2; El Circulo Espanol 4; Girl Reserves 1, 2, 3, 4.

"Gentlemen prefer blondes——"

Introducing "Blonde Venus"—and, unlike most fair-faced lasses, this one has excellent business ability. If a medal were to be given to the girl who has done the most work during her high school career, she would be the winner. Kathleen is blessed with plenty of pep and enthusiasm with which she backs all of her school activities—from clubs to sports. "Katie" helps all of us to see the funny side of life by her many amusing remarks—an ideal characteristic for a nurse.

CAROLINE WAGGONER *"Carrie"*

Classical Course; A. A. 2, 3; Basketball 2, 4; Dramatic 3 4; Glee Club 1, 2, 3, 4; Quartet 3 4; Girl Reserves 2, 3, 4; Orchestra 1, 2, 3, 4; Oracle Staff 4; Periscope Staff 4; Sodalitas Latina 3, 4; Student Council 4; Wabit Club 3; Wayaka 4.

"Sweet to gaze upon, but sweeter to know."

"Howdy, pal," is "Carrie's" cheery greeting to everyone—not a soul does she shun. Basketball, in which "Carrie" shines, is made happier for both her colleagues and opponents because of her good sportsmanship and pleasant disposition. "Carrie" comes back after a vacation of living out of doors looking gorgeously tanned and healthy, all ready for work. Versatility is quite descriptive of the miss, for she plays a violin well, is an orator, a member of the girls' quartet—my, we could go on for a long time yet.

ANNIE WATERHOUSE *"Ann"*

General Course; A. A. 1, 2, 3; Dramatic Club 3, 4; Le Circle Francais 4; Sodalitas Latina 3, 4; "Come Out of the Kitchen" Cast.

"To see her and to know her is to love her."

Annie came to us from Boston during her freshman year, and she immediately charmed us with her delightful New England accent. Of Annie we could write volumes, for her lovely personality has won for her many friends. We will always remember her sparkling brown eyes and ready smile which lights up her face when she speaks. During the summer Annie goes back to Boston, where she basks in New England sunshine, wins tennis matches, and goes sailing. Doesn't that sound too gr-rand? And in the meantime she manages to study and enjoy all the other activities in which she indulges.

ELMER WAGNER *"Bus"*

General Course; A. A. 2, 3, 4; Football 3, 4; Home Room Officer 4; Science Club 3, 4; Sodalitas Latina 3, 4; Varsity Club 4.

"The glass of fashion and the mould of form."

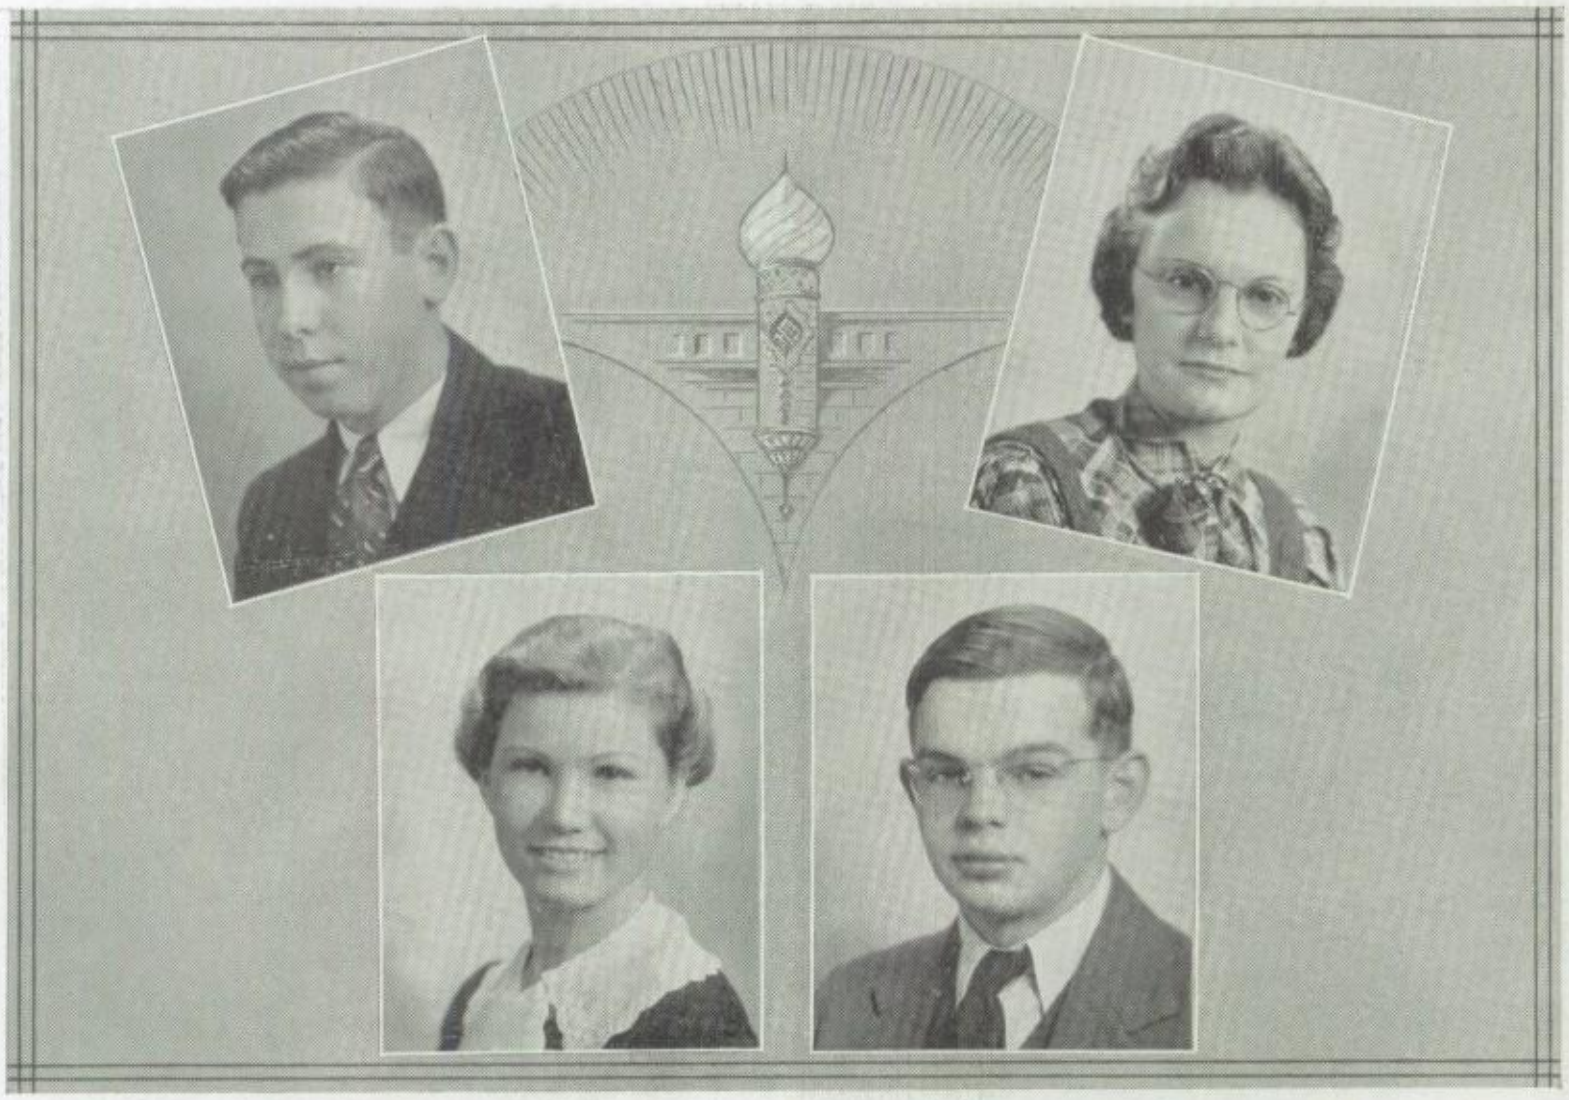
Everyone is proud to have "Bus" as a classmate. His carefree manner wins and holds many friends for him. We are proud of his fine work on the football field, as well as in our Virgil Class. Temple is the lucky college that will receive "us'" after he leaves Carlisle. We are sure he will be just as popular there as he has been with us.

FRANCES WATERHOUSE *"Frannie"*

Classical Course; A. A. 1, 2, 3; Dramatic Club 3, 4; Le Circle Francais, President 4; Sodalitas Latina, Secretary 4.

"Jolly and gay all the day
That is the way
"Fannie" wins her say."

"As soon as "Fran" comes back from Florida," has been the answer to many questions concerning the procedure of the French Club Banquet, Latin Play, and practically everything else. But when she did return—how things began to move! Her work as president of the French Club and secretary of the Latin Club has been quite commendable, despite the fact that she spends her winters, off and on, in Florida. "Fran" is the winner of many tennis cups and boating races, which sports occupy her summers. "Fran" is a peppy little Miss, and will certainly get the most out of her life.



WILLIAM WEAVER *"Bill"*

Manual Arts Course; A. A. 1, 2.

"And as I read
I hear the crowing cock, I hear the note
Of lark and linnet, and from every page
Rise odors of ploughed field or flowery mead."

"Bill' is one of the farmer lads now. He has left the hustle and bustle of the noisy town and has wandered off to some sequestered nook; there to live the life of the free. "Bill' is an excellent craftsman, a trait which will serve him well on the farm. His projects, which were displayed in several "Patrons' Day" exhibitions, are of the finest quality, both in workmanship and in design.

MARY WILSON *"Perky"*

General Course; A. A. 1, 2, 3, 4; Band 2, 3, 4; Basketball 1, 2, 3, 4; Dramatic Club 3, 4; Glee Club 1, 2, 3, 4; Officer 4; "Mikado"; Girl Reserves 1, 2, 3, 4; Home Room Officer 2, 4; Junior Band 2; Student Council 1; Tumbling Team 1, 2, 3, 4; Dancing Club 4.

"Those sparkling eyes, so roguish and bright,
Are "Perky" Wilson's, and "Perky's" all right."

Are we downhearted? Of course not, when "Perky" is around. With her sunny smile and most pleasing disposition she lends a ray of cheer wherever she may be. She is little, but by no means inactive in school affairs, as well as in all kinds of sports. "Perky" is one of the first to dive into the water in the spring and to glide over its frozen surface in the winter. When she isn't with her girl friends or going on some errand, she can generally be found with some (Buddy).

CATHERINE WIDEMAN *"Kate"*

Commercial Course; Declamations 3; El Circulo Espanol 4; Glee Club 1, 2; "Hansel and Gretel" Cast 1; Dancing Club.

"Silence is golden, but the voice of woman is the gun of ages."

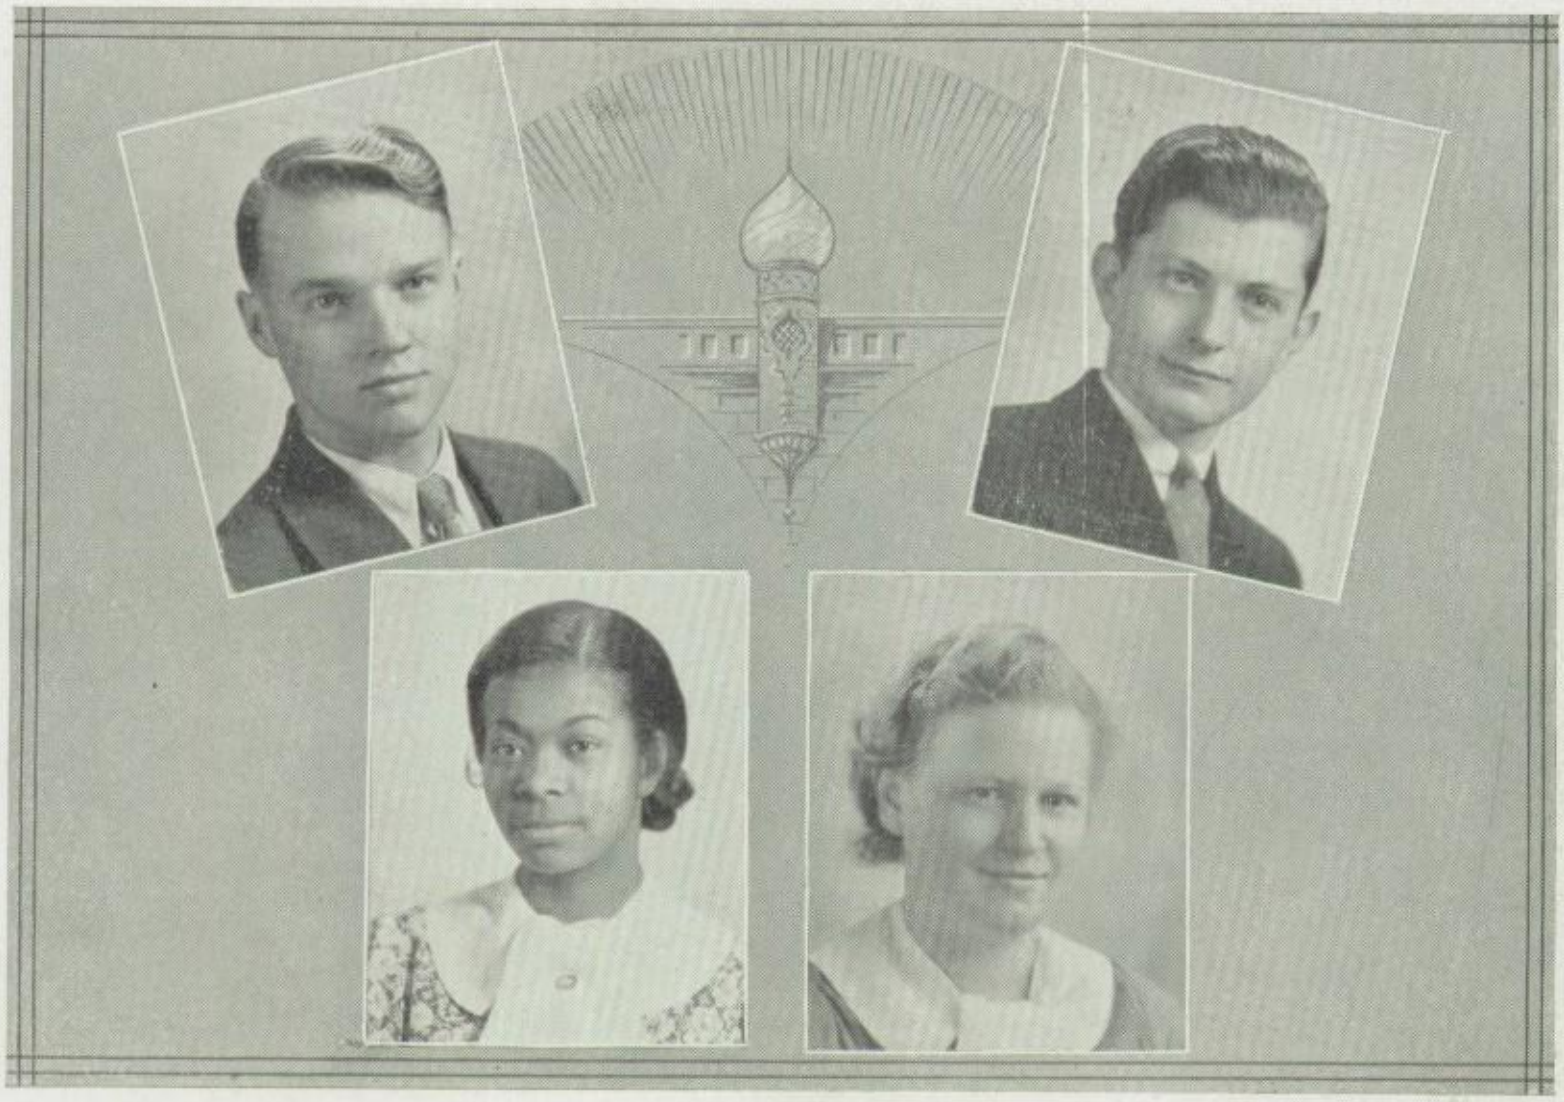
Do you hear that uproarious applause? Glance on the platform and you will see the attractive figure of our classmate Catherine receiving praise for her fine oration. Nor do her talents end there; she is quite clever at sketching pictures, so her future has possibilities along two great lines. "Kate"' is very graceful, as we realized when our gym exhibition was presented. In the commercial class she ranks very high.

WALTER WILSON *"Walt"*

Commercial Course; A. A. 2, 3, 4; El Circulo Espanol 4; President 4; Hi-Y Club 4; Oracle Staff 4; Secretary to Faculty Manager of Athletics 4.

"Thinking that nothing was done if anything remained to do."

"Click, click, clickety click" snaps the typewriter; faster and faster flies the keys, until finally the fingers which are pounding it so energetically come to a sudden stop, and our fascinated gaze lifts in admiration to the "pounder." The answer to "who is he," comes back immediately, "Walter Wilson." And then the boy tries to persuade us that he's really lazy. In his role of president of the Spanish Club, male typist of the Oracle Staff and "chief" of other "Bands" Walter has won our admiration as well as congratulations. His rank in the commercial class places him near the top, so his choice of wanting to be a bookkeeper is no doubt a wise one.



HAROLD WISE *"Wise"*

Manual Arts Course; A. A. 4.

"Oh, where is the end of study?"

Wise is a quiet fellow and a great pal when you learn to know him. He can be found at every leisure moment studying. We don't know how studious he is at home, but we do know he studies at school. He likes all types of woodworking and would make an excellent carpenter. His ambition is to be a mechanic. We are sure Wise will be a success.

ELIZABETH YOUNG *"Libby"*

General Course; Glee Club 2; Girl Reserves 4; Le Circle Francais 4.

"A sunny temper gilds the edge of life's darkest clouds."

Elizabeth symbolizes "cheer". She is blessed with an ever radiant personality which never grows tiresome. She enters heartily into athletics, many organizations, and her studies, too—a faithful supporter of each. The effort she puts forth in studying ranks her as one of our leading scholars. "Libby" is fond of fun—to judge from the merry giggles often heard when she and Anna get together. To be a teacher or a social service worker is Elizabeth's ambition. Elizabeth will enter Hampton Institute, Virginia, where we know her radiant personality will continue to shine.

WINFIELD YARNALL *"Winnie"*

General Course; A. A. 1, 2, 3, 4; Band 1, 2, 3, 4; Class Treasurer 4; Dramatic Club 3, 4; Treasurer 4; "Honor Bright" Cast 4; Home Room Officer 1, 3; Hi-Y 3, 4; Treasurer 4; Le Circle Francais 4; Orchestra 1, 2, 3, 4; Secretary 4; Sodalitas Latina 3, 4; Student Council 1, 2; Editor of Periscope.

"A scholar who climbs the grammar tree and distinctly knows,
When noun and verb and participle grows."

Here is one of the most versatile boys in the class of '34. He is treasurer of his class and also holds this same position in many of our clubs. "Winnie" has also put out excellent issues of the "Periscope." All during his high school career he has ranked at the top of his class. He has been a social headliner during his entire high school career. In whatever "Winnie" determines to do, he will succeed because of his many fine traits.

ORA MAE ZEIGLER *"Ora Mae"*

General Course; A. A. 2, 3; Basketball 2, 3; Dramatic Club 3, 4; Glee Club 2, 3, 4; Girl Reserves 2, 3, 4.

"What are humans for but to be happy?"

Can anyone think of Ora Mae without thinking of smiles and giggles? If anything strikes her as being funny, you may as well see it that way, too, because you will be laughing soon, whether you know it or not, for her laugh is contagious. Ora and "Sally," her pal, make quite a pair, and when they get together—well, they dicuss everything from "Ora Mae's" brothers to "Sally's" hair. Ora helps to keep us all happy by her funny remarks. She doesn't allow lessons to worry her.

Class Poem

Oh, how swiftly time has fled:
How unerring it has sped,
And how true our course has led,
  Since first we gathered here.

Often will those happy days,
Spent in life's most useful ways,
Fill our minds with loving rays
  Of memories, fond and dear.

Parting days have come at last,
Farewells bid our leave full fast,
And on leaving we will cast
  A glance toward future life.

Each to seek the road to fame,
Each to have a hopeful aim,
His to build a noble name
  Of honor, through the strife.

We, the class of Thirty-Four,
May we linger by the door,
Where we sought from Wisdom's store
  Our share of Knowledge, nigh.

Let us tarry while we may,
Praising those who led our way,
Thinking that Commencement Day,
  Means our leave of Carlisle High.

Class Song

Classmates gather each and all,
Hopeful, upright, brave, and true,
Listen to the trumpet call
To a fate which waits for you;
Future of glory, joy, and strife,
Rich in rewards as any life,
When kept true to trusts in store,
And your class of Thirty-Four.

Like the Wanderer o'er the desert
After the weary heat of day,
Oft will scan with eyes alert,
The heavens to guide his way;
So when the storms and hardships blind,
And the right way is hard to find,
Turn thou once again for light,
To thy Alma Mater bright.

Now we recall with thoughts delighted
All of its high ideals of truth;
Studies, games, and friendships welded,
Which made character of youth.
So we rejoice once more to find,
We are refreshed in soul and mind,
Now inspired as of yore
By the class of Thirty-Four.

The Junior Class certainly has had a big year. In order not to pay dues during the year, the Juniors held dances after each home basketball game. These dances, which were largely attended, were a success and brought much money into the class treasury. On January 26, William Wagner, the magician, gave a splendid performance in the auditorium for the benefit of the Junior Class. This year the Juniors were successful in making an innovation in the choice of their class ring. They chose a beautiful black onyx ring topped with a gold seal.

The Prom, which was held in the beautifully and cleverly decorated gym, was enjoyed by all.

This Class certainly has been fortunate in financial matters. May good fortune continue to follow it through life

Although the members of the class of '36 did nothing unusual this year, nevertheless they showed great promise in the way of vim, vigor, and vitality. The "bogey-boo" of depression jumped up and prevented them from staging the usual Sophomore party, but in spite of this, the year was thoroughly enjoyed. Much talent was shown in athletics. Many of the '34 letter men were Sophomores.

Though the Freshman entered our noble alma mater with fear and tremor, they soon recovered from the newness of the high school and settled down to a year of hard work. Members from this class have been on the Periscope Staff, the Tumbling Teams, Glee Club, Basketball Teams, Hi-Y Club, Bands, and Orchestra. The "Freshies" have made a fine start in contributing their bit to the betterment of the high school, and to them the Class of '34 extends its good wishes.

A Message From the Staff

Throughout the whole year's preparation for the publication of this annual, the entire staff has been impelled by the desire to incorporate in it the spirit and ideals of our High School. The staff has labored diligently and, as a result, we feel that we have a yearbook that will please you. We present this 1934 Oracle, hoping that it will take you on a pilgrimage through our ever-dear High School days. If we accomplish this, we shall consider that our purpose has been achieved.

GIRL RESERVE CLUB SPONSORS "THE FROLIC"

Variety Features Entertainment in Y. W. Gym

The Girl Reserve clubs, combined with the Y. W C. A gym and tap dancing classes, gave a very interesting feature, March 16, 1934. This feature was called, "The Frolic". As there was a large audience and was enjoyed by everyone present, "The Frolic" has now become an annual affair.

The sixth grade club was led in In "tumbling" by Mary Wilson. They also sold peanuts "They" certainly were good.

The seventh grade girls had a crazy band which showed great talent. There was even a soloist.

The eighth grade made lovely "hand made" baskets to sell.

Then to our surprise we discovered that, "Greto Garbo" was in our audience and with her, "Marlene Dietrich" and "Katherine Hepburn." They each favored us with a little skit.

Miss Mildred Smith led her gym classes in gymnastics and her tap dancing class gave an adorable "Newsboy boy" dance.

Last and not the least enjoyed was the Punch and Judy Show given by the senior girls.

We were also favored by our little musician, Victoria Turko, and two dances, one given by Ann Chadwick and the other, Betty June Roth.

A woman motorist was driving along a country road when she noticed a couple of repairmen climbing telephone poles. "Fools," she exclaimed to her companion, "they think I never drove before."

Can you still remember when it
was late at half past ten
And your boyfriend called you
"Miss"
And he had to steal the kiss
When to loiter on the steps
Simply killed a good girl's rep.
Or that naughty ninety time
When a soda cost a dime
And when once a kiss you stole
She socked you with her parasol.
Reader
It strikes home this does
You ain't as young as you used to

EXHIBITION OF GYM WORK PRESENTED

Demonstration Marked by Precision, Beauty, Color

MANY NOVELTIES

Amid a dazzling array of colored lights, bright costumes and snappy music, the Physical Education Department of the Carlisle High School presented its annual Gymnastic Show January 23. As is customary, a large audience was on hand to witness the superb revue directed by Miss Stevenson and Mr. Estock, who are to be highly commended for the fine performance in which nearly two hundred took part.

The entertainment opened with a novelty tap dance by the seventh grade girls, which displayed perfect acting of all members of the chorus. The seventh grade boys' contribution to the program was a rhythmic Danish drill which was followed by a novel characterization of five popular song hits of the "gay nineties," the first of which was "On a Bicycle Built for Two," which was a novel display of a tandem bicycle and two girls dressed in costumes of that time. School Days, a hit of 1907, "Over There," popularized in 1917, "Tea for Two," written in 1925, and Mickey Mouse and His Pals, a present-day comedy attraction, were the other four contributions to one of the greatest acts of the evening.

Other contributions were:
Freehand Drill—8th Grade boys.
Tumbling Team—Sr. H. S. girls.
Figure Marching Drill—9th Grade boys.
Balloon Dance—Sr. H. S. girls.
Tumbling—Sr. H. S. boys.
Figure Ice Skating Ballet—9th Grade girls.
Pyramids—Sr. H. S. boys.
March Show—Sr. H. S. girls.

Throughout the entire program there was a high standard of cooperation and coordination between all participants, which did much to make the demonstration the huge success which it was, by far surpassing last year's performances.

CARLISLE TAKES SECOND PLACE IN DEBATING

Shippensburg First in Conference; Mechanicsburg Third

Carlisle High School won second place in the local debating conference. The teams composing this conference were Carlisle, Mechanicsburg and Shippensburg. The debaters exhibited their talent by arguing the question, "Resolved: That the United States should adopt the essential features of the British system of radio control and operation." On March 16 our affirmative team, composed of Henry Stuart, Georgia Harris, and Winfield Yarnall, journed to Mechanicsburg where they were defeated by that school's negative team. On the same night our negative team defeated Shippensburg at Carlisle. On March 22, our negative team won the decision from Mechanicsburg's affirmative team at Mechanicsburg, while Shippensburg was defeating our affirmative team at Carlisle. Carlisle had a total of six points, while Shippensburg hung up nine points to win first place. Shippensburg will debate with Waynesboro, the winner of its local conference.

SOUTHERN PENNA. INSTRUCTORS CONVENE HERE

Will Hear Speakers and Witness Displays

Our high school was the scene of a large assemblage of teachers from the Southern Pennsylvania District over this week-end. On Friday and Saturday, April 6 and 7, they held their annual convention. The meeting opened Friday afternoon, followed by a reception and dance in the evening. The convention was featured by prominent men as speakers, and also group meetings of the various departments of instruction. There were also demonstrations by the different departments, such as manual arts, drafting, music and art. The students were all glad for the half-holiday and we are sure the teachers enjoyed the convention.

DRAMATIC CLUB TO PRESENT 3-ACT COMEDY

"Come Out of the Kitchen," Sparkling Bit of Fun

HAS FINE CAST

The Carlisle High School Dramatic Club will present as its share of the theatrical entertainment for the year, the play, "Come Out of the Kitchen." This is a bright, fast-moving comedy, which promises to afford amusement of a high quality. The plot centers about the affairs of an aristocratic southern family, which finds itself for the time being, a trifle embarrassed financially. When members of the family attempt to masquerade as servants, the plot thickens, as all good plots should. Through other complications the play progresses smoothly and humorously to a brilliant finish. It will be presented April 27, in the auditorium. The cast is as follows:

Olivia Dangerfield—Helen Natalusy.
Elizabeth Dangerfield — Marian Chadwick.
Mrs. Falkener—Jean Kunkle.
Cora Falkener—Jean Clay.
Amanda—Annie Waterhouse.
Burton Crane—Bernard Ludwig.
Thomas Lefferts — Clarence Cooley.
Solon Tucker—Henry Blanchard.
Paul Dangerfield—Adam Keller.
Charles Dangerfield—Omar Peck.
Randolph Weeks — William Bailey.

CARLISLE BAND WINS COUNTY CONTEST

Band and Soloists Will Go To Hershey Sat.

For the third consecutive year, Carlisle High School won the Cumberland County Band Contest. Lemoyne captured second place and Shippensburg, third. A fine audience witnessed the battle of music. Preceding the contest, there was competition for solo instrumentalists. The players from the different school performed on the clarinte, trumpet, flute, trombone and bass horn. Raymond Sawyer, of Lemoyne, won over Graham, of Carlisle, in the trumpet contest, and Thomas Myers, of Lemoyne, won over Hemsberg, Carlisle, in the clarinet contest. The soloists all played finely and the judges must have had a hard task in their scoring.

The bands all played like professionals, but we agree with the decision in placing Carlisle first.

After the contest, pictures of the bands were taken.

The contest of District Eight will be held at Hershey next Saturday, where Carlisle will compete with Waynesboro, Hanover, Hershey and others.

ORACLE STAFF TO BEGIN DRIVE FOR SALES

Finest Oracle Ever Issued to be Low in Price

The Oracle Staff will launch its drive for the sale of books during the week beginning with April 16, 1934. In this busiest part of the Oracle's program, the business staff desires the support of every high school student. It is the staff's aim "to sell the largest number of the biggest and best Oracle ever issued by the Carlisle High School."

This 1934 Oracle, we believe, although we may be inclined to be a little prejudiced, will be the best ever issued. It contains a complete history of the last four years and at least one picture of every high school student. It gives interesting accounts of the Green and White in sports and many comments on the school's activities and functions. The feature section this year will be greatly increased with many new surprising pictures and additional characteristics.

Mr. Line, business manager, states the book this year will sell for $1.25 and that this is cheap considering its worth. This is your only real chance to get a fascinating story of the High School, a group picture of your class, the athletic teams and organizations.

Now then, will you not back this expedient enterprise by just merely giving your support to the Oracle during this campaign?

The Science Club was reorganized at the beginning of the year, and the constitution was revised for the first time since the Club was organized. In the course of the year many interesting physical and chemical experiments were performed by members of the club. Through the courtesy of certain industries, many interesting motion pictures were also shown.

PRESIDENT - - - - - - HELEN NATAFALUSY
SECRETARY - - - - - - - GEORGIA HARRIS

Our officers are honorable members of Troup No. 214 of the National Thespians.

When 1934 rolled around, it found the Thespian Club with one member and a faithful group of alumni. Then another worthy member was taken into the fold, and it was this group that met every second and fourth Thursday of the month to have a riotous time of business and pleasure combined. After the senior play, "Honor Bright", those who were eligible for membership were invited to enter and were duly initiated to make them staunch and loyal members of that noble organization of dramatics. Later, the group from the dramatic club production, "Come Out of the Kitchen", was chosen. The interesting story of this club reached its climax at an outing held at Pine Grove. Every old member will tell you that there was never a better club.

The Carlisle High School Dramatic Club climaxed its fifth year of existence with the successful production of "Come Out of the Kitchen". The Senior Class Play "Honor Bright" which was given in March, was quite successful, too! All of the cast were members of the Dramatic Club. Both of these plays were well acted and well received.

The Club held its meetings every month. Committees were appointed at the meetings which provided one-act plays and little skits at each meeting. To Miss Isabel Hoover belongs the credit for the excellent dramatic supervision so many have enjoyed.

This noble organization has accomplished many things during the year. The entire club wrote original poems on the "Wanderings of Aeneas". The original plays which were written by different groups of the organization and original diaries on the "Tale of Troy" sum up the display of writing talents. At the meetings subjects pertaining to Latin were discussed. The activities of the year ended with a Roman banquet and later a grand party at Miss Bucher's home. Sodalitas Latina is one of the peppiest of our organizations.

Although the French Club has been organized for only two years, it is not lacking in ability and enthusiasm. At every meeting the members have enjoyed a well-planned program which has always been conducted in French. During the year, for special entertainment, a French banquet was given.

El Circulo Espanol had a very successful year. Meetings were held on the first and third Fridays of each month during the regular class periods. At each meeting the program committee for the current month gave a highly entertaining, as well as instructive, program. The purpose of the Club is to learn more about the customs and habits of the people in Spain and the Spanish-speaking countries. In order that it might better do this, the club purchased several books. These books will be kept for future clubs to use.

This year much interest has been shown in the German Club, which was formed last year when German was introduced into the High School curricula. Regular meetings were held, at which many interesting and varied programs were given. Talks by the German students of Dickinson College have made many of these programs very enjoyable. Due to the faithful work and co-operation of Miss Klaus, the club has had a very successful year.

Under the able supervision of Miss Myers, the club has progressed rapidly this year. The instruction course given to the club included annotations, reference work, and book reviews, all of which were of great benefit to the members.

The outstanding events of the club were a Charles Dickens Dinner, a Literary Tea and a May Day Tea for the faculty. This club offers much help to those who hope to continue in the same field.

The Wayaka Club has been a great succes this year. The first big event of the year was the Christmas Dance which was enjoyed by all. Baskets were given to the poor on Thanksgiving and on Christmas Day. In this way the girls lived up to the code. Dances were held in unison with the Hi-Y Club and they were a great success. Mrs. Diffenderfer talked to the girls about the stage and the make-up on the stage. These talks were very interesting and at the same time very educational. Miss Green, the head nurse at the Carlisle Hospital, spoke to the girls about health. These talks were also very interesting. All of the combined Girl Reserve Clubs had a Frolic and the Wayaka Club had a "puppette show". This was a great sensation. The girls also made tallies which were sold at the Frolic. Much handicraft was done during the year. All in all, the Wayaka Club has been a great success this year.

Wabit Club

"Active" is the work that describes this club. The year has just been packed full of good times for all of the members. They opened the year with a hike and wiener roast. A month later they had a Hallowe'en party to which they invited boys. This was a huge success. Then came a food sale in December. That, too, was a success. At both Thanksgiving and Christmas time, they gave baskets to the poor. Then they had a Christmas party and later in January they held a dance. Everything they did was a success. At the regular meetings they learned to dance and play bridge. Much of the success of the club was due to the efforts of Miss Naugle and Miss Mullen, the club advisers. May C. H. S. continue this successful club.

This club was organized for the purpose of giving to girls from rural districts the opportunity of becoming Girl Reserves. The girls proceeded to make it a wide awake organization. Programs were planned by each girl in turn and they proved to be interesting, as well as successful. With Miss Peters' help, the club has endeavored to live up to its code—"To try to face life squarely and to find and give the best."

HI-Y CLUB

HI-Y CLUB MOTTO

"To create, maintain and extend throughout the school and community high standards of Christian character."

The Hi-Y's activities this year were many and very successful. The meetings were kept interesting by special speeches from Carlisle business and professional men on various vocations. Mr. Bretz, a local musician, spoke on music as a vocation. Two professors from Dickinson were very enjoyable, especially Dean Hitchler and his Bible story. Mr. Masland spoke on chemical engineering. Mr. MacGregor's war story was especially acclaimed.

The social functions this year were also very successful. Three unusually good dances were held and were greatly enjoyed. Jack Schaler played at the first one and, as usual, gave an exhibition of perfect rhythm. Zel Smith played for the Christmas Dance and Ty Leroy for the Easter Dance. We also tripped our feet to Cal Henry's orchestra at an informal dance held at the old College gymnasium. We are sure the boys benefited by these varied programs.

The Varsity Club is composed of girls and boys who, during their high school days, have earned a letter in varsity competition. This club has one of the largest memberships of any club in C. H. S. It is the only club that represents the athletic phase of school life. The Varsity Club has for its aim the promotion of clean sportsmanship and the furthering of interscholastic and intra-mural sport contests. The members of the club entertain the visiting team. Their activities are not limited to the service of the Varsity Club; some of its members have been invited to usher at several plays. Because of its high ideal this club has been of inestimable value to the high school, and it will continue to prosper and grow in the future.

I wonder how many people realize what the A. A. Executive Committee does? This is the august body that sees that all of the bills for the athletic activities are paid. Its treasurer sends out checks for everything from sugar and chewing gum to football and basketball equipment, power mowers, and medical attention for our injured football and basketball heroes. The secretary has the hardest job of all. She writes the minutes and the orders for the payment of the numerous bills that come in during the year.

Football

The sun is just coming up over the old South Mountain. You, standing on the top of Poles Steeple, see a wonderful sight. A little to the right you see the rays of the rising sun gleaming upon the waters of beautiful Laurel Lake. Across the valley you see another majestic range of mountains. At your feet you behold twenty-two husky young men waving their arms hither and yon. Then suddenly a faint whoop drifts up to you. Turning your head again in the direction of the young men, you behold them strung out in file, running wildly towards Laurel Lake.

Descending along the trail you come to the Y. M. C. A. Camp where you have seen the young men performing calisthenics. You meet a young man with flaming red hair. Upon inquiring his name and occupation, you discover him to be Red Williams, head coach of Carlisle Hi's football team. Perhaps he will introduce you to Ira Cope, a robust gentleman, who is faculty manager of athletics at Carlisle High.

Then the young huskies come streaming back into camp after their pre-breakfast dip in the icy waters of Laurel. Here are Ham Adams, a veteran of two campaigns at the post of fullback; Dick Beitzel, a tall rangy boy who was varsity center last year; Bus Wagner, another lineman with a happy-go-lucky nature; Weasel Heilman, formerly of Gettysburg High; Jack Wise and Sam Smith, both varsity backs from last year; George Grove, who is to be the man of destiny on the team. These young men hasten away to breakfast after giving you a cheery "hello". You sort of wish that you could stay with these carefree, embryonic footballers, but you just must return to Molly Pitcher Town.

Ten days later you again see these young men, and oh, how they have changed. Now they are attired in full football regalia. From head to toe they are covered with wool, canvas, leather, and moleskin. The backs are at the far end of Carlisle High's field, punting and catching punts. The linemen,

under the eagle eyes of Ted Eichorn and Howdy Bair, are hitting the dummy ferociously. There goes the head coach's whistle, and over the field comes the long drawn out tones, which are so familiar to the footballers, "hurry", "hurry", "hurry". The boys line up and begin to go through some rigorous setting-up exercises under the direction of Andy Estock. It is getting late so you must leave now to go home to eat, but as you go out of the gate you turn and take one last look at these young athletes, and you see seventy young men with their backs to the setting sun kick their legs high over their heads, as if to wish you a goodby.

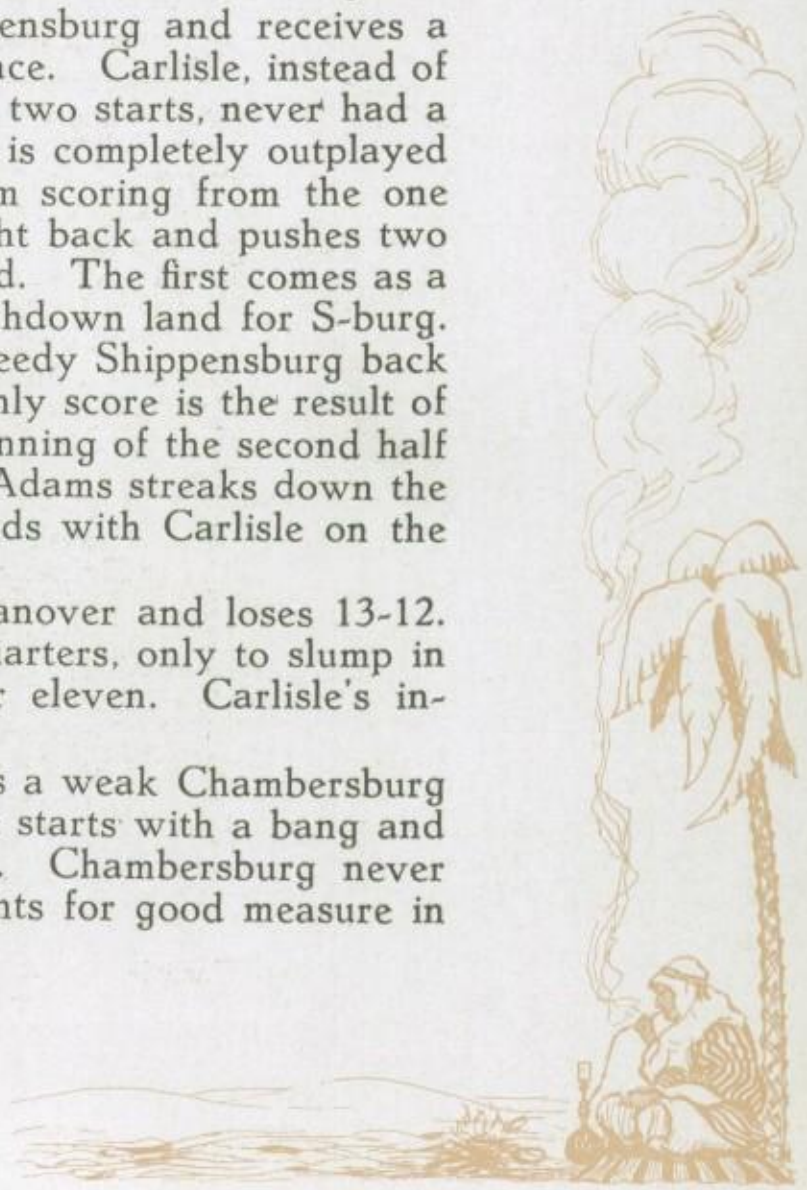
Then comes the day to kick the lid off the 1933 football season. The scene is at Eagles Park at York where the Green and White clad warriors of Carlisle High clash with the Orange and Black of York. The hugh crowd lets out a loud roar as the boys of Carlisle High appear. On the starting line-up, Bus Wagner and Paul Morrison are manning the ends; at the tackles, Frank Stringfellow and Crunch Lindsey will keep the enemy from passing; Lone Eagle Alexis, the Greek Adonis, and George Grove will hold their own at guard; and Chris Beitzel is snapping the ball back. In the backfield Captain Adams, Wise Smith, and Weasel Heilman are starting the game. Carlisle stops York's fast stepping backs dead during the first quarter. During the second quarter York, led by a red haired fullback by the name of Vaughn, pierces Carlisle's defense and scores. Coming back like a whirlwind, after intermission, Carlisle scores a twisting, whirling run of 85 yards by Jack Wise. During this run little Weasel Heilman takes two men out of the way of Wise. This is Carlisle's only score and in the fourth quarter the team falls twice before sustained drives by York. When the final gun booms the score stands 19-6 in favor of York.

On October the 17 comes Carlisle's first home game and its opponents are none other than the gridders from Lewistown High School. Biddle field is jammed for this gala occasion, and Carlisle's boys make Lewistown look sick by trampling over them to the tune of 21-0. In the first half Carlisle is unimpressive and at half time neither team has been able to score. At the beginning of the third quarter, Carlisle starts with a bang, and before Lewistown can recover, it scores another 7 points. After this Carlisle is content to rest on its lead and neither team scores from then on till the end of the game.

The following week Carlisle journeys to Shippensburg and receives a terrific jolt from the little High School team of that place. Carlisle, instead of playing the brand of football it has played in its first two starts, never had a chance, and from the opening to the closing whistles is completely outplayed by the Shippensburg eleven. After being kept from scoring from the one foot line in the first quarter, Shippensburg comes right back and pushes two touchdowns into the coveted land in the second period. The first comes as a result of a long aerial which gains 80 yards and touchdown land for S-burg. The second is the result of a Carlisle pass, with a speedy Shippensburg back intercepted and converted into a touchdown. Our only score is the result of some heady playing by Captain Adams. At the beginning of the second half Brown kicks off and the ball rolls over the goal line, Adams streaks down the field and falls on it for a touchdown. The game ends with Carlisle on the short end of a 13-6 score.

Carlisle continues in its slump when it plays Hanover and loses 13-12. Carlisle looks like a world beater in the first three quarters, only to slump in the fourth and succumb to a hard driving Hanover eleven. Carlisle's inability to convert extra points costs her this game.

Returning to its early season form, Carlisle takes a weak Chambersburg eleven over the hurdles to the tune of 19-0. Carlisle starts with a bang and scores 12 points before the game is 4 minutes old. Chambersburg never threatens the Carlisle goal line. Carlisle adds 7 points for good measure in the last quarter.



Playing at home before a small crowd Carlisle ekes out a win over Catholic High of Harrisburg. The final score is 6-0. Carlisle wastes many opportunities and only scores on an 85 yard run by Charles Brown. Brown, besides his goal cracking jaunt, makes several nice runs.

Carlisle journeys to Hershey the following week and expects to have an easy game, but on the contrary the fighting Hershey team holds the local boys to a stalemate. The final score being 6-6. Hershey scores first and it is only by the dint of some fine playing by Captain Adams that we pull the game out of the fire.

November 18th finds Gettysburg High's Bullets invading Biddle field to do battle with the minions of Carlisle. When the dust has settled over the field, Gettysburg emerges victorious by a 7-0 score. Gettysburg dominates the play throughout and scores the only points in the game early after the second quarter is started. Carlisle makes a serious attempt to score late in the fourth quarter. However, after advancing to the five yard line, a penalty and an unsuccessful line buck pushes them back to the 12 yard line. At this juncture a field goal is tried for, but it is unsuccessful. The game ends a minute later with the "Bullets" still out in front 7-0.

The Green and White grid machine opens its annual Thanksgiving Day game with a score in the first two minutes of play. After that it slumps on the attack and its defense falls apart like the proverbial house of cards. Mechanicsburg shoves across no less than five touchdowns and three points after a touchdown for a 33-6 score. Carlisle never threatens to score after little Weasel Heilman has scored in the first period; in fact they rarely have the ball, so completely did M-burg's attack stop our boys. Mechanicsburg scores 13 points in the first quarter, follows with another six pointer in the second, fails to score in the third, and adds 14 points for good measure in the fourth quarter. Thus ends the worst rout for a Carlisle eleven in the last decade.

That night the Argonne Hotel is host at the annual football banquet. After the boys have finished eating, Harold Adams is elected Captain of the 1933 football team. George Grove is elected Captain of the 1934 eleven.

Five men on the varsity football team will be lost by graduation. They are Bailey, Heilman and Captain Adams, backfield men; and Wagner and Beitzel, linemen.

Basketball

The first week in December saw the beginning of the basketball season. Fifty boys reported to Coach Williams for the first practice. Among these were two lettermen from the '33 season. Because of the huge squad the first few days were spent in passing and in learning other fundamentals of the game. The squad was soon cut to the number of 25 boys; these boys were divided into the Varsity and Junior Varsity.

December 18th saw the lid kicked off the 1933-34 season. Lemaster journeyed here and received nothing for their efforts. The Varsity experienced little difficulty in toppling the Lemaster team by a score of 32-18.

The following night saw Carlisle journey to Hershey and throw a scare into the fast stepping team of that place. Carlisle battled Hershey on even terms throughout the game, only to lose in an extra period 37-33.

After three weeks of rest the basketeers of Carlisle again went into action against a weak Newport five. Carlisle never was in danger, being able to score at will. When the final gun had sounded, Newport had the short end of a 37-18 score.

A week later Carlisle journeyed to Chambersburg to play its first Conference game. Chambersburg fought valiantly to win and had the game won until the final minutes of play, when Morrison netted two long shots, which gave Carlisle the verdict of a 20-18 score.

Saturday night saw the Hershey Choclateers completely bewilder a Carlisle team that never got started. After Zimmerman and Eshleman had made everything, the score stood 33-21.

Next week came the surprise of surprises. The weak sister of the league and our ancient rival, Mechanicsburg, won a rough and tumble game by the score of 28-26. Carlisle's inability from the foul line gave them the game.

Gettysburg handed Carlisle its fourth straight defeat. A little forward by the name of Kitzmiller just couldn't be stopped, Kitzmiller ringing up 15 points, this being only three less than the entire Carlisle team scored. When

the shouting was over, Carlisle had lost another Conference by a 34-18 count.

Emerging from its slump, Carlisle won its next two games, trimming Lemoyne and Shippensburg; Lemoyne by a 25-19 count, and Shippensburg 26-20.

Hanover, the Southern Pennsylvania League Leader, was our next opponent. During the first half, Carlisle played splendidly and at half time was only three points behind the League Leaders. However, in the third period Carlisle was unable to stand the fast pace, and Hanover put the game on ice by scoring 13 points while holding us to four points. The game ended with the Hanovarians leading 41-28.

Before a huge crowd that jammed the local gymnasium, Carlisle gained revenge for its former defeat by Mechanicsburg. This game, like the one at M-burg earlier in the year, was a rough and tumble affair. But unlike the last game, Carlisle made its foul shots well and won the game by a 21-13 score.

Turning the tables on a strong Carson Long team, Carlisle sprang a surprise by defeating Carson Long 33-22. Captain Bailey ran wild in this game, scoring 18 of his team's 33 points.

Chalking up three wins in a row, Carlisle took over a weak Chambersburg team by a 29-13 count. Carlisle led throughout and experienced little difficulty in penetrating its opponent's defense.

After chalking up three wins in a row, Carlisle turned about face and did the same thing the other way, losing to Shippensburg, Hanover, and Lemoyne. The Hanover game was the only one of the three to be lost at home.

The final game of the season was played on March 2, Gettysburg Hi journeying here to do battle with our boys. Carlisle pulled a surprise by winning 26-24. With thirty seconds to play and the score tied, Morrison, who had a habit of coming through in the pinches, sank a field goal as the gun sounded, giving Carlisle a 2 point win over the Bullets.

Bailey was elected captain of the Carlisle High team at the close of the 1934 campaign. Bailey also finished second in the race for the individual scoring honors in the Souther Pennsylvania Conference.

The Junior Varsity had a very successful year, and good material is developing for the Senior varsity.

Basketball furnishes a great source of pleasure for the high school girls, as well as boys, evidenced by the excitement that runs high in the locker room each year. This year the Senior girls came out to play, not only for pleasure but with a feeling that they must win to keep up their reputation. However, the underclassmen felt the same way and thus the "fight was on." Despite the fact that every team did its best to be victorious, it was the Sophomore squad that come out with the winning laurels of the season. Intra-mural basketball has furnished all the girls an opportunity for healthful recreation and friendly competition, and an excellent chance to build strong bodies. All have entered into the games with "vim, vigor, vitality, and sportsmanship."

Merrily this team has tumbled its way to fame. The good-looking "blue and white" gives us an exhibition annually which is indeed a sight worth seeing. Both acrobatic work and feature are all under the power of the girls—and we are proud of them. Although the graduation exercises this year will witness the passing of four of the veteran tumblers; namely—Helen Natafalusy, Jean Kunkle, Mary Wilson, and Evelyn Galbraith, there are a great many under classmen of the team who will make possible a successful season next year.

The Boys' Tumbling Team of 1934 has set new and higher standards for acrobatics in the Carlisle High School. The demonstration which was supported by both teams, met with unparalleled success. The hours that the boys spent in preparing for this feature were well repaid, because of the benefits they received both mentally and physically, and because of the splendid entertainment that the high school students and townspeople were privileged to enjoy. The Senior Class is proud to have some of its members on the team. The team may well feel that it has accomplished its goal, which is "To promote gymnastics in the Carlisle High School."

The fundamental purpose of this club is to promote higher physical education. As the number of members of this organization must be limited, those who are the most adept to that type of activity are chosen. Better muscular coordination; a development of poise, grace, and beauty in movements; the promotion of good posture; besides an expression of the life and customs of the people are all the results of this excellent organization. A display of the efforts of the club was presented in the annual gym exhibition when two unusual numbers were presented. "The Balloon Dance" and "Marche Slav" thrilled the audience because of the grace and feeling with which they were danced. The instructor of the club is to be commended for the tireless efforts she has put forth in perfecting her work.

The prospects for a Championship track team are bright for this year. There are six lettermen remaining from last year. These six, together with one or two others, will form the nucleus of the track team. Adams and Bowersox, both lettermen, will take care of the sprints. Captain "Weasel" Heilman, "Bill" Hays, "Flop" Morris, and George Gumby are expected to go great guns in the 440, 880, and the mile. "Dick" Beitzel, "Bill" Hays, "Jack" Wise, and Frank Stringfellow and one or two others are expected to give Carlisle many points in the field events. The track team this year is under the tutelage of "Andy" Estock, with George Herman as student manager. Captain "Weasel" Heilman says, "We'll be in there fighting all the time for C. H. S."

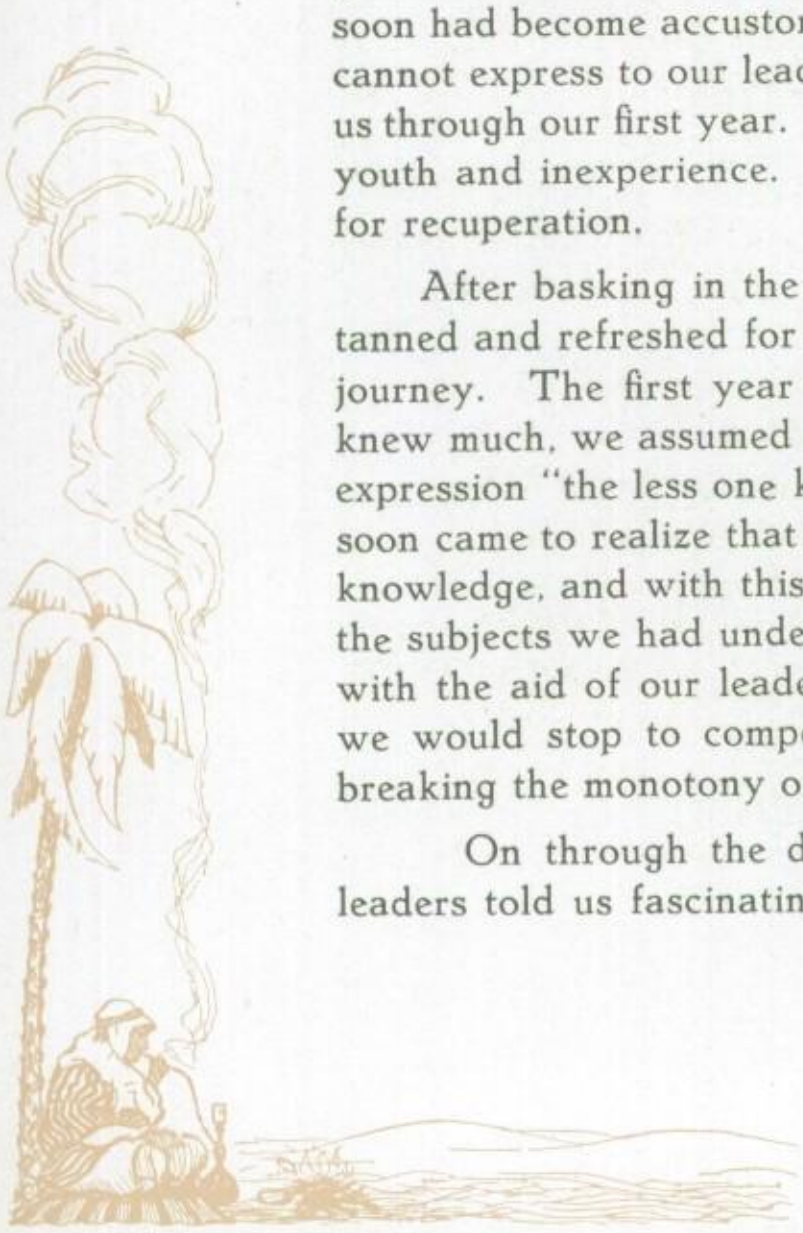
"One Thousand and One Nights"

Prancing and pawing, eager to start—the steeds upon which the Tribe of '34 were to travel waited impatiently on the edge of the Desert C. H. S. Chief Gulden and his helpers rode among us giving last minute admonitions. The joyful breezes blew softly about us, seeming to wish us God-speed. For years we had waited for this day—so with hearts light and eager for the future, on that lovely day of September 6, 1930, we gallantly rode forth. How young and ardent we were! Noisily we commented on each new sight we saw, laughing and chatting with childish joy. Carefree and fun-loving, we entered into all the activities offered by our leaders (upon occasions) when we stopped off for our repast. Musical organizations were increased greatly when numerous members of our Tribe joined their ranks. Sports, too, were undertaken by both boys and girls; and indeed we were quite adept. One evening when we paused for our usual repast, a party was given for the Tribe of '34. Such foods as weiners, mashmellows, and fruits composed the menu—and, needless to say, they were heartily enjoyed.

After one hundred and ninety days of the journey, though we were little tired, it was only fair to our faithful and certainly long-suffering horses to stop for a brief interval of vacation. On this long journey we had doubtless tired them; thus it was a sigh of relief that they heaved when we dismounted. The great Desert of C. H. S. had impressed us with awe-inspiring dignity, but we soon had become accustomed to its vastness and now felt quite at home. We cannot express to our leaders how much we owe them for so patiently guiding us through our first year. No doubt we were a very trying group—due to our youth and inexperience. It was with pleasure that they welcomed the pause for recuperation.



After basking in the glorious sunlight just long enough to become nicely tanned and refreshed for the trip ahead, we took up the second stretch of the journey. The first year had made its mark upon us, and now thinking we knew much, we assumed an air of sophistication. Ah youth—how true is the expression "the less one knows the more he thinks he knows". However, we soon came to realize that our quest was not for pleasure but a search for knowledge, and with this thought in mind we concentrated more seriously on the subjects we had undertaken. This year was one of work, primarily, and with the aid of our leaders, we came through with flying colors. Oft times we would stop to compete with neighboring tribes in various games, thus breaking the monotony of the journey.

On through the days we rode—and at night when we stopped, our leaders told us fascinating tales of those who had gone before us. Some of

our tribe had fallen by the wayside; others had dropped from the ranks entirely; but as a whole we had kept together faithfully. Again during the second year we were entertained at a party where we all dressed in gala array. What glorious times we spent in pleasant association with our fellow tribesmen! What joy there is in having friends—in being a friend! The hardships and dangers of the journey had bound us together in a common bond of understanding.

And now more than half of our days of the journey in C. H. S. were over, and again we stopped for a period of relaxation. This second year had left us more reserved and surely more subdued than we had been at the beginning of the year. Being upper-tribesmen now—old enough to be respected and young enough to look up to our senior travelers—we entered the third year of our great quest. Too busy with studies and extra activities, we no longer rode our horses to exhaustion, but rode with a steadier and more poised gait. Toward the end of this year we stopped for several nights to prepare a large party for the senior tribe which would leave us at the end of that year. After decorating our tents with bright colors we invited our guests to join in the merry-making. It was one of those times when everyone enjoys himself the entire evening—and judging from the pleased faces of the tribesmen, the Prom was certainly a success.

With the passing of the Seniors from our midst, we came to realize that our last year of life on the Desert C. H. S. was near at hand, and as we had lost the completely "green" look of a Freshman and the sophisticated air of our Sophomore days, the Jolly Junior look—now melted away, and we appeared poised and dignified—for lo, we were Seniors. Into the happiest, busiest, and shortest year of our journey, we rode with our thoughts on the goal toward which we had been riding during the past years. Our leaders called us together many times to hear the wise words of other tribe leaders, concerning our future. Singers and other artists were called in to entertain us. Indeed we were treated quite royally. Our members entered into declamation contests, debates, sports, and dramatics with a right good will. We had proved ourselves to be worthy of doing everything the leaders of the caravan had offered. Our members had added their bit to the dignity and fame of Dessert C. H. S., and now when the year was finally drawing to a close, it was with a feeling of pride that we looked back over the journey.

One cannot leave the sands of C. H. S. without being much better; so to you, dear Alma Mater, we feel grateful for anything worthy of commendation that we have accomplished. To the great Desert C. H. S., to our leaders, and to the under tribesmen who will take our places, we say good-bye. The thousand and one nights spent on your comforting sands have been the most pleasant and the most satisfactory of our lives.
